CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile, it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.—Advertisement.

HIGH SHERIFFS OF SOUTH ENDORSE IT

Officials From Four Southern States Tell of Benefits From Tanlac.

Four of the leading sheriffs of the South, in widely separated states, have given their unqualified endorsement of Tanlac.

Hon. C. W. Mangum, who was for three terms sheriff of Fulton county, Ga., residing in Atlanta, said: "Tanlac has certainly helped me. My condition is now that of a well man. Tanlac proved to be just what I needed to put my system in shape and all my disagreeable symptoms of stomach trouble have disappeared."

Hon. Chas. I. Lewis, ex-sheriff of Crittenden County, residing at Marion, Ark., said: "Tanlac has entirely relieved me of biliousness and malaria and has almost made a new woman of my wife, who has suffered for ten years with stomach trouble."

Hon. A. R. Anderson, who was re-elected seven times to the office of sheriff of Harris County, Texas, residing in Houston, said: "Money couldn't buy the good Tanlac has done for me. I suffered from indigestion of the worst sort and had severe neuralgic pains. I have taken three bottles of Tanlac, my trouble is gone and I am like a different man."

Hon. S. A. Kelley, Sheriff of Ector County, Texas, residing at Odessa, Texas, says: "I needed a general all-round building up for over seven years and Tanlac has done that very thing for me."

Tanlac is sold in Brevard by Duckworth Drug Co.
