**To Our Friends And Customers**

There seems to be some misunderstanding among many of our customers who think that they can no longer buy FURNITURE on the INSTALLMENT PLAN.

This is to inform you that we still sell on terms, perhaps not quite as liberal as we once did, but as liberal as we can under the new Regulation "W."

For instance, on a \$95.00 suit of furniture, the down payment may be as low as \$19.00, and the remainder payable at the rate of as low as \$1.50 per week.

For the benefit of the farmers and others who have seasonal incomes, we are prepared to sell them on a seasonal basis and assist them with as reasonable terms as the regulations permit.

If you are considering the purchase of furniture and need terms, we will be glad to explain them to you.
