Owing to increased demand for advertising space other matter will necessarily be curtailed until after the holidays. But to the judicious housewife, who has long since learned that the best store to trade at is the one that advertises, the whole paper is most interesting just now when she is studying to save in her heavy winter buying.

The Washington County Bank is to be congratulated upon the acquisition to its force of Mr. Elmer Spruill of Roper. Mr. Spruill has been assistant cashier of the Bank of Roper for some time past, and during this time has acquired an enviable reputation for integrity, good business ability and courteous demeanor toward all patrons. We most cordially welcome Mr. Spruill to our city.
