CLUB SHORT COURSE FOR BOYS AND GIRLS

Plans are being formulated by County Agent, R. E. Lawrence, and Home Demonstration Agent, Miss Lula M. Cassidy for holding a three day meeting at the Brevard Institute from July 29 to 31 for the club members and other boys and girls in the county.

This is the first meeting of this kind ever held in the county and it promises to be an interesting as well as instructive meeting. A number of specialists have already been secured from the Department of Agriculture at Raleigh to give lessons in agriculture, stock raising and domestic science. Every boy and girl in the county should plan to attend this meeting.

DR. CULLUM ADDRESSES BREVARD AUDIENCE

A large audience at the Baptist Church last Sunday morning had the privilege of hearing an address by Dr. Cullum, of the faculty of Wake Forest College. This was Dr. Cullum's first visit to Brevard and those who had the pleasure of hearing his lecture Sunday morning are hoping that it will not be his last one. The speaker talked along the lines of world reconstruction and warned his hearers in convincing terms that though the Germans had signed the Peace Treaty America's work in helping to make the world a safe place to live in had just begun.

Always rise from the table with an appetite and you will never sit down without one.

CAMP FRENCH BROAD OPENS

Camp French Broad, one of the first boys' camps to be established here, has just opened its sixth season with the largest enrollment in its history. This camp is yearly becoming one of the most popular institutions of its kind in the south. Its faculty comes from the Citadel Academy of Charleston, S. C. and the students represent schools of the highest standing in all parts of the country. The camp this year has been enlarged, a new baseball diamond and several new tennis courts have been added. The camp fleet has several new boats and it is probably that a number of boat races and other water contests will be put on during the summer.
