

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Every cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There"
GIVE WHAT YOU CAN

ALL-DAY SINGING

The annual all-day singing to be held at Etowah station in Henderson county, is called to meet the third Sunday in Oct., and it is hoped that we may have a pleasant and profitable one. To all that may attend we request that they bring their Christian Harmony singing books and take part.

Arrangements have been made and are being made to have as many of the old-time singing folks to attend as possible.

M. J. Orr,
Sec Trans. County.

J. K. Moffitt,
Sec. Henderson County.

Attack!

Our men answer this command with a yell of satisfaction!

Fight as *they* do!

Go in with the same determination.

Your sacrifice—saving money—puts the fighting weapons into their hands.

The Boche fears a bond as he does a bayonet, for deep down in his heart he knows the money means material of war. He knows that these guns and shells and bayonets in the hands of American soldiers mean *the End!*

Lend the Way Our Boys Are Fighting!

Sacrifice self as they do, and spring to the *attack* as readily. Feel the thrill of being on the *offensive*. Get on a war basis. Save with your whole strength.

Attack the Hun!

Buy Liberty Bonds to Your Utmost

When You Fight--Fight

FIGHT as these American soldiers fought in the streets of Fismes. "They covered themselves with glory," the papers say. Of course they did—they are Americans.

They met the finest of the enemy's troops in a terrific hand-to-hand struggle. They used their guns—their bayonets—their bare fists. Every American soldier went after his man desperately, fearlessly, persistently, with one great driving purpose—to whip that Prussian Guard, to silence its machine guns—to win!

It's a pretty good way to fight—this American way. It wins battles over there, it will win a splendid victory over here—if we *fight* when we fight—if we buy Liberty Bonds to our utmost.

When you fight—*fight!* When you buy—*buy!*

Lend the way they fight—Buy Bonds to your utmost
