

A HOME destroyed by FIRE

Fire Insurance the only safeguard.
Is your home insured? Is your business protected?

But not one minute after the BLAZE

The smoke of an hour may carry away

photoplay

"The Piper's Price"

Having divorced his first wife and married a far more beautiful and talented woman, Ralph Hadley finds that he is not willing to abide by his own decision. He returns his affections to the woman he had divorced and brings untold suffering to the wife who has been faithful and long enduring. Finally when matters have reached a tragic point the fickle husband realizes his mistake and matters are brought to a happy conclusion. This is a digest of the plot to be unfolded in gripping photo play under the title of "THE PIPER'S PRICE" from the popular book of the same name.
