**FOR A BETTER BREVARD**

"How can we best advertise our own dear town?" So asks a good merchant, and he wants to be shown. Here is the answer straight from the shoulder: "Make it such a place as shall charm the beholder."

In sweetness and cleanliness we must excel.

If we want health-seekers with us to dwell. Remove unsightly buildings and tumble down parts. Tidy up vacant lots and burn up your old carts.

Haul off the old cans and rake back yards clean; And you'll soon have a city that's fit to be seen.

Plant flowers and shrubbery, fruit and shade trees; Don't begrudge the small boy his lawn cutting fees.

Remember the adage that's truth to be seen: "Sweep before your own door and the town will be clean."

Yes, clean up in morals as well as appearance. (For we have a few vices that need an out clearance.)

Then when we are cleaned up both inside and out: We will feel so much better and ready to shout.

Then fill up your lungs with me; all ready, pard! Shout! "We'll all pull together for a Better Brevard."

ERNEST H. NORWOOD.

**TRY IT! SUBSTITUTE FOR NASTY CALOMEL**

Starts Your Liver Without Making You Sick and Can Not Salivate.

Every druggist in town—your druggist and everybody's druggist has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs but a few cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition. —Advertisement.
