### OPPORTUNITIES FOR YOUNG WOMEN

Many opportunities for young women have opened up and developed within the last few years whereby they may become self supporting, independent and have a chance to develop in the direction of their choice. One of the many ways is to take training in a good hospital and become a graduate nurse. Their expenses are practically paid while in training and the compensation after graduation is far above the average of young women working as clerks in stores and offices. A few intelligent young women between the age of 18 and 30 years with a fairly good education can learn how to become a trained nurse by addressing the Superintendent of the Meriwether Hospital, Asheville, N. C.

### WASTED ENOUGH TO START A BUSINESS

Contractor's Wife Tells of Her Remarkable Experience.

"If I had all the money, today, that I have spent on medicines before I got hold of Tanlac; I could set up a nice business," said Mrs. Kate Blanton, wife of a well-known contracting painter, and living at 314 Bois D'arc street, Ft. Worth, Texas.

"Seven years ago," she continued "I was as well and strong as anybody, when a complication of troubles set in that finally, about a year ago brought me under the surgeon's knife. The operation left me so weak and run down that my condition became alarming. I lost my appetite, and the little I forced so on my heart that I felt like I would smother to death. I was nervous and restless at night and lost so much sleep, that by morning I was dull and heavy and hardly had enough energy to get out of bed for a week at a time. I suffered from spells of dizziness, my head would ache till I thought I would go distracted and I felt so miserable I was afraid I'd never be fit for anything again.

"Some of my friends had been benefited by Tanlac and advised me to try it. I sent for a bottle and before I had taken many doses of this medicine those headaches and dizzy spells disappeared. My appetite has returned now, and I can eat hot biscuits, sweet potatoes and many other things I've had to shun for years. My nerves are now steady, I sleep like a baby and get up feeling fresh and strong enough to do all my house work, and more besides. Two of my sons have taken Tanlac with gratifying results and all my family are now boosting it everywhere they go."

Tanlac is sold by leading druggists everywhere.—adv.

# WHAT A FARMER HAS TO SAY of Burnette & Verdery's Flour

IF YOU HAVE NEVER TRIED BURNETTE & VERDERY'S FLOUR AND DON'T WANT TO RUN ANY RISK, THE BEST WAY TO FIND OUT ABOUT IT IS TO ASK SOME RELIABLE PERSON WHO HAS TRIED IT.

FOLLOWING IS A LETTER RECEIVED FROM J. K. MILLS, ONE OF TRANSYLVANIA'S MOST PROSPEROUS AND BEST FARMERS:

BURNETTE & VERDERY MILLING CO.  
Brevard, N. C.

GENTLEMEN:

FOR MANY YEARS I HAVE BEEN HAVING MY WHEAT GROUND OUT OF THE COUNTY AND THOUGHT I WAS GETTING AS GOOD AS COULD BE MADE, BUT PURELY BECAUSE I THOUGHT IT WAS MY DUTY TO PATRONIZE HOME INDUSTRY, I DECIDED TO HAVE MY LAST ORDER GROUND AT HOME AND I FIND THAT THERE IS NO COMPARISON. BURNETTE & VERDERY'S FLOUR IS FAR AHEAD OF ANYTHING I HAVE EVER USED AND I SHALL GLADLY RECOMMEND IT TO ALL MY FRIENDS.
