

**NOTICE TO MASONS**

The Masons have resumed their meetings and will have work every Friday night for the next three months.

**MRS. J. S. CALHOUN**

Mrs. J. S. Calhoun died at her home in Sylva, N. C., Dec. 19, 1918, aged 47 years. She leaves a husband, three daughters, one son and many friends to mourn her irreparable loss. She was a true and faithful companion, a fond and affectionate mother. No sacrifice too great if it was for the comfort or pleasure of her family. She was a kind neighbor, ready to help others in affliction of any kind. Her work was done with a mission filled. The Lord loved her and she answered with an angelic smile. As she neared the end she was not afraid for she had her hands ready to meet through the child of death.

A FRIEND.

**DO NOT SALIVATE  
IT MAKES YOU SICK**

Like Dynamite on a Sluggish Liver and You Lose a Day's Work.

No reason why a person should be sick, salivating calomel when they buy a large bottle of Dodson's Calomel—a perfect substitute for calomel.

A pleasant, vegetable liquid which acts on your liver just as surely as calomel but it doesn't make you sick and salivate.

Old men and grown folks can take Dodson's Liver Tone, because it is permanent.

Calomel is a dangerous drug. It is poisonous and attacks your bones. Take a spoonful of Dodson's Calomel today and you will be sick and nauseated tomorrow. Take a spoonful of Dodson's Liver Tone instead and you will be up feeling great. No more constipation, sluggishness, coated tongue or sour stomach. Dodson's Calomel says if you don't find Dodson's Liver Tone acts better than horrible calomel. Money is waiting for you.

**Why Take Calomel?**

Dr. Thacher's Liver & Blood Syrup will do all that calomel will do and without the "after effects."

Years ago, when people were bilious, when the liver got lazy and failed to do its work or the stomach was out of condition, calomel was the standby.

By and by the users of calomel found that the "after effects" of taking the drug were as bad and more often worse than the ailment for which it was taken.

Dr. Thacher, in seeking a medicine to take the place of calomel—one that would do all the good that calomel would do, and yet leave none of its evil effects perfected Dr. Thacher's Liver & Blood Syrup. This was in 1852, and each year since has added to the confidence of those who have used it.

Miss Susie Brewer, of Chattanooga, Tenn., tried calomel. She was suffering with a very serious cold and gripe and had no appetite whatever. After the calomel failed she tried Dr. Thacher's Liver & Blood Syrup. She felt better after taking three doses and she soon got entirely well. "I think Dr. Thacher's Liver and Blood Syrup is a wonderful medicine," she said, "and I am very thankful I tried it."

For nearly three quarters of a century this sterling preparation has been an "old stand-by" in thousands of homes in treating rheumatism, dyspepsia, indigestion and other stomach and liver complaints. It is a powerful tonic and blood purifier and can be used with the utmost confidence.

Write Thacher Medicine Co., Chattanooga, Tenn. for a copy of "Thacher's Family Doctor," a book giving cause, symptoms and treatment of 47 common diseases.
