

WHAT WOULD BREVARD BE TODAY

If every citizen had been just like you? Just suppose that everybody in Brevard had spent every cent he made all these years---had saved nothing, and had always depended on the other fellow to save and build up our beautiful little city. What kind of place would Brevard be now? There would be no Brevard.

Well, now, suppose on the other hand, that you had done as hundreds of others in Brevard have done, that you had saved all you could and invested it wisely. Suppose you had taken all the shares you could carry in the

Brevard Building and Loan ASSOCIATION

when it was first organized, WHAT WOULD YOU BE WORTH TODAY?

It may be that you don't thoroughly understand the Building and Loan principles. Come in and let us explain how you can save money the Building and Loan way and never miss it, or how YOU CAN BUILD A HOME WITH THE MONEY YOU ARE PAYING IN RENTS.

Come at once, as this series will soon close

TOWNSHIP NEWS

People of Taxaway are preparing to turn this year on a greater scale than ever before. Although we are not at the front we wish to help win the war.

Clarence Norton, who has been in West Virginia for more than two years, returned home last week bringing with him a bride.

Conductor Will Ray, has purchased a big new car and is said to will build a house soon.

Charles McKinnon, of Selma, was in our town last week looking for positions, but found everybody busy and waiting for more labor.

Some people have said that the peach crop had been killed, but Dr. J. B. Brewster, by careful examination, says that if no further frosts interfere, the crop will be good.

People are getting ready for the school year, and many are at the school house every night.

The people of Taxaway are supporting the work and construction of the new roadway, and many are contributing money to the cause. This indicates that the work is almost done.

It is reported that those who have been in the military service are being discharged, but we hope it will turn out to be a pay raise.

Robert A. Venable went to Brevard on business last week.

Services will be held at the Tabernacle Baptist church next Sunday. Dr. Owen, of Moss Hill school, was at home last week.

Most of the people here have recovered from the spring cold.

Mr. and Mrs. Ira Galloway will give a singing Wednesday night.

A Townswoman.

TWICE PROVEN

If you suffer headache, sleepless nights, tired, dull days and distressing bladder disorders, don't experiment. Read this twice-told testimony. It's Marion's evidence--doubly proven.

Mrs. L. Leonard, Sweeney Hill, Marion, N. C., says: "I suffered from headaches and I often got nervous and dizzy. I was restless at night and in the morning I felt all tired out. My back hurt me and my kidneys were weak. Don's Kidney Pills soon relieved me in every way."

"OVER TWO YEARS LATER, Mrs. Leonard said: 'I have used Don's Kidney Pills at different times when I have noticed symptoms of kidney complaint and I have thus kept comparatively free from kidney trouble.'"

Price 50c at all dealers. Don't simply ask for a kidney remedy--get Don's Kidney Pills--the same that Mrs. Leonard has twice publicly recommended. Foster-McBarn Co., Props., Buffalo, N. Y.--Advertisement.

AUDITORIUM

Bluchird presents

DOROTHY PHILLIPS and LON CHANEY

in the five part drama

"THE GIRL IN THE CHECKERED COAT"

Miss Phillips, in playing both of the leading roles, has done the most remarkable acting ever presented on the screen. So complete is her change of expression that critics who have seen this photoplay have been inclined to disbelieve that Miss Phillips plays not only the role of the lovable girl, but also that of the despicable pick-pocket.

It's a Bluchird; it's bound to be good.
