

# BREVARD Hardware Co.

Butter is the same as cash. If you want the top price all the year round get a Primrose Cream Separator and then churn the cream in a Sanitary Churn.

The steel churn is heavily tinned, cork-lined top. There is no place for microbes to hide. That is why it is better than the old wooden churn.

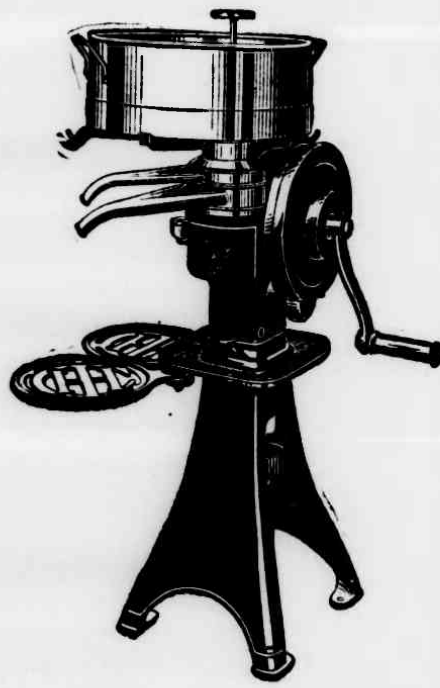

5-gallon size \$4.50  
7-gallon size \$6.00  
10-gallon size \$7.00

## Dazey Churn

Has not a single rod, bolt or bearing of any kind touching inside or outside of milk receptacle. Sanitary; receptacle being made of metal cannot absorb a particle of butter fat and become rancid. No cracks or bearings to harbor the milk. The receptacle being entirely free from frame and removable, the entire top being open, the receptacle weighing only a few pounds makes it more convenient to clean and handle. Produces the finest granular butter that can be made.

4-gallon size \$4.50  
6-gallon size \$5.00

## A Primrose Separator

will pay for itself in one year's time if you are milking five cows. It will make enough more butter. Send for a catalog.

Sole Leather 90c per lb.

## SAMUEL MERRELL DEAD FATHERED 16 CHILDREN

Samuel Merrell, aged 72 years, died at his home on Little River on last Friday after an illness of nine days with pneumonia.

Interment was made in the Orr cemetery on Saturday after funeral services at the Little River church, of which the deceased was a member, by Rev. E. Allison.

Mr. Merrell was twice married and was the father of sixteen children, nine of whom are living. His second wife died about thirteen years ago.

The surviving children are: Dan, Talve, C. G., Ewart, Bill, Jim, Ira, Elbert and Miss Allie.

Mr. Merrell is also survived by three brothers, Billy, Perry and Baxter Merrell of Little River, and a sister, Mrs. Amanda Clayton of Penrose.

Two gold fish, jar and package of fish food for 35 cents. Macfie-Brodie Drug Co. 2-16-2tc

## MRS. ENSLEY DEAD

Ora L. Jones of Brevard and A. B. Jones of Pisgah Forest received information Monday for the effect that their sister, Mrs. Hattie Ensley, near Appison, Tenn., died on Sunday night. A. B. Jones left on Monday afternoon to attend the burial of his sister.

## WILL OPERATE SAW MILL

G. W. Hayes of Selma has purchased a portable saw mill. He began operations this week. It is his purpose to move his family to Brevard owing to better school advantages.

Got the measles? Eat ice cream. If you haven't got it, eat ice cream anyhow. We keep it at all times. Macfie-Brodie Drug Co. 2-16-2tc

## Good Japanese Custom.

Polite Japanese never have the grip because they commit "iki wo hikki," that is drawing in their breath sharply, a salutary custom which one doctor has declared incomparable as means of grip prevention, the idea being that Japanese are careful as to where and on whom they breathe and so keep the percentage of germ distribution at a rather respectable low figure.

## NOTICE—LAND SALE BY TRUSTEE!

Whereas, on the 23rd day of October 1911, J. O. Waters and wife executed and delivered to Brevard Banking Company their promissory note for the sum of \$1,100.00, due and payable on Oct. 23rd, 1912; and at same time executed to the undersigned, trustee, a deed in trust on the lot of land hereinafter described to secure the payment of said note, said deed in trust registered in Book 7 at page 46 of mortgage records of Transylvania county, and said note not having been paid, and the holder of same having demanded that the notice of intended sale be given, and the undersigned having given the notice required in the deed in trust, and the default not having been made good; Therefore, I will, on Monday, March 5th, 1917 at 12 o'clock M., at the court house door in the town of Brevard, N. C., sell to the highest bidder for cash, the following described lot of land, situate in the town of Brevard, N. C. on the corner of Jordan and Gaston streets, bounded as follows:

Beginning on a stake at the intersection of north margin of Jordan street with the west margin of Gaston street, and runs with the west margin of Gaston street north 26 degrees east 159 feet to a stake; then north 64 degrees west, parallel with Jordan street 82 1/2 feet to a stake; then south 26 degrees west, parallel with Gaston street, 159 feet to a stake on the north margin of Jordan street; then with the north margin of Jordan street, south 64 degrees east 82 1/2 feet to the beginning, being the property once occupied by V. B. McGaha.

Sale made to satisfy said debt, interest, cost and expenses of sale.

WELCH GALLOWAY, Trustee.  
This Jan. 31, 1917. 2-25tc

## SUMMONS BY PUBLICATION

North Carolina, Transylvania County—In the Superior Court—April Term, 1917.

William Chappell vs. E. H. Jennings.

The defendant above named, E. H. Jennings, will take notice that an action entitled as above has been commenced against him in the Superior court of Transylvania county for the recovery of three thousand [\$3,000] dollars damages due the plaintiff by the said defendant occasioned by the wrongful and negligent breaking of defendant's lake dam at Toxaway, North Carolina; that a warrant of attachment has been issued in the said cause and served by the sheriff of Transylvania county by levying upon the property of the said defendant, as appears by his return thereon made; and the defendant will further take notice that he is required to appear at the term of the Superior court of said county which convenes in the town of Brevard, North Carolina, on the sixth Monday after the first Monday in March, 1917, it being the 16th day of April, 1917, at the court house in said county, and answer or demur to the complaint of the plaintiff in the action aforesaid, or the plaintiff will apply to the court for the relief demanded in his said complaint.

This the 25th day of November, 1916.  
N. A. MILLER, Clerk Superior Court.

## Spray Time is Here

What is the use of having apple trees if you do not get the apples? By using a spray you get more and much better apples than the man who does not spray.

Spraying properly done will pay big dividends. Our cog gear barrel spray pump is the easiest on the market. It has the new self-expanding hemp-packed brass plunger; it will handle hot or cold mixtures, acid, etc. The valve and valve seat is brass hence cannot rust. The cylinder and discharge pipes are all brass. The air chamber is 32 in. long, enabling the pump to throw a uniform, constant and elastic spray. Our spray outfit consists of a barrel, Myers cog-gear barrel spray pump, complete with one lead of 15 feet of 1-2 inch 5-ply hose, graduating Vermorel nozzle and both jet and mechanical agitator. Also a ten foot extension rod.

Write for a catalogue or come in and we will show you how it works. We have one ready to operate.

SOLE LEATHER 90c per lb.
