

Nearly \$6,000 Worth Bonds and Stamps Sold Last Week-End

Theatre Gets Off To Good Start in Campaign Last Saturday and Monday

The Plymouth Theatre got off to a splendid start last Saturday and Monday in its campaign to sell War Savings Bonds and Stamps. Several local organizations, including the merchants association, the junior woman's club, the high school band, Boy Scouts and others, cooperated with the theatre in getting the drive off to a good start.

Last Saturday, when the campaign officially opened, \$1,575 worth of bonds and \$265 worth of stamps were sold, while the auction at the theatre Monday night saw \$4,050 worth of bonds disposed of, in addition to about \$9 worth of stamps sold at the box office window.

Members of the junior woman's club, and several individual young women of the town, manned the four booths at the corner of Washington and Water Streets Saturday and sold \$265 worth of stamps and bonds. Each buyer was given a ticket good for one chance on the \$40 worth of bonds and stamps given away at 4 p. m. The local high school band played several selections before the drawing, and a large crowd was on hand for this feature.

With Roy Manning as auctioneer, the bidding at the theatre Monday night was very spirited for some of the premiums donated by local merchants and business men. A Kings-down mattress, given by the Norman Furniture Company, finally went to Lloyd Gilbert for buying a \$1,000 bond, the highest bid of the evening. There were more than a score of premiums put up, one at a time, by the auctioneer, and the person who bid to buy the largest amount of bonds received that premium. The program was declared to be one of the best of its nature ever held here.

Large Crowd Sees 26 Men Leave for Army Wednesday

Several Married Men Were In Group; Few Changes Since Last Week

A large crowd gathered at the bus station here yesterday to see 26 young Washington County men leave for Fort Bragg, where they were to be inducted into the army. There were no special ceremonies in connection with the departure of the group, but a number of friends and relatives were on hand to bid them good luck. A special bus carried them to Williamston, where they joined contingents from a number of other counties in this section on the trip to Fort Bragg.

There were a number of young married men in the quiet, orderly group which left yesterday. W. Blount Rodman, solicitor of the county recorder's court, who received leave of absence for the duration from the county commissioners Monday was in charge of the party. He has been accepted as a volunteer officer candidate and was ordered to report with the June 3 list of selectees.

There were a few changes made in the list since it was published last week. Thomas G. Gardner was deferred on account of his occupational status, and Thomas Adolph Stubbs was accepted as an officer candidate by the Navy. Blount Rodman and Elbert Dickenson took their places in the group leaving yesterday. Dickenson was inducted from here by transfer from his local board at Summersville, W. Va.

Following is the list of those leaving: From Plymouth: Morrison Lako Brockhart, Justin Woolard, Robert Thurlough Spruill, Paul Wentz Swain, George Carlton James, Ervin Fleet Stillman, James Hardin Britt, Lloyd Edward Gilbert, Lafate Roebuck, Jr., W. Blount Rodman, and Elbert Dickenson.

Services Sunday At Saints Delight

Rev. PRESTON CAYTON, Pastor Church service at Saints Delight Christian church Sunday and each first Sunday in the month. Bible school at 11 a. m., war time. W. A. Swain, superintendent.

Church service at 12 by Preston E. Cayton, pastor. Subject: "Awake Thou That Sleepest. Arise from the Dead, and Christ Shall Give Thee Light."—Eph. 5:14. It seems that we have been asleep a long time and that it is high time to awake from our sleep. The night is far spent; the hour is coming, said Christ. But while men slept, his enemy came and sowed tares among the wheat and went his way. While we sleep today in Christ Jesus, the enemy comes and sows the tares. While Jesus was in the garden praying, He left Peter, James and John to watch. And while they were watching they went to sleep on Jesus. There are many today who are asleep on Jesus. They have left Him in the garden. Awake thou that sleepest.

Some writer said that the American people were very hard to awake, but after they are awakened, they are like yellowjackets. We were asleep when the Japs came on December 7th. We all need to awake to the fact that all we have is at stake; we are at the crossroads of life. Our liberty, the American way of life, the right to worship God. Awake, thou that sleepest and Christ will give thee light.

Church service at 8:30 Sunday evening. Subject: "Too Busy To Accomplish Anything." You are invited to attend all these services at Saints Delight. Come and bring the family. "I was glad when they said, Let us go up to the House of God." We welcome you to Saints Delight Christian church.

Jury List Drawn Monday for July Term Mixed Court

To Convene Monday, July 13, With Judge Clawson Williams Presiding

Below is the jury list drawn by the board of county commissioners here Monday for service at the July term of superior court, scheduled to convene here Monday, July 13, with Judge Clawson Williams, of Sanford, presiding.

This will be a one week mixed term of court for the trial of both criminal and civil cases. At the present time, there are few criminal actions set for trial, and it is doubtful if the term of court will last more than a day or so. As a rule, the July term is very short, only the jail cases being called for trial, and present prospects are that there will be fewer than usual of them, unless a lot of crime develops between now and time for holding the court.

Following is the list of jurors, by townships:

Plymouth: W. E. Weede, C. L. Gurkin, Stark L. Bowen, H. H. Allen, W. B. Cox, P. D. Allen, T. W. Earle, L. E. Bowen, L. T. Harrison, J. F. Allen, J. E. Hardison, H. J. Woolard, Otis L. Allen, Abe Adler. Lees Mill: E. W. Chesson, W. S. Kennedy, W. G. Jones, R. B. Alexander, W. R. Chesson, N. S. Harrington, C. B. Barnes, T. W. Davis, B. M. Lewis, W. Bruce Davenport, J.

An Expression Of Appreciation

I am very grateful to the good people of Washington County for the support they gave me in the Democratic primary of May 30th as a candidate for the House of Representatives. I also want to thank the Board of Elections and Poll Holders for the manner in which their duties were carried out. I also congratulate Mr. Edward L. Owens on having the highest number of votes, and I appreciate and respect the high-class manner in which Mr. Owens and Mr. Freeman carried on their campaigns.

In my campaign, I advocated that the high man in the May 30th primary be considered the winner, as I did not want to put the expense of another primary on the people of Washington County—and this I will stand by. However, if there are some other candidates who call for a runoff primary, then I feel that the people who supported me last Saturday should not be let down, and that I should run, since the run-off will be called by other candidates for other county offices.

Again expressing my sincere thanks to all my supporters, I am, Respectfully yours, BEN A. SUMNER.
