

Suffered For Years Back and Kidneys Were in Bad Shape, But Doan's Removed all the Trouble.

"My kidneys were so weak that the least cold I caught would affect them and start my back aching until I could hardly endure the misery," says Mrs. D. C. Ross, 923 Fulton St., Brooklyn, N. Y. "In the morning when I first got up, my back was so lame, I could hardly bend over and any move sent darts of pain through my kidneys. It was hard for me to walk up stairs or sleep, and to move while lying down sent darts of pain through me."

"The kidney spots, rheums were scanty and distressing and the water remained in my system, making my feet and hands swell. There were dark circles under my eyes and I became so dizzy I could hardly see. I had rheumatic pains in my knees and it was all I could do to get around. For years I was in that shape and wore plasters and used all kinds of medicine to no avail until I tried Doan's Kidney Pills. They rid me of the trouble and strengthened my back and kidneys. When I have taken Doan's since, they have always benefited me."

AFTER 14 YEARS OF SUFFERING

This Lady Tried Cardui. Let Her Tell You in the Following Statement the Results She Obtained.

Wise, Va.—Mrs. J. M. Elam, of this place, in writing of her female troubles, says: "This trouble went on for 14 years, often I was unable to work and suffered badly at . . . times, when I could not be on my feet at all. Really I had health all the time during those 14 years, and was never without pain, with awful backaching, had no appetite, was nervous, but at that time my husband's sister . . . recommended that I try Cardui, which I began to take . . . and which has caused me to be in better health ever since. In a few days I felt that improvement had begun. My back got stronger and less painful. I got less nervous and my appetite began to improve. In a few weeks my improvement was noticeable, and I got into better health than I had had for 14 years. . . . My walking before had been very painful, and could not stand on my feet to do any work. After using these medicines, however, I could walk without pain and was able to do the work and housekeeping for an ordinary family. My back and appetite were better and also my nerves."

If you suffer as Mrs. Elam did, take Cardui. It may be just what you need.

INTERNATIONAL SUNDAY SCHOOL LESSON

By REV. P. B. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago. Copyright, 1917, Western Newspaper Union.

LESSON FOR NOVEMBER 4 DEFEAT THROUGH DRUNKENNESS.

(World Temperance Sunday.) LESSON TEXT—1 Kings 2:1-2. GOLDEN TEXT—Let not him that drieth up his harvest boast himself as he that putteth it off—1 Kings 2:11.

1. Samaria Besieged (vv. 1-12).

1. Be whom (v. 1). Benhadad, the Syrian King, accompanied by 32 kings, came against Samaria. These 32 kings were not allies, but rulers over the neighboring cities—vassal princes.

2. Benhadad's message to Ahab (vv. 2-6).

He offered peace on the most abject and insulting terms. His demands meant more than the extinction of tribute. He over-reached himself in this—thus defeating his purpose. He not only demanded tribute money, but the surrender of that which was most vital to Ahab's method and self-respect—his wives and children. He thus made a thrust at his tenderest spot. Many a man has been thus prosed to do his duty, who otherwise would have submitted to shameful indignities.

3. Ahab's reply (vv. 4, 7-9).

His reply was tame and humiliatingly submissive. Perhaps, he thought it only meant the giving of tribute, which he was willing to do in face of Benhadad's overwhelming army. Condiatory measures were regarded as most prudent. But the temporary demands of the enemy repeated, Ahab to his senses, and caused him to call together the elders of the land, who counselled against submission. Thus stiffened for the opposition, Ahab refused to make full compliance with his demands.

4. Benhadad's bluster and boasting (v. 10).

The design of this was to strike terror into the hearts of the king and people. He vows that he will make Samaria a heap of dust, and that this dust will not be sufficient to fill the hands of his army, so overwhelming is the number of his host.

5. Ahab's answer by a proverb (v. 11).

"Let not him that drieth up his harvest boast himself as he that putteth it off." This is a proverb full of points for all hearers. God's purpose may overrule all man's proud presumptions. "Man proposes, but God disposes." "Pride goeth before destruction, and a haughty spirit before a fall."

6. Readiness for the attack (v. 12).

In the full confidence of victory, the Syrian king was giving a banquet to his princes. In the midst of this festivity, the command was given to invade Samaria. Invited by strong drink, he gave no attention to the striking proverb of Ahab. Many have gone to ruin because through the stupor of drunkenness, they have failed to heed proper warnings.

II. A Prophet Sent to Ahab (vv. 13-14).

Who the prophet was, we are not told, but why he was sent, is made clear. He brought from God a promise of victory which was to cause Ahab to know Jehovah. It is a marvelous display of God's goodness and grace. Israel deserved the most severe chastisement, but God promised victory for his own sake in order to make his glory known. The agency by which the victory was to be achieved was the young man, an agency purposely made, that the victory might be seen to be of God.

III. Ahab's Victory Over the Syrians (v. 15-21).

The army of Ahab was not a handful compared with that of the Syrian king (v. 15; cf. v. 10). Benhadad, with confidence in his superior numbers, ordered the young men of Israel to be taken whether they came for peace or war. He, with his princes, continued their drunken debauch. The young men struck right and left, creating great consternation. When the seven thousand reserves joined the young men, a general panic was produced among the Syrians. From the human side, the victory is accounted for by the drunkenness of the Syrians, but from the divine side, we see that God wrought for his own glory. Ahab punished the Syrians with a great slaughter, but Benhadad escaped. Many have been the defeats which have come through drunkenness; defeats in morals, defeats in religion, defeats in business, defeats in physical endurance. The man who indulges even moderately has reduced his opportunities of success very greatly. Most of the accidents by automobiles, railroads, etc., are traceable to the use of intoxicating liquors.

Couldn't Be Beaten.

The other week a country woman went into a small market town in the north to do some shopping, says Pearson's Weekly. After buying several purchases she came to a grocer and provision merchant's shop, in window of which she saw some nice looking eggs. She went into the shop and asked the grocer if they were good and fresh eggs. "Yes, ma'am," said the grocer, "they cannot be beaten." "Oh," cried the old woman, "they're no use to me, if they can't be beaten, as I want them for our flock's pudding."

ALL MEN AT HOME SHOULD PREPARE FOR WAR

The first test a man is put thru for either war or life insurance is an examination of his water. This is most essential because the kidneys play a most important part in causing premature old age and death. The more injurious the poisons passing thru the kidneys the sooner comes decay—so says Dr. Pierce of Surgeon Institute, Buffalo, N. Y., who further advises all people who are past thirty to preserve the vitality of the kidneys and free the blood from poisonous elements, such as uric acid—drink plenty of water—sweeten some daily and take Amuric double strength before meals, use a package of this Amuric in a late discovery of Dr. Pierce and is put up in tablet form, and can be obtained at almost any drug store. For that backache, lumbago, rheumatism, "gravel" joints, swollen feet or hands, due to uric acid in the blood, Amuric quickly dissolves the uric acid as hot water does sugar. Take a little Amuric before meals and prolong life. Send 10 cents to Dr. Pierce for trial package of Amuric.

NEWS OF RICHMOND

Richmond, Va.—I have taken Dr. Pierce's Golden Medical Discovery with the best effect. I had a very serious cough and cold with a bad fever; the cough was exceedingly harsh and so violent as to give me an irritating sore throat with hoarseness and a compressed feeling in my lungs. The cough reduced by strength and I had to stop work. At the same time I was suffering from indigestion and had to live on stale bread and milk. My liver also was in a very wretched condition, as well as my bowels. These symptoms readily yielded to the Discovery, to my great pleasure and comfort. JOHN H. EAMES, 424 S. Laurel St.—Adv.
