

Calomel Loses You a Day's Work! Take Dodson's Liver Tone Instead

Read my guarantee! If bilious, constipated or head-
achy you need not take nasty, sickening, danger-
ous calomel to get straightened up.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle doesn't cost very much, but if it fails to give easy relief in every case of liver sluggishness and constipation, you have only

to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.—Adv.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

(By REV. P. B. FITZWATER, D. D.,
Teacher of English Bible in the
Moody Bible Institute of Chicago.)
(Copyright, 1918, Western Newspaper Union.)

LESSON FOR JUNE 2

THE PROPHETIC OUTLINE OF
THE INTERVAL BETWEEN
CHRIST'S CRUCIFIXION
AND HIS COMING AGAIN.

LESSON TEXT—Mark 13:1, 14:3.
GOLDEN TEXT—He that shall endure unto the end, the same shall be saved.—Mark 13:13.
DEVOTIONAL READING—Ephesians 2:1-10.
ADDITIONAL MATERIAL—Matthew 23:1-28, 46; Luke 21:5-38; 1 Thess. 5:1-24; II Thess. 2.
PRIMARY TOPIC—Jesus among his friends.—Mark 14:3-9.
JUNIOR AND INTERMEDIATE TOPIC—Our best for Christ.—Mark 14:3-9.

The printed text (14:1-9) may profitably be used by the primary, junior and intermediate grades, but the adult classes will more profitably confine their study to chapter 13. In order to avoid confusion in this study, let it be clearly borne in mind that two matters are presented—the destruction of Jerusalem by the Roman armies and the glorious return of the Lord. The two are sometimes so closely interwoven as to make the threads difficult to disentangle, but if we see the coloring in the graphic picture of the destruction of Jerusalem as adumbrating the revelation of the Son of God in glory, we shall have no serious trouble.

I. The Occasion of the Prophecy (vv. 1-4).

As Jesus was passing through the temple for the last time on his way to the Mount of Olives, where he gave this discourse, the disciples reminded him of the splendor of the building, to which he replied that not one stone should be left upon another. When seated upon the mount three disciples came privately with a threefold question, according to Matthew 24, requesting further information.

1. When shall these things be?
2. What shall be the sign of thy coming?
3. And of the end of the age?

That which follows is given in answer to these questions.

II. The Characteristics of the Age During the Absence of Christ (vv. 5-23).

1. Appearance of deceivers (vv. 5, 6).

Since Jesus went back to heaven many false Christs from time to time have pressed their claims as being the Christ. As the age draws to a close these claims doubtless will increase.

2. Wars and strife among the nations (vv. 7, 8).

The history of the centuries since Christ is written in blood, and the river increases in volume as the age goes on toward its consummation. Jesus warns against making any particular war the sign of his coming. Many good people have seriously blundered in this respect because they did not heed this warning.

3. Earthquakes and famines (v. 8).

Though these calamities grow increasingly severe as the days lengthen, the intelligent, believing disciple is not surprised or alarmed, for these are the precursors of a new order, the birth pangs of a new age, the establishment of the Kingdom of Christ upon this earth. Let the child of God in this present darkness look up, for his redemption draweth nigh (Luke 21:28).

4. Universal evangelism (v. 10).

The gospel of the Kingdom, according to Matthew 24:14, shall be preached in all the world for a witness. This is not the Gospel of the grace of God which we now preach, but the new evangelism which shall be proclaimed by elect Israelites immediately preceding the coming of Christ to establish his Kingdom (see Rev. 7:4-10; Rom. 11:15).

III. The Lord's Glorious Return (vv. 24-27).

This is the superlative event, the one to which all prophecies have pointed, and all ages are moving with unflinching precision. It will usher in the golden age of which the wise and great of all ages have dreamed, and for which they longed. The coming of the Lord will put an end to earth's sorrows; wars and strife will not end until the kingdoms of this world become the Kingdom of our Lord and his Christ (Rev. 11:15). This event will be accompanied by great physical disturbances and Jesus will gather his elect from the ends of the earth.

IV. Applications of the Prophecy (vv. 28-37).

1. As these events multiply in the earth we know that the coming of the Lord draweth nigh (vv. 28, 29), as the putting forth of the leaves of the fig tree prove the approach of summer.

2. The Jewish race shall retain its integrity till the end (v. 30).

The perpetuity of Israel is the miracle of the ages.

3. Certainty of fulfillment (v. 31).

The unflinching guarantee is the words of Christ.

4. The time of Christ's coming unknown (v. 22).

In view of this it is utter folly to set the time. The devil keeps people from the truth of Christ's coming as long as possible. When he can no longer succeed in this, he then tries to get them to set the time.

5. The proper behavior in view of Christ's imminent coming (vv. 33-37).

It is watchfulness and prayer. The coming of the Lord is the grand incentive for watchfulness and earnest prayer.

A Word of Precaution.

JUST wherein lies the reason for the use of vegetable preparations for infants and children?

Why are any but vegetable preparations unsafe for infants and children?

Why are Syrups, Cordials and Drops condemned by all Physicians and most laymen?

Why has the Government placed a ban on all preparations containing, among other poisonous drugs, Opium in its variously prepared forms and pleasing tastes, and under its innumerable names?

These are questions that every Mother will do well to inquire about.

Any Physician will recommend the keeping of Fletcher's Castoria in the house for the common ailments of infants and children.

Letters from Prominent Druggists addressed to Chas. H. Fletcher.

S. J. Briggs & Co., of Providence, R. I., say: "We have sold Fletcher's Castoria in our three stores for the past twenty years and consider it one of the best preparations on the market."

Mansur Drug Co., of St. Paul, Minn., says: "We are not in the habit of recommending proprietary medicines, but we never hesitate to say a good word for Castoria. It is a medical success."

Hegeman & Co., of New York City, N. Y., say: "We can say for your Castoria that it is one of the best selling preparations in our stores. That is conclusive evidence that it is satisfactory to the users."

W. H. Chapman, of Montreal, Que., says: "I have sold Fletcher's Castoria for many years and have yet to hear of one word other than praise of its virtues. I look upon your preparation as one of the few so called patent medicines having merit and unhesitatingly recommend it as a safe household remedy."

A Peabody girl, writing to her Canadian sweetheart in France, inquired in her last letter: "What kind of a man is the censor who reads all my letters and your letters to me and signs his name 'Opened by the censor?'" The censor added a foot-note in her sweetheart's letter, describing himself, and now the girl doesn't know whether she is in love with the censor or her old sweetheart.—Peabody Gazette.

Innovation Justified.

A wordy dispute has been stirred up in England over the action of the authorities in stationing a tank on the Worcester cathedral green. This was denounced by some as a sacrilege, but the dean pointed out that we are fighting in a sacred cause.
