Good Work.

At the close of the regular Sunday School hour at the Christian Church on last Sunday morning we turned the school into a Patriotic Meeting. The result was \$300.00 in War Savings Stamps. Slogan: "Every Member own at least one W. S. S. on or before June First." Beat this in five minutes.

RED CROSS NOTES

Plymouth Chapter.

There will be a meeting of the Woman's Department of the Red Cross Chapter, at the school building next Tuesday afternoon at 3:30 o'clock. A large attendance is desired.

An effort is being made to organize each school in Plymouth Township into a Junior Red Cross Auxiliary. Literature and advertising matter are being forwarded to each teacher, whose cooperation with the chapter officers is earnestly solicited.

It is the duty of every loyal member of the Red Cross to combat the damaging stories that are being circulated about this great organization of mercy. Such stories are all German propaganda, to hinder the cause for which our boys are making the great sacrifice in France. Those who give credit to and keep these stories going, are aiding the Kaiser in his vile schemes.

New Corporations.

Two Certificates of Incorporation have been recorded in this county during the past month, the first being that of "Ayers & Deede Incorporated," mercantile business located at Plymouth, capitalized in the sum of \$10,000, with E. W. Ayers, L. T. Deede and C. E. Ayers, stockholders. The second is the "Pungo Grain and Lumber Company" to conduct the business of buying and selling grain; buying, selling and manufacturing lumber, etc., capitalized at \$50,000 with main offices at Wenona, the stockholders being J. A. Rankin, W. B. Lovel, and P. F. McAllister of Chicago, Ill., and J. C. Merrill of Oak Park, Ill.
