WAKE UP, NORTH CAROLINIANS! Don't you know that your Government could tax you and quickly raise the money to be secured through the sale of War-Savings Stamps! But your government is not taxing it out of you-not even asking you to give it. Won't you loan your money to save American soldiers from death-young heroes who are protecting you and your home! War Savings Stamps On Sale at Postoffices, Stores and Banks This Space Contributed by Carr Lumber Co.
