

Calomel Today! Sick Tomorrow!

I Guarantee Dodson's Liver Tone

Don't take nasty, dangerous calomel when bilious, constipated, headachy. Listen to me!

Calomel makes you sick; you lose a day's work. Calomel is quicksilver and it salivates; calomel injures your liver.

If you are bilious, feel lazy, sluggish and all knocked out, if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tone instead of using sickening, salivating calomel. Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of vigor and ambition.

Your druggist or dealer sells you a bottle of Dodson's Liver Tone for a

few cents under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tone because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tone to people who have found that this pleasant, vegetable liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about me.—Adv.

LESSON FOR SEPTEMBER 8

CONQUERING EVIL.

(May be used with temperance application.) LESSON TEXTS—I Kings 21:1-23; Ephesians 5:8-21.

GOLDEN TEXT—Have no fellowship with the unfruitful works of darkness, but rather reprove them.—Ephesians 5:11. DEVOTIONAL READING—Romans 12: 21 to 13:10. ADDITIONAL MATERIAL FOR TEACHERS—Deuteronomy 9:18; Psalms 94:16; Luke 4:1-13; 19:41-45; Romans 7:14; 8:14; II Timothy 4:2.

The robbery and murder of Naboth is one of the darkest of human deeds. Failure to recognize the righteousness of Naboth's position, and to master his own personal selfish desires, resulted in this dark deed.

I. A Notable Example of the Triumph of Evil (I Kings 21:1-20).

1. Ahab's covetousness (vv. 1-6). Near the king's palace lay a plot of ground belonging to a simple farmer which Ahab selfishly longed for. Naboth, loyal to the law of God and exercising his personal rights, refused to part with it, though the king offered him what it was worth, or even a better one in exchange. With Naboth it was not a matter of money value, but of loyalty to God and his fathers. It doubtless would have been gain to him to have complied with Ahab's desire, for he offered his worth in money, or a better one in exchange. Naboth put principle before worldly gain, or even a reputation with the king. Ahab instead of conquering his selfishness sulkily refused to eat.

2. Jezebel's wicked plot (vv. 5-16). When she found Ahab pouting she took matters into her own hands. (1) She taunted Ahab (v. 7). A weak man cannot stand to be taunted, especially by a woman. (2) A mock trial given (vv. 8-13). The charge made against Naboth was false. They played the hypocrite. His death was secured under the pretense of justice. Jezebel desired Naboth out of the way, so she secured false witnesses against him. (3) He was stoned to death (v. 13). (4) Jezebel informs Ahab of Naboth's death, and instructs him to take possession of the vineyard (vv. 14-16).

3. The doom announced (vv. 17-26).

(1) By whom—Elijah (vv. 17, 18). At the command of the Lord, Elijah, who had fled from Jezebel, goes to meet the king as he entered upon the possession of Naboth's vineyard. He went to take possession but could not. God always finds a man to bring to the sinner the fruit of his wrongdoing. (2) What it was (vv. 19-26). (a) A shameful death (v. 19). The dogs were to lick his blood in the place where they licked the blood of Naboth. There is a retributive justice in the judgments which God metes out to sinners. "Whoever a man soweth, that shall he also reap" (Gal. 6:7). Jezebel was to share a like fate. The sinner should be assured that his sin will find him out. (b) Obliteration of posterity (vv. 21, 22). It was best that the children of such a man should be cut off so that there might be an end to such a wicked dynasty. It would seem that the world has now come to such a state as this. The dynasty which is responsible for the blood and sorrow of the world at this time would better end and its posterity be obliterated from the earth.

4. Ahab's repentance (vv. 27-29). Through his humiliation he gained a respite from judgment. God allowed him to go for awhile before he permitted the judgment to fall upon him. A few years later he was slain in the battle of Ramoth-Gilead (chapter 22:37).

II. How to Overcome Evil (Eph. 11:18).

1. By separation from it (v. 11). The only way to overcome evil is to refuse fellowship with it, to withdraw from it. Lot, who had entered into fellowship with the Sodomites, was overtaken with disaster; but Abraham, who was separated from it, was able to deliver him.

2. By reproof (v. 11). It is not enough to merely refrain from practicing evil. No neutral position is possible. There must be victory over it; it must be defeated. Antagonism of the evil is necessary.

3. By watchfulness (v. 14). Living in the light of Christ is necessary in order to overcome evil. Deception is on every hand.

4. By a circumspect walk (vv. 15, 16). Pitfalls are all about us. To walk without looking about us is most foolish, because the evil one is on the alert, doing his best to cause us to stumble.

5. By a sober life (v. 18).

6. By being filled with the Holy Spirit (v. 18). Those who would overcome evil must abstain from intoxicating liquors and all the influences of the world which unduly excite. The Spirit-filled believer has the wisdom and power to overcome.

Regenerated Life. The best personal workers are those who have a zeal for others because of their own changed lives. There may be argument against some forms of reasoning and against various cults and "isms," but there can be no argument against a regenerated life—"Something Doing."

Costly Bachelor's Hall.

Finley Peter Dunne said the other day:

"It's folly to say that two can live as cheap as one—two can live far, far cheaper than one.

"Are you sending your wife to the shore this August? I asked a married man.

"No," he answered. "I can't afford it. It costs too much."

"But," I said, "your wife's tastes are simple. Surely she can sojourn at the shore without spending any great amount?"

"I know that, all right," said he; "but last August, while she was at the shore, I spent over two hundred a week."

The Malaria Mosquito

A mosquito cannot communicate malaria unless it is infected with malaria. The bite of a malaria mosquito will transmit malarial parasites to the blood of a person and these malarial parasites which feed on the blood should be destroyed before they have time to increase in numbers. Malarial Fever is sometimes called Chills and Fever, Bilious Fever and Swamp Fever.

Grove's

Tasteless chill Tonic

possesses the power to entirely neutralize the malarial poison. The Quinine in GROVE'S TASTELESS chill TONIC kills the germ and the Iron enriches the blood.

You can soon feel the Strengthening, Invigorating effect of GROVE'S TASTELESS chill TONIC. It is an exceptionally good general strengthening tonic for the Child, for the Mother and all the Family. Pleasant to take. Price 60c.

Perfectly Harmless. Contains No Nux-Vomica or other Poisonous Drugs.

Grove's chill Tonic Tablets

You can now get Grove's Tasteless chill Tonic in Tablet form as well as in Syrup, the kind you have always bought. The Tablets are intended for those who prefer to swallow a tablet rather than a syrup, and as a convenience for those who travel. The tablets are called "GROVE'S chill TONIC TABLETS" and contain exactly the same medicinal properties and produce exactly the same results as Grove's Tasteless chill Tonic which is put up in bottles. The price of either is 60c.

Necessity.

E. Berry Wall, accompanied by his sorrel chow, was walking on the Biarritz promenade when a young lady in one of the new 1918 blouses passed. The blouse was cut very, very low in the neck, the short sleeves did not reach the elbow, and the material employed was of the finest, sheerest gauze.

"There goes the young countess de la Tour," said Mr. Wall's companion.

"What airs she puts on!"

"Well," said Mr. Wall, "with a blouse like that it's necessary to put on something, isn't it?"

Measure Socks With a Ruler.

A ruler and not a tape measure should be used in determining the length of socks knitted to Red Cross requirements.

Feet must be from 11 to 11½ inches long. Socks should not be larger than standard in one place and smaller than standard in another. However, socks that are well proportioned are accepted, if they are slightly over or slightly under standard.

Not Good, Eh?

Skimpkins—"What's the chance of borrowing five dollars, old man?" Skimpkins—"The same as my chances would be of getting it back. Good day."

Proof of It.

"How's his credit?" "It must be good. I understand he owes everybody money."

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says:

"I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation.

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 6th St., N. E., Canton, Ohio.
