## SAFE, GENTLE REMEDY CLEANSES YOUR KIDNEYS

For centuries GOLD MEDAL Haarlem Oil has been a standard household remedy for kidney, liver, bladder and stomach trouble, and all diseases connected with the urinary organs. The kidneys and bladder are the most important organs of the body. They are the filters, the purifiers of your blood. If the poisons which enter your system through the blood and stomach are not entirely thrown out by the kidneys and bladder, you are doomed. Weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, headache, pain in loins and lower abdomen, gail stones, gravel, difficulty when urinating, cloudy and bloody urine, rheumatism, sciatica and lumbago, all warn you to look after your kidneys and bladder. All these indicate some weakness of the kidneys or other organs or that the enemy microbes which are always present in your system have attacked your weak spots. GOLD MEDAL Haarlem Oil Capsules are what you need. They are not a "patent medicine," nor a "new discovery." For 200 years they

have been a standard household remedy. They are the pure, original imported Haarlem Oil your great-grandmother used, and are perfectly harmless. The healing, soothing oil soaks into the cells and lining of the kidneys and through the bladder, driving out the poisonous germs. New life, fresh strength and health will come as you continue the treatment. When completely restored to your usual vigor, continue taking a capsule or two each day; they will keep you in condition and prevent a return of the disease. Do not delay a minute. Delays are especially dangerous in kidney and bladder trouble. All druggists sell GOLD MEDAL Haarlem Oil Capsules. They will refund the money if not as represented. GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories in Holland. They are prepared in correct quantity and convenient form, easy to take and are positively guaranteed to give prompt relief. In three sizes, sealed packages. Ask for the original imported GOLD MEDAL. Accept no substitutes.—Adv.

## SUNDAY SCHOOL LESSON

(By Rev. F. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)  
(Copyright, 1918, by Western Newspaper Union.)

### LESSON FOR SEPTEMBER 15

#### MAKING CHRIST KNOWN TO THE WORLD.

(May be used with missionary application.)  
LESSON TEXTS—Matthew 5:13-16; 28:18-20; Acts 16:9-15.  
GOLDEN TEXT—Go ye into all the world, and preach the gospel to every creature.—Mark 16:15.  
DEVOTIONAL READING—Philippians 2:15.  
ADDITIONAL MATERIAL FOR TEACHERS—Numbers 16:29; Psalms 96:3; Isaiah 6:8; Luke 22:32; Romans 1:14; Philippians 2:14-16; James 5:19-20.

#### I. The Disciple's Relation to the World (Matt. 5:13-16).

Christ saves with a definite purpose. The character of the subjects of the Kingdom is set forth in the Beatitudes. He gives a character which will wield an influence. The whole mass of mankind is shown in the Scriptures to be corrupt, and the whole world in darkness. The disciples are to live such lives as will purify and enlighten. Their responsibilities are set forth under the figures of salt, light, and a city.

#### 1. "Ye are the salt of the earth" (v. 13).

Salt is that which is opposed to corruption. It prevents the progress of corruption. The properties of salt are (1) Penetrating; (2) Purifying; (3) Preserving.

Being salt, the disciples of Christ should penetrate, purify, and preserve society. Seeing on every hand the festering corruption of humanity, our responsibility is clearly set before us. The Christian should not go into seclusion. He should remain in the world, but not be a part of it. Let us be sure that as salt we do not lose our saltiness. Christians cannot do good after they cease being good.

#### 2. "Ye are the light of the world" (v. 14).

Light illuminates and warns. Its gift is guidance. This world is cold and dark. Many are the pitfalls and snares set by the devil. Christians should so live, let their light so shine, as to prevent the unwary ones from falling into them. They should guide the lost ones of earth so that they may find the path that leads back home to the Heavenly Father's house.

3. The city set on a hill (v. 14).  
By a city is suggested a governmental and social order. Christian character and service should be so as to give the influence of the hill-topped city. Christianity was not intended to be hidden, but to be made so conspicuous as not to be hidden, the grand objective being to glorify God the Heavenly Father (v. 16).

#### II. The Disciples' Commission (Matt. 28:18-20).

1. What it is (v. 18). It is to teach, to make disciples. Christ's death on the cross and triumphant resurrection provided salvation for the world. "God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life" (John 3:16). This great fact must be proclaimed to the world. The great commission is backed by the urgency of human need and divine love and compassion for this need. The disciples are to administer baptism in the name of the Trinity to those who believe, and teach them to observe all things which Christ commanded.

2. Its scope—all nations (v. 19). It is as wide as the world, and this obligation lasts until all the world is evangelized.

3. Its sustaining power—"all power is given" (v. 18). The divine energy is back of all those who go. Since he is with those who go the enterprise cannot fail. Opposition of the devil, sickness and death cannot thwart, because it is backed by divine energy.

4. The superintending providence—"I am with you" (v. 20).

Though the disciples may be scattered far and wide, the divine Christ is always present to comfort, guide and sustain. This presence is guaranteed to the end of the age.

#### III. Paul called to Macedonia to Preach (Acts 16:9-15).

1. Circumstances of (vv. 6-8). While pushing on the work of evangelization on his second missionary journey, the Spirit forbade Paul to preach further in Asia. Doors being thus closed, there was nothing to do but to go down to Troas. The guidance of the Spirit is as much by closing doors as opening them.

2. How called (vv. 9-13).  
It was by vision of a man from Macedonia saying: "Come over and help us."

3. What called to do (v. 16).

4. First-fruits of Paul's ministry in Europe (vv. 14, 15).

#### No Place for Grain Crop.

No grain crops should be grown in the orchard. It doesn't pay. Cultivated crops may do while the trees are young and their roots do not need all the space; but that time is soon over, and then the trees should reign supreme.

#### Grapes Easy to Grow.

Grapes can be grown anywhere, over arbors, along fences, over windows, or in vineyards on hillside that are fit for nothing else, and these can be matched to advantage, also.

## LEMON JUICE TAKES OFF TAN

Girls! Make bleaching lotion if skin is sunburned, tanned or freckled

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sunburn and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.—Adv.

#### Just as Good as Any.

While Reginald Wright Kauffman the writer and war correspondent, was in town last week, he spent much of his time in the lobby of the Hotel Severin talking with the guests.

Because he has spent much time on the western battle front the war was the usual topic. When one member of an interested group asked Mr. Kauffman when the war would end, he replied:

"I shall not answer you like I heard General Foch answer an American newspaper reporter one morning. This was an ambitious young chap who had not been in Paris long. One morning he popped this question at the general:

"General Foch, in your opinion, when is this war going to close?"

"I really can't say," the general replied. "I haven't asked my chauffeur this morning."—Indianapolis News.

## SHE GOT WHAT SHE WANTED

Young Irish Girl Resourceful When Unaccustomed Word Had Temporarily Slipped Her Memory.

In his amusing book, "Old Irish Life," Mr. L. M. Caldwell tells a story of a young peasant woman—Sally Sweeney—who used to walk into Galway twice a week to do shopping for her family.

She could neither read nor write, yet she never made a mistake with any of the messages that were entrusted to her.

Once, however, her memory did fail her. One of the ladies of the family had commissioned her to bring back a yard of satin, and the unaccustomed word had slipped out of Sally's recollection.

She did not allow herself to be beaten, however, and made an effort to recall the word; so she went into the principal shop in Galway still thinking hard.

"What is it that ye call the divil?" she asked, "with it's not divil that ye say to him?"

"Is it Satan you would be meaning?" asked the astonished draper. "The very wan," said Sally, delightedly; "an' ye'll give me a yard."

#### In Quest of Beauty.

Professional beauticians often have novel methods of improving and preserving their good looks. One beautiful actress, for instance, whose neck and shoulders were painfully scraggy, secured the desired roundness by rubbing the offending parts with cod-liver oil. Fifteen minutes daily the lady was pounded with oil-streeped fingers, the skin absorbing the grease under the persistent massage. After which some peculiar exercise, calculated to bring the muscles of throat and chest into play, were regularly sustained. A famous doctor observed that cod-liver oil feeds the flesh when externally applied, and recommends his meager patients to test this formula. Many ladies learn stage dancing because the rapid movements of feet and body lighten the complexion. It is said that half an hour's daily practice—once the steps have been acquired—will, in six months' time effect a change in the carriage improve wonderfully.

#### It's Up to the Farmerettes.

If that old game played with the red ears of corn at husking time has died out perhaps the farmerettes will see that it is revived.—Newark News.

Some men are as ignorant of their opportunities as an Austrian soldier of what he is fighting for.

## Keep Yourself Fit

You can't afford to be laid up with sore, aching kidneys in these days of high prices. Some occupations bring kidney troubles; almost any work makes weak kidneys worse. If you feel tired all the time, and suffer with lame back, sharp pains, dizzy spells, headaches and disordered kidney action, use Doan's Kidney Pills. It may save an attack of rheumatism, dropsy, or Bright's disease. Doan's have helped thousands back to health.

#### A North Carolina Case

L. G. Joyce, 233 Lindsay St., Reidsville, N. C., says: "My back was in such bad shape that I could hardly get around and I was in misery no matter what way I moved. My kidneys were weak and the secretions passed far too often. I had terrible headaches and in fact was all run down. I finally got some Doan's Kidney Pills and after a short time, the misery in my back left me and my kidneys were strengthened. Continued use of Doan's entirely cured me."

## Honest Advertising.

THIS is a topic we all hear now-a-days because so many people are inclined to exaggerate. Yet has any physician told you that we claimed unreasonable remedial properties for Fletcher's Castoria? Just ask them. We won't answer it ourselves, we know what the answer will be.

That it has all the virtues to-day that was claimed for it in its early days is to be found in its increased use, the recommendation by prominent physicians, and our assurance that its standard will be maintained.

Imitations are to be found in some stores and only because of the Castoria that Mr. Fletcher created. But it is not the genuine Castoria that Mr. Fletcher Honestly advertised, Honestly placed before the public and from which he Honestly expects to receive his reward.

Mrs. John W. Derrick, of Lexington, S. C., says: "My children cry for Castoria, I could not do without it."

Mr. and Mrs. J. A. Gaines, of Ripley, Tenn., say: "We enclose our baby's picture hoping it will induce some poor tired mothers to give your Castoria a trial. We have used it since baby was two weeks old."

Mrs. J. G. Parman, of Nashville, Tenn., says: "The perfect health of my baby is due to your Castoria—the first and only medicine he has taken. He is never satisfied with one dose, he always cries for more."

Mr. and Mrs. A. L. Johnson, of Stevens Point, Wis., say: "When our baby was two weeks old he cried so much we did everything for him, then got some Castoria and he is now strong and fat. We would not be without it, and are very thankful to you."
