BREVARD NEWS, BREVARD, N. C.

COME TO YOUR SENSES

It's all right to be confident that we will win the warbut confidence won't BUY bullets.

Yes-you want Peace-all of us do. We are anxious to see that awful carnage stop – to see that human slaughter - house wiped off the face of the earth. Why! boys from our own land are being horribly mutilated by those raving maniacs of the German Army.

Now then-the only way to stop this is to end the war. And to end the war we must kill Germans. Every dead German brings the end of the war nearer-brings Peace nearer. Bullets in the hands of our boys over there mean more Dead Germans.

Bullets are not donated to your Government. They cost money. Will you LOAN-not "give" your money to Uncle Sam, at interest. Don't you see that the end of the war rests with you.

WAKE UP, NORTH CAROLINIANS!

Perhaps you know in a vague sort of way what is happening-but it's time to stop looking through the mist.

Weke Up Before It's Too Late

Your boys-boys from your State-are being brutally murdered on the Western Front. They are giving their LIFE to PROTECT you from the Prussian brutes. Unless you do something to save them and do it quick-NOW-RIGHT NOW-you will be responsible for their suffering. W. & S.-W. S. S.-W. S. S.-W. S. S.-W. S. S. W. S. S.-W. S. S.-W. S. S.-W. S. S.-W. S.
