AUTOMOBILE ACCIDENT

A serious accident was narrowly averted last Tuesday morning when two automobiles collided near Conestee falls. Mrs. C. M. Cooke was driving from Brevard toward Conestee and when turning a curve beyond Wilson's bridge met a car from the opposite direction. The second car was the property of T. H. Shipman and was driven by a colored boy. Mrs. Cooke stopped her car instantly and by her quick thought probably saved the lives of the occupants of both machines. Mrs. F. L. Devane was riding with Mrs. Cooke and their car was damaged very little. Master Hayes Shipman was in the other machine which was considerably damaged by the collision.

WHITMIRE BELIEVES IN TRANSYLVANIA

J. C. Whitmire has said for a number of years that the people of this county are quick to respond to the progressive efforts made by a home merchant. He says that Transylvanians are always glad to trade at home if they can get values equivalent to those offered in larger towns. During the last week Mr. Whitmire has shown his belief in his words and his faith in the people of this county by putting in stock at his Cherryfield store a solid carload of the finest caskets to be purchased anywhere. Mr. Whitmire is always on the alert to procure the best service for his customers and the latest addition to his business is merely an enlargement of the policy which has dominated his enterprise since its beginning.

WEEK-END DANCES TO BE FEATURED

On Saturday evening July the 12th a dance will be held at the Franklin Hotel which will inaugurate a series of week-end dances that will continue throughout the season. Director Dottery of the Franklin orchestra has his organization ready to play the latest dances and those who stop at the hotel for these week-end affairs will have the pleasure of dancing to music that is really the dance kind. A number of young people are expected to motor from Asheville to be present at the first dance next week, and dancers from other nearby resort towns will probably come to the opening dance at the Franklin.

RED CROSS CLASS IN HOME NURSING

A class in home nursing under the auspices of the Transylvania Red Cross is now in session at Brevard Institute. The class is being taught by Miss Hazlehurst, a Red Cross nurse of considerable experience. Miss Hazlehurst, who comes from Macon, Ga., conducted a similar class here in March. While here in the spring she made such a favorable impression upon all who learned anything of her work that immediate steps were taken to procure her services for a second series of lessons at this place. However, she was booked for a number of classes then and this is the first opportunity she has had to return to Brevard. The classes meet in the morning and afternoon. The work is so arranged that if a member of the morning class misses an appointment the work may be made up at the afternoon class and vice versa. Sixteen women of the town are taking the lectures at this time and much interest is being shown in the course which covers the subject of home nursing very thoroughly both from a scientific and practical standpoint.

DIRECTOR OF ORCHESTRA ARRIVES

Mrs. Fred S. Morton, manager of the Franklin Hotel, says that "a first class orchestra is not the exclusive property of the concert hall nor are the winter months alone the time when people enjoy music." With this idea in mind Mrs. Morton has procured for the Franklin this summer the services of one of the best orchestras directors in the south. Mr. R. T. Dottery, director of the department of music in the University of Georgia, will have charge of the orchestra at the Franklin this summer. Mr. Dottery has already arrived here and expects the members of his organization to be here within a few days. It is probable that the management of the Franklin will arrange a series of weekly concerts to be given throughout the summer. The programs on these occasions will be made up of the best classic and modern compositions and the concerts will be for the music lovers of the town as well as the guests of the hotel.

CHERRYFIELD NEWS

Here we are again after enjoying such a fine rain. Crops in this section are looking fine. Mr. and Mrs. L. G. Combs and family went to Hendersonville Sunday afternoon to meet his son, Horace, who has returned from over seas. Julian Glazener and Homer Whitmire visited friends at Brevard Institute Sunday afternoon and reported a fine time. Mr. and Mrs. Jack Sease of Rosman are spending some time with Mr. and Mrs. Lee Johnson. Mrs. Leon Hubbard, who has undergone an operation is getting along nicely. Success to the News.

DEATH OF BESSIE BARTON

On June 15th at 2 P. M. death came into the home of Mr. and Mrs. Timothy Barton and took from them their little eight year old daughter, Bessie. She will be missed as she was good

and obedient to her parents. The good Lord knows best and knows how to lift our hearts from this old earth to the higher spiritual life. The remains were interred at the Catheys Creek cemetery. The grave was covered with flowers from friends and loved ones. We fully believe that little Bessie is sleeping with her Christ.
C. C. Duckworth.

OAKLAND NEWS

We have been having more rain. The crops are needing sunshine badly. On account of the rain we had a small crowd at the school house the 4th Sunday in June. There was a large crowd at the Toxaway church Sunday morning. They heard a fine sermon. A new enrollment of the church book was begun and will close the 4th Sunday in Sept. All who wish their names enrolled will notify T. E. Reid, the church clerk.

Several of our over seas boys have returned. We are all glad to see them back again.

Mrs. G. W. Fisher and daughter of Hendersonville are visiting relatives here.

There will be a box supper at the Union the Fourth of July. The money will be used for repairs on the church.

The summer people are beginning to come to the Mts. The hotels are being filled fast.

Mrs. T. W. Reid and sons were visitors of Mrs. E. A. Reid and Mrs. L. F. Norton last Sunday.

Clarence Norton and wife have moved to their new home. Best wishes to the News.
Goose Gobble.

BREVARD INSTITUTE NOTES

Quite a party of Institute teachers and students went out to Caesar's Head, on Saturday, expecting to return that evening but on account of an accident to the motor of the truck, they were obliged to stay all night at Caesar's Head Hotel returning next morning. It was probably fortunate that they did not try to return since the storm was so violent that the road down the mountain would have been quite dangerous for such a heavy truck.

Another large party is planning to go to Chimney Rock, either Friday or Saturday. They will go by motor truck and perhaps stay a day or two there.

Classes were held on Monday instead of Saturday of this week to give a longer holiday for the mid-week of the term. Friday being a legal holiday, there will be no school on that day, making Friday, Saturday and Sunday available as holidays to anyone wishing to take them.

NO REASON FOR IT

When Brevard Citizens Show a Way. There can be no reason why any readers of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what a Brevard citizen says:
Mrs. P. S. King, says: "Some time ago I suffered terribly with kidney complaint. I don't know what brought on this trouble. I was nervous and had headaches, and my kidneys didn't act right. I was in pretty bad shape. Hearing of Doan's Kidney Pills I began taking them and they gave me relief right away. Continued use made me feel better in every way."
Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. King had. Forter-Milburn Co., Mfrs., Buffalo, N. Y.

CARD OF THANKS

I wish to express my sincerest thanks to my neighbors for their many kindnesses during the illness and death of my little daughter, Bessie Louise.

YOUR HEALTH

A specially trained nurse from the Department of Medical Inspection of school children State Board of Health is now in Transylvania County and will be here for one month. This nurse will arrange to have adenoids and diseased tonsils occurring in children of school age treated by a throat specialist. The State Board of Health by the club plan of operating has been able to have this work done for the school children at a much lower rate than the charge for individual cases. The nurse and Co. physician are now endeavoring to arrange for an infirmary where the operating can be done centrally and will announce its location as soon as it is definitely determined. Those who may be interested can write Miss B. Dunn, R. N., Care Dr. W. J. Wallis Brevard, N. C. or call at Dr. Wallis' office. Inasmuch as adenoids and diseased tonsils are responsible for many troubles that occur in the human body this is an opportunity that should not be allowed to pass as the State selects a man who is known to be an expert in his line, then too this will be done so that the children needing it can fully recover in time for the opening of schools.
W. J. Wallis, Co. Health Officer.

WATER WORKS MAN GIVES OUT FACTS

After Searching For Years He At Last Finds Medicine That Ends Troubles.

"I have been trying for years to get something that would relieve me of my troubles and have found it at last in Tanlac," says Alfred Jolly of 3291 Quitman street, Denver, Colo., and an employee of the water works department of that city.

"For a long time" he continued, "my stomach was in such an awful fix that I could hardly eat a thing without being in misery afterwards. Even the lightest foods would bloat me with gas and I was constantly belching up sour, undigested food that at times would nearly choke, and often I would get so dizzy and light headed that I would almost fall down, and I would get so nervous that it was almost impossible for me to rest at night. I suffered agony from rheumatism and was in such a wretched condition that I was hardly fit for a thing."

"After trying nearly everything I could hear of I took Tanlac, and it sure hit the spot and has made a different man of me. My appetite is splendid, my nerves steady, I sleep like a log at night, have gained eight pounds and am in better shape than I have been in years."
Tanlac is sold by leading druggists everywhere.—adv.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.
