**Get It Nearer Home.**

It was a long ways to Etowah;  
It was a long ways to go;  
It was too far for liquor soakers  
To journey for hellish di-do.

We will wait for the revised  
price list before ordering our quart.

Since Representative George  
Wilson and his dictators made a  
whiskey shop of the depot there  
has been great activity in local ex-  
press circles.

Study the annual report of the  
Brevard Building and Loan asso-  
ciation this week and see if it  
wouldn't be the act of wisdom on  
your part to take a few shares in  
the greatest home-building institu-  
tion in the county. It's a worthy  
organization, both for individual  
and community.

The notice from Mayor Cook is  
clear-cut and business-like. It is  
a follow-up of the auditor's report  
given last week. People have com-  
plained because their names were  
in the list of unpaid taxpayers.  
Some claim to have receipts and  
it is business-like for the town au-  
thorities to have an open meeting  
for adjusting these accounts,  
which should be closed. If people  
hold their receipts it is their duty  
to the town to present them at this  
meeting and thereby close these  
matters, otherwise the town should  
go after the unpaid with the  
strong, long arm of the law until  
it gets satisfaction.

About the severest roast and  
condemnation we ever heard from  
a pulpit was that given by Rev.  
Raymond Browning at the Metho-  
dist church last week to Repre-  
sentative George Wilson for re-  
pealing the prohibition law in this  
county. He said that the Chris-  
tian people needed to get up a little  
more courage and resent any  
such contemptible misrepresentation.  
The evangelist added several  
severe descriptive frills as many  
"amens" echoed back from the  
large congregation. But the great  
trouble is that many of those who  
pose as Christians apparently  
carry more hellish liquor than genu-  
ine Christianity under their shirts.

The Canton Observer advocates  
more court economy through the  
means of a county attorney. The  
Waynesville Mountaineer com-  
plains that three murder cases at  
one term of court is a bad record  
and the Observer says that the two  
weeks' term of court cost Hay-  
wood county \$4,000. It contends  
that the solicitor lives in another  
county and knows nothing of the  
cases until court convenes, neces-  
sitating the presence of many wit-  
nesses, some of whom don't have  
any information of value. The  
Observer says a county attorney  
should sift the information before-  
hand and co-operate with the so-  
licitor in prosecution and thereby  
save witness fees. The proposi-  
tion sounds good on the face of it  
and would probably result in  
economy in such a big county as  
that of our neighbor across the  
ridge.

In handing out his brickbats  
and bouquets Sunday morning at  
the Methodist church Evangelist  
Browning is understood to have  
thrown quite a fragrant bunch of

flowers at the News because of its  
liberal spirit in boosting the meet-  
ing and devoting about the whole  
front page last week to the cause.  
Pastor Poovey added words of ap-  
proval on Sunday night. Endorse-  
ments from such high sources as  
this give assurances that our  
efforts for upholding the good have  
not been in vain. Newspapers  
have an influence and that for  
good or bad. We have often  
thought it would be most mortify-  
ing for the News to have to apolo-  
gize for a narrow, shortsighted,  
niggardly attitude toward the  
hurch forces or receive deserved  
criticism for such and we trust  
that such lot will never be ours  
during our efforts at newspaper  
making. For Mr. Browning to  
find the attitude of the News un-  
usual in this respect gives us no  
cause for regret.

**Legislative Philosophy.**

Dr. Clark of the Statesville  
Landmark went down to Raleigh,  
looked on for a few days, went  
back home and philosophized  
thusly:

"The trouble about the whole  
matter is that we do not always  
send our biggest and broadest men  
to represent us in legislative bodies,  
and the reason the legislator is not  
always as big and as broad as he  
should be is because his people are  
not big enough and broad enough  
to send a different type to repre-  
sent them. And so it comes back  
to the folks after all."

Now, all who believe that stand  
on your heads.

Thank you. Reverse gently!

**NEWS HAS COPY OF THE  
PIONEER 29 YEARS OLD**

J. J. Miner, founder and for  
many years editor of the Sylvan  
Valley News, gives to the News an  
old copy of the Transylvania Pio-  
neer, Vol. 1, No. 9, published on  
Sept. 16, 1887, by E. S. Warrock.

The Pioneer contains many in-  
teresting items and a good run of  
advertising.

Railroad bonds were freely dis-  
cussed and the paper carries a call  
from the county commissioners for  
an election to decide whether or  
not the people wanted a \$50,000  
bond issue for help in building the  
Transylvania and Haywood rail-  
road.

Cathoys creek people were erect-  
ing a church building, the work  
being superintended by T. D. Eng-  
land. Rev. J. H. Duckworth was  
pastor.

An unusual item is that to the  
effect that a boy in the Toxaway  
section possessed a heart on the  
right instead of the left side of his  
body.

**REV. BARKER RESIGNS ENON  
PASTORATE; GOES TO MORGANTON**

Rev. W. E. Barker resigned his  
pastorate of the Enon Baptist  
church last Sunday and has accept-  
ed work as a stated supply for the  
First Baptist church at Morganton  
for the next few months.

Mr. Barker supplied the Morgant-  
on church on February 11 and the  
members were so well impressed  
with him and his sermon that he  
has been requested to supply in the  
absence of a pastor for the next  
few months. He accepted and will  
make his home in Morganton until  
the church calls a pastor, which  
position Mr. Barker's physical  
strength will not permit him to  
consider.

The Enon people accepted Mr.  
Barker's resignation with regret  
last Sunday after a service of about  
sixteen months.

**QUEBEC QUIRKS**

J. M. McKinney moved from  
Quebec to Lake Toxaway last week.

M. H. Holliday, the section fore-  
man on the railroad here, moved to  
Penrose last week, and J. R.  
Lindsay came from Penrose to take  
his place.

Walter Reece, who has been  
teaching the school at Boilston,  
came home on Wednesday, the 14th,  
with a good case of measles.

The Quebec school closed last  
Friday because of the prevalence  
of measles in the community.

Mrs. T. C. Henderson and Misses  
Lesa Miller, Ida Miller and Pauline  
Reece climbed to the summit of  
Rocky Mountain last Saturday.  
They had a pleasant trip, and al-  
most caught a wild turkey—they  
found one's feather.

Exwize.

**REV. J. N. LEE'S WORK**

Writing to the Biblical Re-  
corder, Rev. Geo. F. Wright of Hen-  
dersonville has the following to say  
with reference to the work of Rev.  
J. N. Lee, who was pastor at Ros-  
man until recently:

"The Carolina association is tak-  
ing a step forward in putting in the  
field of Brother and Sister J. N. Lee  
as Associational missionaries.  
Brother Lee came here about two  
years ago from Savannah, Ga.,  
where he founded and built the  
Fourth Baptist church, and has im-  
pressed us with his earnest zeal and  
surrendered life. Brother Lee and  
his wife are to spend their time in  
the field, he will do general mission  
work and she will have the women's  
work in charge, organiz-  
ing bands and societies wherever  
possible."

New or renewal subscriptions  
(beginning January 1) will cost  
\$1.00 for one year, 60 cents 6  
months, 35 cents 3 months, 25  
cents for 2 months.

**TRY IT! SUBSTITUTE  
FOR NASTY CALOMEL**

**Starts Your Liver Without Mak-  
ing You Sick and Can  
Not Salivate.**

Every druggist in town—your druggist  
and everybody's druggist has noticed a  
great falling-off in the sale of calomel.  
They all give the same reason. Dodson's  
Liver Tone is taking its place.

"Calomel is dangerous and people know  
it, while Dodson's Liver Tone is perfectly  
safe and gives better results," said a  
prominent local druggist. Dodson's Liver  
Tone is personally guaranteed by every  
druggist who sells it. A large bottle costs  
50 cents, and if it fails to give easy relief  
in every case of liver sluggishness and  
constipation, you have only to ask for  
your money back.

Dodson's Liver Tone is a pleasant-tast-  
ing, purely vegetable remedy, harmless to  
both children and adults. Take a spoon-  
ful at night and wake up feeling fine; no  
biliousness, sick headache, acid stomach  
or constipated bowels. It doesn't gripe or  
cause inconvenience all the next day like  
violent calomel. Take dose of calomel  
today and tomorrow you will feel weak,  
sick and nauseated. Don't lose a day's  
work! Take Dodson's Liver Tone instead  
and feel fine, full of vigor and ambition.

Your cow is a work animal. She is  
busy manufacturing milk and produc-  
ing calves.  
To give plenty of good, rich milk and  
bring strong, lusty calves, she must  
have plenty of good, digestible food,  
rich in the proteins from which milk  
and flesh are formed.  
Edgar-Morgan Company's Gem  
Dairy Feed meets this need. Every in-  
gredient—pure, clean cottonseed meal,  
dried brewer's grains, wheat bran,  
alfalfa meal, corn meal, molasses, etc.,  
has been carefully studied and propor-  
tioned into an ideal ration. It gets  
results.
