SHEEP FOR TRANSYLVANIA COUNTY

E. J. Whitmire recently purchased two car loads of Ramboulette sheep from the Clarke estate at Hendersonville, N. C. These sheep were brought to Henderson county last fall from New Mexico by R. S. Clarke. This breed of sheep is hearty and being raised in the foot hills of New Mexico and will be easily acclimated to the mountains. Mr. Whitmire has now on his farm over three hundred sheep.

The sheep industry is a profitable industry where conditions and equipment are suitable for raising sheep. Many breeders for the past few years have been making from fifty to one hundred per cent profit on sheep.
