The business houses of the town were closed during the morning services which were well attended. A union prayer meeting was held in the Methodist Church on Thursday evening.

MINISTERS OF THE GOSPEL ENDORSE IT

Well-Known Clergymen Praise Tangle for Good it Has Done Them.

Ministers from some of the great communities in the land have put Tangle to the test and have come out in grateful statements endorsing the medicine for the good it has done them.

Rev. W. C. Fortson, pastor of the Wesley Memorial church of Jacksonville, Fla., says: "I suffered from indigestion for years, seldom slept well and had severe headaches. Since taking Tangle I feel as well as I ever did, sleep soundly and can eat anything I want. Tangle has restored my health."

Rev. A. H. Stokes, of Nashville, Tenn., says: "Mrs. Stokes suffered from stomach and kidney disorders and a nervous breakdown. Tangle restored her health; she is gaining weight and strength rapidly."

Rev. E. G. Butler, Muskogee, Okla., says: "I had attacks of acute indigestion. Results from taking Tangle have been most satisfactory. It is the best medicine I ever tried."

Hundreds of other well-known ministers have testified to the merits of Tangle, among whom are: Rev. E. M. Winters, San Antonio, Tex.; Rev. R. J. Taylor, Franklin, Tex.; Rev. A. L. Tull, Atlanta, Ga.; Rev. Jas. H. New, Charleston, S. C.; Rev. A. J. Vallery, Monroe, La.; Rev. John M. Sims, Atlanta, Ga.; Rev. W. P. Rohr, Knoxville, Tenn., and others too numerous to mention.

Tangle is sold in Brevard by Duckworth Drug Co.

MRS. J. L. BELL

On Saturday morning, June 1st, there entered into the joy of paradise a woman of conscience and devotion to righteousness, whose life has been an example to many.

Mrs. Bell was not one of those shallow natures, who was easily understood at first acquaintance. The writer has known her for ten years, and each year has brought increased respect and admiration for her sterling worth. Her sound judgment, her loyalty to duty, her courageous readiness to stand for the right were traits which few of us possess in such degree as did Mrs. Bell, and in which she was indeed a help to many of us who were weaker.

One does not often find a person of such strong attachments and such true friendship. Her affection and friendship were of that high order which longed to see those she loved faithful to the best and highest things; and always, the things she held up to us were fine and true. It is not every friend "Whose love knows how to praise, and how to reprove." Such a friend was Mrs. Bell, and I gratefully bear witness to the good advice and helpful counsel of this good woman, whom I shall always hold in affectionate remembrance.

For many years she had been a great sufferer, and we who love her are glad that she is released from pain and weariness.

As we sat in the quiet church, made beautiful with flowers, where she lay in her last sleep, we thought what joy was hers in that blessed land, where "God Himself shall be with them." And there shall be no more death, neither sorrow nor crying, neither shall there be any more pain."

In loving memory this little tribute is offered M. C. J.

TO ALL ABLE-BODIED AMERICANS.

The allied armies and allied nations are marching to VICTORY. All "Wheatless-Thr-Harvest" citizens are enlisted with the VICTORY-MAKERS. Get right on wheat—Join the ranks. "Feed Will Win the War"—wheat is the test. —Uncle Sam.

WHICH CAMP?

America today is divided into two camps—Americans and Alien Enemy. Those who are not for America are against her—enemies all. Those who are idle, selfish or even indifferent are Allies—alien to American interests. Only the workers, "comrades in this great enterprise," bear the honored name—Americans.
