

THANKS RECEIVED FROM THE FRONT

COLD EXCITEMENT OVER RECEIPT OF SURGICAL DRESSINGS

Director Of Woman's Work For Red
Cross Receives Letter
From Paris

The importance of the work that is being done by the women all over the Southern Division of the Red Cross in the way of knitting of surgical dressings and of hospital garments has been stressed many times, but it has never been shown more clearly than in the following note of thanks which was received a few days ago by Mrs. John W. Grant, Director of the Department of Woman's Work of the Southern Division, from Mrs. Gertrude Austin, Chief of the Red Cross Surgical Dressings Service in Paris:

25 Rue Pierre-Charron, Paris,
February 2, 1918.

To The Chairman:

Dear Madam:

Your case of surgical dressings No. 85 has just been opened, and we want to thank you most heartily for your help.

We are wildly excited here over the arrival of the first Front Parcels and the first Standard Dressings. They are not yet in our stores, but we know that they are in France.

You can't realize what this means to us, for we have waited for them so long and so anxiously.

Go ahead and send us plenty more.

Cordially yours,

GERTRUDE AUSTIN,
Chief of Service.

That the Southern Division is doing its part in shipping these articles to Europe is shown in the reports of the division warehouse in Atlanta which give a detailed statement of all work done during the week. Not infrequently as many as 300,000 articles are shipped for export in a single week, in addition to all of the work of inspecting, cutting out and packing, which is done at the warehouse, and to the boxes which are shipped to the commandments in this country.

RED CROSS WAR FUND DRIVE SET FOR MAY 20

In order not to detract even slightly from the forthcoming Liberty Loan campaign, the War Council of the American Red Cross has postponed the campaign to raise the second War Relief fund of \$100,000,000 to the week of May 20 from the week of May 6th, as was originally intended, it was announced in Washington today.

This action fixes the date of the second Red Cross campaign eleven months after the first, which was started on July 15, 1917. The War Council had been appointed by President Wilson only five weeks prior to the beginning of this campaign so that its first great task was to provide means for carrying on relief work during the war on a scale commensurate with the military operations.

More than \$100,000,000 was contributed in response to the first call for financial aid and contributions plus interest brought the total receipts from the first drive up to \$105,000,527. Of this amount, \$17,000,121 was refunded to Red Cross Chapters for local relief work. Of the balance, \$77,721,918 has been appropriated, leaving a balance of \$10,371,217 available for appropriation. France has received appropriations amounting to more than thirty millions. During the week preceding Christmas the Red Cross conducted a membership drive which resulted in the enrollment of approximately 22,000 new members. This was followed last month by a campaign conducted by the Junior membership of the Red Cross which resulted in the enrollment in the collateral organization of practically all of the school children in America.

RED CROSS MADE OFFICIAL WAR FILM DISTRIBUTOR

The American Red Cross has been designated by the government as the official and exclusive distributor of the United States official war pictures—both motion pictures and stereopticon slides—and likewise the sole distributor in this country of all official French war pictures hereafter released except those pictures which are distributed through the news weeklies.

In the Southern Division, comprising Georgia, Florida, the two Carolinas and Tennessee, the Bureau of Public Welfare will handle these pictures and all requests for same, whether by chapters or by motion picture theaters must be made to the publicity director.

There are already on hand at the national headquarters in Washington five motion picture films, two multiple reel and three single reel pictures, and two sets of stereopticon slides which may be had in either black and white or in colors. The Southern division has just placed an order for these films and slides, and as soon as they arrive in Atlanta they will be offered to Chapters throughout the division at a small rental.

These pictures show various scenes and activities in France and elsewhere in Europe, and should be most interesting to the people of the United States. Some of them picture war activities and others the work of the Red Cross in Europe.

The United States official pictures are taken by the Signal Corps, Photographic division, of the United States Army. The French official pictures are taken by the Cinematographic and Photographic Division of the French

NOTICE

North Carolina At No. 2342,
Tyrrell County,
To B. B. Jones, Register of Deeds
and Ex-officio Entry Taker for
the County of Tyrrell and
