SUCCESSFUL REVIVAL CLOSES AT ROSMAN

Many Converts; Rosman Boys Patriotic; Field Darkened With Corn; Good Road Work

The tent meeting conducted by Rev. J. F. Morgan closed Sunday night after three and one half weeks of hard preaching. Prof. O. M. Huggins of Henderson conducted the music. The meeting was a great success. Sunday afternoon at 2:30 there were 15 baptized into the fellowship of the Zion Baptist church and two in the Methodist. There were scores of backsliders restored. Bro. Morgan is a hard hitter when it comes to fighting sin, and especially whiskey, dancing, gambling, and Brown's mule. We believe Bro. Morgan is a live wire for God and we pray the blessings of God to follow him to his new field of labor. The heart of the Baptist Sunday school superintendent was made to rejoice last Sunday to see some new ones in attendance. There was one man there who has lived in Rosman for five or six years and had never been to Sunday school. He was converted during the Morgan-Huggins meeting and was baptized Sunday. He says he expects to be one of us hereafter.

Rev. J. C. Owen and daughter passed through our city last week enroute to Gloucester to visit relatives and friends.

Mrs. W. P. Hogsed has gone to South Carolina for a few days visit to her daughter, Mrs. Southerland.

Mr. and Mrs. H. W. Paxton are the happy parents of a 10 pound girl, born Friday night, of last week. The baby and mother are doing well.

Miss Ora Glazener of Spartanburg is visiting relatives and friends in Rosman.

About a dozen of our patriotic boys joined the national guard last week and went to Gastonia for

their first examination and return ed home to be called into camps about the 25th of this month.

We guess that crops in our burg are the finest they have ever been; one man was heard to remark on the streets Tuesday that he could not plough his corn any more, and on being asked why said the corn was so long and thick it was so dark in the field, he couldn't see to plough it. If any one can beat that for corn let's hear from you.

C. H. Glazener, the road overseer for Eastatoe township, has been doing some good work on our roads. Among other permanent improvements he has made a much needed amendment on the hill just above W. H. Summey's mill on the Blue ridge road.

Dr. Ferdinand King, New York Physician and Medical Author, Says:

EVERY WOMAN EVERY MOTHER EVERY DAUGHTER NEEDS IRON AT TIMES

To put strength into her nerves and color into her cheeks.

There can be no beautiful, healthy, rosy-cheeked woman without iron. The trouble in the past has been that when women needed iron they generally took ordinary medicine. This is the iron which often enervates the stomach and did far more harm than good. To-day doctors prescribe organic iron—Nuxated Iron. This particular form of iron is easily assimilated, does not blacken nor injure the teeth nor upset the stomach. It will increase the strength and endurance of weak, nervous, irritable, careworn, haggard looking women 100 per cent. In two weeks' time in many instances. I have used it in my own practice with most surprising results. — Ferdinand King, M.D.

NOTE: Nuxated Iron recommended above by Dr. Ferdinand King can be obtained from any good druggist with an absolute guarantee of success or money refunded. It is dispensed in this city in all good drug stores.

Mrs. J. R. Owen of Mars Hill was a visitor here this week, stopping over for a day with the family of W. H. Duckworth before joining Rev. J. R. Owen on a visit to relatives at Toxaway.

James Dodgens and Miss Lestie Miller, both of Hogback, were married here on Saturday morning by Rev. John R. Hay. The ceremony took place in the shade of a maple in front of the Presbyterian church.

The garden party to have been held with Mrs. R. H. Morrow on Thursday for the benefit of the Red Cross was postponed until Saturday between the hours of 5 and 7 o'clock on account of unfavorable weather.

In obedience to a call from the navy department, Ralph Clement, who volunteered and took the examinations several weeks ago, left Tuesday to report to headquarters at Raleigh. From Raleigh he will go to some post of assignment in the naval service.

Rowell Bossa celebrated his sixth birthday Monday afternoon by a party, at which about 20 of his little boy and girl friends were present. The occasion was a delightful one to the children, who enjoyed the out-of-doors games and the refreshments.

Jackson-Nicholson.

Milan Nicholson and Miss Ida Jackson were married on Sunday by Magistrate E. T. Henning, the ceremony taking place at Mr. Henning's residence.

The groom is a Brevard boy, who has grown up here, and has been at work steadily and industriously for several years. He is now in the employ of the Transylvania Tanning company.

The bride is originally from Buncombe, her people coming here to live during the past winter.

Miss Mallie English Marries

Rev. J. F. Matney and Miss Mallie English were married on July 3 at Musselshell, Montana.

The bride was well and favorably known in this county, which had been her home since childhood. For several years she was postmaster at Pisgah Forest, having resigned from this office only a few months ago. She is a sister of D. L. and Dr. E. S. English, and has many friends in this place. The news of her marriage was received by letter this week.

Rev. Mr. Matney is a minister of the Methodist Episcopal church and has been living in the far West some four or five years. He formerly labored in the western part of this state, and at one time was presiding elder in his denomination over the district which includes the Biston circuit.

Mr. and Mrs. Matney will make their home at Roundup, Montana.

LAKE TOXAWAY NEWS

Mrs. C. L. Morris returned Sunday after a few days' visit to friends in Brevard.

Mrs. R. A. Collins has been on the sick list for the past few days.

F. Y. Willbanks and W. H. Nicholson went to the Jackson county singing convention last week, returning Sunday evening. The convention was held at Pine creek, near Glenville.

Rev. Johnson of Rosman preached at the Methodist church Sunday at 11 o'clock and W. H. Nicholson preached Sunday night at 8 o'clock.

We wish to correct the error in last week's news concerning church ground working date. It was published for July 31; it should have been July 21.

Mrs. Emma Hooper of Oakland has been away attending the singing school which was held at Cashiers by Prof. Brock of Seneca, S. C. She also attended the convention at Pine Creek.

Bryan, the son of Mr. and Mrs. Posy B. Owen, has been very ill.

Mr. and Mrs. W. H. Nicholson spent Sunday night with Mr. and Mrs. J. A. Breedlove, returning to their home at Oakland on Monday.

Mrs. Lewis Tinsley and Mrs. Cope Lee went to Brevard Thursday.

Ralph R. Fisher of Brevard was a visitor in Toxaway Sunday.

The passenger train was sent through Sunday, arriving at 2 o'clock, bringing some of the cottage owners. Wish we had them to come every day, as our midday train is a thing of the past.

Two of our young people made a business trip to Brevard last Friday and came back married. They were Miss Lestie Miller and Jim Dodgen.

Mr. and Mrs. J. A. Breedlove visited Mr. and Mrs. Mansel Thomas of Reid's Siding Saturday and Sunday.

Mrs. Cash of Montvale is spending some time with her daughter, Mrs. Claude F. Reid.

Many timbermen can be heard in our section chopping, making ties for the new railroad, which is being built rapidly.

Gardening in Toxaway is on the down grade this week. L. C. Case is keeping a lantern burning all night to keep the rabbits from eating his cabbage. Sounds like sport for next winter.

Preaching at the Toxaway Baptist church next Sunday at 11 o'clock; Sunday school at 10.

Come across, Turkey Creek, and let us hear from you. We miss your news.

A TOXAWAYAN.

The self made man may not be a scholar, but he will have a mind trained to orderliness. Self disciplined, he can discipline his fellows. If he cannot write or keep accounts he can get some one to do it. His reports to headquarters will be as well done as his trench digging and scouting enterprises. Some day there'll be a hurry call for a lieutenant and none to spare. But the self trained leader can fill the role, and "promoted on the field" will be written opposite his name on the company records. It will all be due to the habit of doing well what he set his hand to.

Best Way to Look at Life. Make the most and best of your lot and compare yourself not with the few that are above you, but with the multitude which are below you.—Samuel Johnson.

IMPORTANCE OF WOMAN'S LEAGUE AND RED CROSS

Mrs. Jenkins Urges Ladies to Join One or Both Organizations and Help Noble Cause

Editor, News:

I am glad, as every one who loves humanity must be, to see the interest Brevard is showing in the Red Cross. I suppose one can not over estimate its importance.

But I trust, that in their zeal for the Red Cross, the women of Transylvania will not overlook another organization of which our county has a branch, which is also of very great importance. I refer to the National League for Woman's Service.

The Red Cross, and the League for Service do not in any way conflict. One may belong to both and serve the country in both societies. We hope that every woman who can possibly do so, will belong to both.

But there are many women of small means, and whose lives are so full and busy, they not can possibly give largely either of money or time to anything outside of their own homes. To such women, the League for service, offers a beautiful opportunity. There are no dues, and no red tape to the league. Neither does it require skill with the needle, nor executive ability to belong to it.

In joining the league, you simply give your country a chance to ask you to do something that you know yourself capable of doing. If you can not sew, but can raise chickens, let the government know it. You can do work in your own back yard. If you are a good cook, and can prepare food in your own kitchen for hungry children, tell the government so, and you may be useful in that way. You are absolutely assured that you will be called on for nothing except what you know you are able to do.

The special objects of the league in this county, as I understand it, are twofold. First, to keep before the women, in season and out, the importance—yes the vital necessity, of food economy and "haying by" for the winter. Second, to find employment for those women who wish it.

The importance of the food question, to my mind, outweighs everything else—even the Red Cross. We may consider it, in one sense, as the ounce of prevention, whereas the Red Cross is the pound of cure for suffering. If there is shortage of food, not only our soldiers and our allies must suffer, but our workers at home, and our women and children as well. The pangs

of hunger may be as acute as those of a wound.

Join the league and let it show you how you can help. The appeal is to every woman in the county. If you have both time and money, join both the Red Cross and the League for Service. If you have money and no time to leave home, give your money to the Red Cross and let your country tell you, through the league, how you may help at home. If you have neither money nor time to leave home, join the league and show your willingness to serve your country in such ways as your busy life will allow.

MARY C. JENKINS,
For Executive Committee National League for Woman's Service.

BREVARD INSTITUTE NOTES

Mrs. Bettie Ward and Miss Linda Ward of Asheville are guests of Prof. and Mrs. Peck at the Institute.

Miss Sallie Browning of Hendersonville is spending a short time at the Institute.

The summer school, which will close on Friday, has had a very successful session. A number of teachers from various counties have been in attendance and there has been a very good local patronage.

Just at present a good deal of interest is centered in the canning industry recently installed at the Institute. The persons in charge are kept constantly busy.

Rev. D. E. Camack, president of the Textile Institute of Spartanburg, and B. L. Jones were guests at the Institute this week. Mr. Jones is also connected with the Textile Institute.

DR. J. Y. MCKINNEY OPENS DENTAL OFFICE

After an absence from Brevard for 15 months, during which time I practiced dentistry in Raleigh, I have returned to resume my practice in Transylvania county. I have opened offices in the Pickelsimer building in the offices formerly occupied by Dr. T. J. Summey.
