**LABOR ADVOCATE PRAISES SPEECH OF C. B. DEAVER**

The Asheville Labor Advocate, a new publication in the interest of organized labor, which is published by J. F. Barrett, is loud in words of praise for Brevard as a result of the recent visit here by the editor when the local carpenters union gave a banquet to the members of the union and their friends.

The Advocate says three big industrial concerns will soon start enterprises in Brevard, but does not name them. It says that the banquet "was the scene of one of the most enthusiastic labor gatherings ever held in this section."

The principal address of the evening was delivered by Charles B. Deaver and the Advocate says it was a "masterful plea."

The new publication is filled with labor news, mostly of Asheville, concerning Mr. Deaver's speech it says:

"Charles B. Deaver, of Brevard, former representative in the legislature from Transylvania, does not carry a working card in any branch of organized labor. But he is a strong believer in the principles of unionism, and has made a close study of these principles, as was evidenced by his wonderfully clear speech made on that subject at the recent banquet given by the carpenters' union at Brevard. Mr. Deaver is one of the leading lawyers of that county, and that accounts for the fact that he is not a member of organized labor. His opening statement that all wealth is created by labor was followed by arguments which showed that Mr. Deaver has given much study to the relation of labor to capital, and he was insistent in his contention that labor should have its full share of the wealth which it creates, and the only way in which labor could hope to receive anything like a fair share of that wealth was through the organization of the laborers.

"Mr. Deaver's speech was thoroughly enjoyed by those hearing him and it was especially gratifying to the members of the carpenters' union in Transylvania county, for the stand which Mr. Deaver took left no doubt as to his friendship for the members of that organization."

**BOYLSTON ITEMS.**

Rev. W. E. Barker of Brevard preached at Boylston Sunday a mighty fine sermon on Christ; the backward look, upward look inward look and the forward look to Christ. He preached a very impressive sermon. A large congregation heard him. Here's hoping he will give us another sermon in the near future. Several Blantyre people were here to hear Mr. Barker preach.

The majority of Boylston people have been on the sick list with grippe and colds for the past two weeks, but all are improving.

Dr Bill Lyday was over on our side Sunday visiting the sick.

A proposed telephone line is being talked down our way. We think it is mostly talk as we haven't seen any telephone wires or received any messages yet. Here's hoping for a connecting line with Hendersonville and Brevard.

Vanes Smathers has been buying several calves lately and has sold a fine yoke of oxen to Drexel Brown of Etowah.

Wiley Taylor is making some fine improvements on Mrs. Addie Orr's farm down our way. Nothing better that we all like to see than improvements on farms.

D. L. Brainard of Pisgah Forest will preach at Boylston Sunday morning.

**UGH! CALOMEL MAKES YOU DEATHLY SICK**

Stop Using Dangerous Drug Before It Salivates You! It's Horrible!

You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a 50 cent bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless, so give it to your children any time. It can't salivate, so let them eat anything afterwards.—Advertisement.

**Important Notice To Taxpayers!**

To the Taxpayers of Transylvania County:

Owing to the fact that I have but a short time in which to collect the taxes now due, I take this opportunity of notifying those taxpayers who have not yet paid their taxes that same must be settled immediately.

Heretofore, during my terms of office as Sheriff of Transylvania County, I have been able to give extra time for the settlement of taxes, but this year, no longer being Sheriff, I cannot grant this extension.

I will have to give up my office in the Court House on May 1st, and I am, therefore, going to garnishee and levy for all taxes due, unless parties make satisfactory arrangements with me at once.

I would appreciate immediate settlement so as to know the extent to which I shall have to garnishee and levy, which work I shall begin with at a very early date.

All those owing taxes will save costs and trouble by settling promptly.

Respectfully,  
**J. H. PICKELSIMER,**  
Tax Collector.
