The Mother of Eight
and
Never had a Doctor

Reared Her Family WITH
SIMPLE HOME REMEDY

An American Mother Beats Them All

There are few families in which the record of Mrs. Gustave Koch, Box 24, Keokuk, Keokuk County, Iowa, has been surpassed. Not in the fact that she

raised a family of eight is her story remarkable. Thousands of families are larger. The history of the Koch family is unique in that the mother, with all her loving care, pinned her faith to a simple home remedy and never had a doctor for her children. Here is what she says: "Peruna has done my children good. I have a family of eight and never had a doctor, only your medicine. We all think Peruna a splendid tonic."

So far as we have learned, Peruna is the only known remedy for which such a wonderful claim can be made. Like Mrs. Koch, there are thousands upon thousands of mothers who place their entire dependence upon Peruna.

That Peruna has merited this confidence is attested by the words

from such mothers as Mrs. Gustave Koch. Long life to her! Peruna is indicated for coughs, colds, catarrh of the head, nose and throat, or disorder of the stomach, bowels or other organs due to catarrhal inflammation of the mucous linings.

If you are sick and suffering, write the Peruna Company, Dept. S-80, Columbus, Ohio, for Dr. Hartman's Health Book. It is free and you may find that Peruna is what you need. Dr. Hartman's World Famous Peruna Tonic comes in either liquid or tablet form. As your dealer, if you are seeking health, do not accept "something just as good." Insist upon Peruna. Your dealer will give you a Peruna Almanac.
