

# Brevard's Big Demand For Houses

**ERECT ONE THE BUILDING AND LOAN WAY**

Brevard has very few houses for rent. Those now renting are bringing good prices.

The tannery and belt plant will create a big demand for houses ranging in price from \$1,000 to \$1,500. The big number of employes with families will need homes. They must have them.

Why wouldn't it be a wise thing for you to take a few shares of building and loan and erect a home either to live in or to supply the unusual demand to be made so soon?

The fact that the Brevard Building and Loan Association has helped about 100 of its members to build houses is conclusive proof that it is a fine thing, a great friend to the laboring man who makes small weekly savings. You pay only 25 cents a week on each share you subscribe for.

Somebody is going to hear the knock of opportunity and erect some houses. The privilege is yours. Why will you not accept it? The Building and Loan is ready to help you. Come in and let us explain its plan of business fully and we feel sure you will see it is the very thing you need.

Deaconess Drant of Cincinnati gave a very interesting talk to the St. Philips auxiliary and friends at the rectory on Tuesday morning of this week. It was enjoyed by all and left a deep impression, not only of the speaker herself, but of her work among the Hawaiians and of the Chinese both in Honolulu and San Francisco.
