THE SOUTHERN RAILWAY COMPANY

An Ambition and a Record

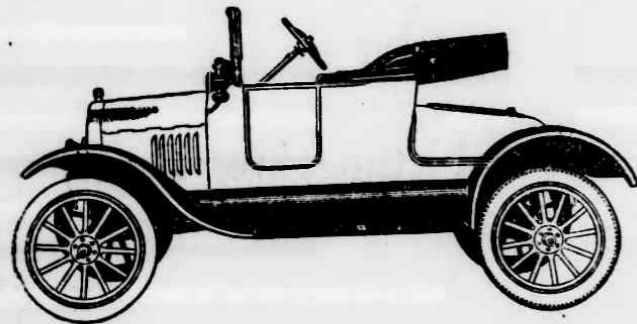

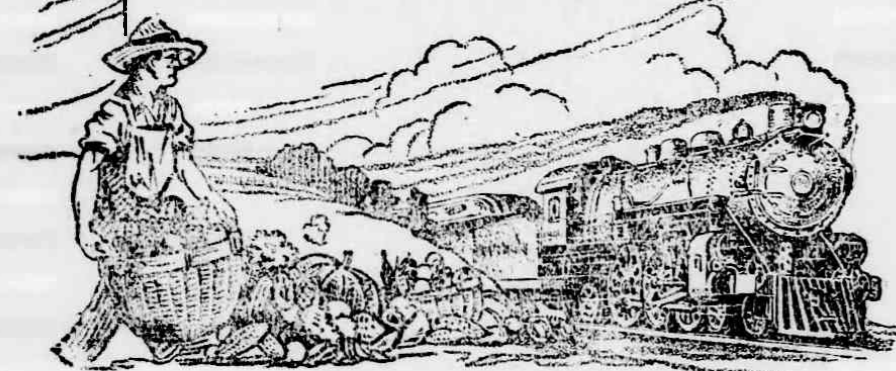

The needs of the South are identical with the needs of the Southern Railway the growth and success of one means the upbuilding of the other.

The Southern Railway aims to favor—no special privilege not accorded to others.

The ambition of the Southern Railway Company is to see that every dollar that is born of cooperation between the public and the railroad is expended in a fair and frank policy in the management of railroads which inspire the confidence of governmental agencies to realize the full benefits of treatment which will enable it to obtain the additional capital needed for the acquisition of better and enlarged facilities incident to the demand for increased and better services and, finally—

To take its niche in the body politic of the South alongside of other great industries, with no more, but with equal liberties, equal rights and equal opportunities.

SINFUL AMUSEMENTS AS SEEN BY REV. F. M. JORDAN

Says That Thousands Are Going To Hell Through Theatre and Ball Room; Also Takes Crack At Card Table.

Brother, Editor:

I wish to write an article or two for your most excellent paper.

While our country is developing most wonderfully, at the same time, sin is abounding to an alarming extent. My observation is that the preachers and editors are saying comparatively little about the great sins of the times. God says, "very aloud, spare not, lift up thy voice like a trumpet, tell my people their transgressions, and the house of Jacob their sins."

The crying sins of our country are: The theatre, the ballroom, the card table and houses of ill fame, fornication and adultery.

An amusement to be innocent, must not be injurious to health or morals. All these amusements are corrupting to both. They are all of the devil, and I challenge the world to prove to the contrary. The tendency of the whole thing is money and pleasure in sin, and leads to death and hell. The devil never invented a more corrupting amusement than dancing, and I never heard the like of dancing in all the world as is going on now all over our country. The dancing of both sexes together, cultivates lust, arouses the animal passions, leads to prostitution, and away from God and heaven. Thousands are now going to hell through the theatre and ballroom. I appeal to the Eternal God for the truth of this statement.

BACKACHE IS DISCOURAGING

But Not So Bad If You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys and calls for prompt treatment. The best recommended remedy is Doan's Kidney Pills. Profit by this nearby resident's experience:

Mrs. J. Brown, Garden street, Marion, N. C., says: "I had nervous and dizzy spells and backaches. My kidneys were also weak. I used Doan's Kidney Pills and they strengthened my kidneys and back and made me feel better in every way."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Brown had. Foster-Milburn Co., Props., Buffalo, N. Y.

Build Your House Out of Concrete Blocks

We are making them. They will last like the rock cliffs on the mountains.

Come in and get our prices and let us tell you about this excellent building material.

BREVARD LUMBER CO.

There Goes Our Bill!

HIS customers are never disappointed on rush orders. He makes delivery—not "promises." Whether it's one bag of plaster or one hundred, you can figure it will be there WHEN YOU WANT IT.

Bill figures there are just two factors in selling building materials—one is SERVICE. Equally important is FULL VALUE. "Quality" is the usual word, but Bill says "your money's worth" tells the story. And because he knows materials and is a square fellow he has won the confidence of the building trade.

Bill's big popular seller is U. S. G. IVORY Plaster. Load after load of this material goes on the best new buildings in town. It will meet your requirements exactly,—in fact; it is manufactured expressly for Brevard builders. Makes solid, durable, beautiful walls. You will be money ahead by using "IVORY"—ask any builder.
