MISS IRENE MONTGOMERY PLANS ENTERTAINMENT

Miss Irene Montgomery has arranged for an entertainment on the night of March 9 at the Auditorium. It will consist of readings, violin and voice selections by three young ladies of Spartanburg.

Miss Montgomery has about 100 children in the primary grade, which is divided into two sections, morning and afternoon, and the entertainment is for the purpose of raising money with which to furnish supplies for this department of the school work and for the benefit of the public school library.

The program will be rendered by Miss Marie Epton, violinist; Miss Louise Epton, reader, and Miss Marie Dean, singer, all of Spartanburg and friends of Miss Montgomery. They will come supported by strong endorsements as to their talents in the parts they will take in the entertainment.

Miss Montgomery has been providing supplies for her department without calling on the school authorities for help and funds realized from the entertainment more than necessary for such supplies will be applied to the library, in which the school children are taking considerable interest.

MRS. ROLLINSON TOOK TANLAC AND GAINED 20 POUNDS

Asheville Lady Eats All Foods Now and Recommends Tanlac to Her Friends.

"I now eat every food, in fact, my appetite is too good; I have gained 20 pounds in weight, feel fine, but am going to continue on Tanlac to make sure I am perfectly well," said Mrs. Bessie Rollinson, of 119 South Grove street, Asheville.

"I had suffered from indigestion, stomach trouble, gastritis, loss of appetite, lack of sleep and weight for two years," she continued. "I was in such shape that I could not do my housework."

"I took Tanlac because I learned so much about it. The only objection I have to offer about it is that I am getting too stout."

"I always recommend Tanlac to my friends and will continue to do so because it has accomplished so much for me," she ended with a big smile.

Tanlac is sold in Brevard by the Duckworth Pharmacy; Hendersonville by Hunter's Pharmacy.—Advertisement.

AFTER TWO YEARS

Asheville Testimony Remains Unshaken.

Time is the best test of truth. Here is an Asheville story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. M. P. Lee, 30 Ashland Ave., Asheville, N. C., says: "I suffered from pains through my back and sides. My kidneys were irregular in action and I had nervous and dizzy spells. Doan's Kidney Pills made me feel better." (Statement given February 17, 1912.)

RESULTS THAT REMAIN.

OVER TWO YEARS LATER. Mrs. Lee said: "I have had no occasion to use Doan's Kidney Pills lately. I am still confident that they are a good kidney medicine."

Prices 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lee has twice publicly recommended. Foster-McBurrn Co., Props., Buffalo, N. Y.—Advertisement.

THE SOUTHERN RAILWAY COMPANY

An Ambition and a Record

THE needs of the South are identical with the needs of the Southern Railway. The growth and success of one means the upbuilding of the other.

The Southern Railway asks no favor—no special privilege not accorded to others.

The ambition of the Southern Railway Company is to see that only of interest that is based on cooperation between the public and the railroad to see that the public and the railroad in the management of the Southern Railway. It is the confidence of governmental agencies to realize that liberality of treatment which will enable it to obtain the additional capital needed for the acquisition of better and enlarged facilities incident to the demand for increased and better service; and, finally—

To take its place in the body politic of the South alongside of other great industries with no less, but with equal liberties, equal rights and equal opportunities.

"The Southern Serves the South."
