

DAMP, CHANGING WEATHER

Brings Its Toll of Sickness To Brevard People.

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip and pneumonia. They congest the kidneys. They bring backache and disordered kidney action. For weak kidneys use a tested remedy.

Residents of this locality recommend Doan's Kidney Pills.

W. L. Mitchell, farmer, Rutherfordton, N. C., says: "Some time ago I suffered from backache and pains right across my hips. I believe the trouble was brought on by a cold which settled on my kidneys. The kidney secretions burned in passage. Doan's Kidney Pills helped me from the first and two boxes removed the trouble."

Beware of Ointments for Catarrh that Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is too great to be paid for by the temporary relief they give. It is taken internally and made in Toledo, Ohio, by E. J. Cheney & Co., Testimonials from Sold by Druggists. Price 25c per bottle. Take Hall's Family Pills for constipation.

Inexpensive Floors that Look as Well as Hardwood

When a floor is bare and polished, it is often referred to as a "hardwood" floor, when such is not the case. The reference has come to apply more to the style than to the wood itself. There are today other woods on the market which cost far less than hardwood, are just as beautiful, and wear practically as well. We can show you these stained in beautiful colors.

MILLER SUPPLY CO.

BREVARD, N. C.

Note—Among the woods mentioned above, one of the most conspicuous for its beauty, quality and reasonable price is North Carolina Pine—for floor and trim.

Moltz Lumber Company
Laying Mill Foundation

Trains Expected by November;
Summer Cottagers Arriving;
Ward Breedlove Sustains
Broken Rib; Other Toxaway
News.

LAKE TOXAWAY.—Rev. W. H. Nicholson of Oakland preached an interesting sermon at the Toxaway Baptist church last Sunday, his text being, "who is responsible for your sins."

There was a large number of young men of our section out last Tuesday to register. It is said that all of registration age, about 71, also some too young but it was explained that they were learning now so when Uncle Sam called they would not have to be shown. One lady was out also.

R. A. Collins is at home again. He has been at work at Fairfield Inn.

The Moltz Lumber company is getting on the move now. They are clearing off the mill site and laying the foundation for the mill, also building a dam. They have the boarding house almost complete.

Wate Reid, who is superintending the works for Mr. Jennings, has charge of the clearing off the right of way. They have not begun the grade work yet. It is said they expect to have the trains going by Nov. 1.

Mr. and Mrs. Spencer Welborne are moving from Rosman and are occupying one of the Jennings cottages.

John Fraser and family have moved from Rosman and are occupying one of the Jennings cottages.

One of the Southern's trains killed a fine cow belonging to R. A. Owen last Thursday.

The people who own cottages and homes around the lake, or where it used to be, are beginning to come for the summer. Mrs. Geo. Armstrong has been here for two weeks and others are expected any day.

Mrs. W. J. Owen went to Hendersonville last Thursday.

Dad London of Glenville is in our burg again and has a job with the Moltz Lumber Co.

Mrs. Kammie Shook returned to Brevard last week after a visit with her friends here.

People of Toxaway are getting very anxious to know when they are going to have another train as the train service we have is very inconvenient.

Ward Breedlove went to Penrose last Thursday to have Dr. W. M. Lyday give him treatment for a broken rib, which he received while at work on the Moltz railroad right of way on June 2.

The People were all glad to see the rain last week as we needed rain very bad.

We will close by thanking Mayor W. E. Breese for putting a ban on Jamale ginger. Thank you Willie. A TOXAWAYAN.

MR. WELBORN AT TOXAWAY

T. S. Welborn has moved from Rosman to Lake Toxaway and taken charge of the Mountain View Inn, which until recently was operated by the owner, J. F. Wilbanks.

Renew before expiration.

COMMISSIONERS FIX
TAX RATES FOR COUNTY

At the June meeting of county commissioners taxes were ordered to be levied and collected, as follows: State tax, 23 1/4 cents; pension tax, 4; public school fund 20; contingent fund, 12; pauper fund, 2; bridge fund, 5; railroad bond, 15; special tax, 10; chaingang, 15; road tax, 20; excess school, 15; special bridge, 10; emergency tax chaingang, road and bridges, 10.

The poll tax was fixed at \$2.00, to be distributed as follows: \$1.50 to school, \$.12 to pension, and \$.38 to pauper funds.

The following special school taxes were ordered to be levied and collected, according to the request of the board of education:

Brevard township 75 cents poll tax, 25 cents on \$100 value of property; Brevard district No. 1, 30, 10; Boyd No. 2, 30, 30; Boyd No. 3, 60, 20; Catheys Creek No. 1, 75, 25; No. 2, 90, 30; No. 3, 75, 25; Dunns Rock No. 1, 90, 30; East Fork No. 3, 90, 30; Gloucester township, 90, 30; Hogback township 75, 25; Hogback No. 1, 30, 10; Little River No. 1, 90, 30; Crab Creek, 75, 25.

J. J. MINER'S RECORD

J. J. Miner says that all this talk about not being able to break away from useless habits is kibosh. He is 77 years old and has recently stopped smoking and chewing after having cultivated the habit for 60 years. "Self control and will power is the whole secret of breaking a bad habit," said Mr. Miner, who found that his body would not properly discharge all its important functions for the gardener and fisherman under the poisonous influence of tobacco.

BIG RAINBOW TROUT

Pick Whitmore of Rosman recently caught at the forks of the river below Rosman a rainbow trout which weighed 4 1/2 pounds. According to those educated in fisherman's lore, a heavier catch of the rainbow variety has not been known in these waters.

MANY MERCHANTS TO ATTEND

Indications Point to Unusually Successful Meeting of State Association at Wilson.

Statesville.—Every indication points to a large attendance on the fifteenth annual convention of the North Carolina Merchants' Association, to be held in Wilson, June 19-21, according to R. L. Poston and J. Paul Leonard, of Statesville, president and secretary, respectively, of the state association. Messrs. Poston and Leonard are now working out the details of the convention program, which they consider a very fine one, and which is expected to make the convention one of the best in the history of the organization. The merchants make their annual meetings largely educational.

While all those invited to speak to the convention have not been heard from, a sufficient number addresses, lectures and business talks to make the occasion interesting and instructive are already assured. Governor T. W. Bickett will deliver an address along the lines of commercial patriotism as an opening feature of the convention. State Insurance Commissioner James R. Young will deliver a lecture entitled "Fire and Accident Prevention," which will be illustrated by lantern slides and a modern motion picture play.

Driving Ticks Out of State.

Elizabeth City.—A serious effort is being made to drive the cattle tick out of the six counties of North Carolina lying north of Albemarle sound. With a little co-operation on the part of the people in these counties, say rate notwithstanding. Since the middle of the work, the task will be accomplished within the present year.

The work is being done without any blare of trumpets, but it is going forward steadily and at an encouraging rate notwithstanding. Since the middle of April eight dipping vats have been constructed in the counties of Pasquotank and Perquimans alone and within a few weeks there will be a number in Camden also.

Dr. Arthur J. Kurlands and Dr. J. W. Buchanan went to Mr. H. C. Ferree's farm in Camden where a vat will probably be constructed, and from there they will go to South Mills to interest progressive farmers in the construction of a dipping vat there. They have been at Mr. W. G. Ferree's farm in Camden and arranged for the construction of a dipping vat in that neighborhood. Farmers interested there are W. G. Ferree, Anson E. Cohoon and Jesse W. Hams.

Opens Market News Bureau.

Elizabeth City.—The government market news bureau, established here a year ago to serve the potato growers of the state by furnishing them definite telegraphic information of the prices and of the movement of potatoes toward the various markets throughout the country was re-opened on May 31st in the offices of the county agricultural agent in the Kramer building and is now issuing the report daily at 2:30 every afternoon.

"It is the intention of this office," said Mr. Julian Smith of the Federal Department of Agriculture, to furnish this report to every potato grower in the state who wants it."

Two Sights Offer Advantages.

Washington.—A few days ago the North Carolina members of Congress sent a letter to Major General Wood asking that one of the cantonments be located in North Carolina. A reply was received by Mr. Small from Major C. L. Kelbourn. He stated among other things: "Inspections have been made of a great number of cantonment sites in North Carolina, two of which we offer advantages. These and other possible sites in the state will be inspected by officers."

Small Tornado Hits Wake.

Raleigh.—With the wind sustaining the rate of fifty-seven miles an hour for five minutes, the highest velocity recorded by the local weather bureau, a small tornado swept over Raleigh and Wake county, uprooting trees, smashing out houses in the county, snapping telephone poles and breaking out window glasses in the city. A new brick garage in process of construction was hurled to the ground here.

NORTH CAROLINA BRIEFS.

With the object of improving the quantity of milk supplied to residents of Goldsboro, John M. Mathews, city sanitary inspector, will demonstrate to milk producers a simple, home-made farm steam sterilizer for dairy utensils, designed by the dairy division of the U. S. Department of Agriculture.

Lawrence B. Ray, seaman, who was with the armed guard on the Silver-shell that destroyed a German submarine is a native of Burnsville, N. C.

A liberty league for Fayetteville and Cumberland county, having as its object the promotion of all movements pertaining to the war, was formed at a patriotic mass meeting held in the county courthouse at Fayetteville last week.

Lieut. Gov. O. Max Gardner was the commencement speaker last week at the exercises of the Scotland Neck High School.

The new automobile tags for 1917-1918 are being received by the secretary of state. The tags are white with numbers and monogram N. C. in bright blue letters and may easily be seen at a distance.

CALLED HER FAMILY
TO HER BEDSIDE

Six Years Ago, Thinking She Might Die, Says Texas Lady, But Now She Is a Well, Strong Woman and Praises Cardui For Her Recovery.

Royse City, Tex.—Mrs. Mary Kilman, of this place, says: "After the birth of my little girl...my side commenced to hurt me. I had to go back to bed. We called the doctor. He treated me...but I got no better. I got worse and worse until the misery was unbearable...I was in bed for three months and suffered such agony that I was just drawn up in a knot..."

I told my husband if he would get me a bottle of Cardui I would try it... I commenced taking it, however, that evening I called my family about me... for I knew I could not last many days unless I had a change for

the better. That was six years ago and I am still here and am a well, strong woman, and I owe my life to Cardui. I had only taken half the bottle when I began to feel better. The misery in my side got less... I continued right on taking the Cardui until I had taken three bottles and I did not need any more for I was well and never felt better in my life... I have never had any trouble from that day to this."

Do you suffer from headache, backache, pains in sides, or other discomforts, each month? Or do you feel weak, nervous and fagged-out? If so, give Cardui, the woman's tonic, a trial.
