OPPORTUNITIES FOR YOUNG WOMEN

Many opportunities for young women have opened up and developed within the last few years whereby they may become self supporting, independent and have a chance to develop in the direction of their choice. One of the many ways is to take training in a good hospital and become a graduate nurse. Their expenses are practically paid while in training and the compensation after graduation is far above the average of young women working as clerks in stores and offices. A few intelligent young women between the ages of 18 and 30 years with a fairly good education can learn how to become a trained nurse by addressing the Superintendent of the Meriwether Hospital, Asheville, N. C.

Humor, with tears that tread upon smiles, is the keynote of "DADDY LONG LEGS". MISS MARY PICK-FORD as "JUDY ABBOT" easily has the best roll of her career. As a poor orphan child, ever helping those about her and making the most of cruel treatment, she finally rises to wonderful heights.

An Act To Provide For The Compulsory Attendance Upon The Public Schools of Children Between Certain Ages and To Regulate and Restrict the Employment of Children and Provide for the Enforcement of the Provisions of This Act of Chapter 83, Public Laws of 1913, and Chapter 857, Public Laws of 1907.

The General Assembly of North Carolina do enact:

SECTION 1. Every parent, guar-

dian or other person in the State of North Carolina having charge or control of a child between the ages of eight and fourteen years shall cause such child to attend school continuously for a period equal to the time which the public school in the district in which the child resides shall be in session. The principal, superintendent, or teacher who is in charge of such school shall have the right to excuse the child from temporary attendance on account of sickness or distance of residence from the school or other unavoidable cause which does not constitute truancy as defined by the State Board of Education.

SECTION 2 Any parent, guardian, or other person referred to in section one of this act, violating the provisions of the aforesaid section, shall be guilty of a misdemeanor, and upon conviction shall be liable to a fine of not less than five dollars (\$5) nor more than twenty-five dollars (\$25) and upon failure or refusal to pay such fine the said parent, guardian, or other person shall be imprisoned not exceeding thirty days in the county jail.

SECTION 2a It shall be the duty of the State Board of Education to formulate such rules and regulations as may be necessary for the proper enforcement of this act. Said board shall prescribe what shall constitute truancy, what causes may constitute legitimate excuses for temporary non attendance due to physical or mental inability to attend and under what circumstances teachers, principals, or superintendents may excuse pupils for nonattendance due to immediate demands of the farm or the home in certain seasons of the year in the several sections of the State. It shall be the duty of all school officials to carry out such instructions from the State Board of Education, and any school official failing to carry out such instructions shall be guilty of a misdemeanor: Provided, that section one of this act shall not be in force in any city or county that has a higher compulsory attendance law now in force than provided herein; but in any case it shall be the duty of the State Board of Education to investigate the same and decide that any such law now in force has a higher compulsory attendance feature than that provided by this act: Provided, that wherever any district is without adequate building or buildings for the proper enforcement of this act the county boards of education may be allowed not more than two years from July the first, one thousand nine hundred and nineteen, to make full and ample provisions in every district.

SECTION 3 The county superintendent of public welfare or chief school attendance officer or truant officer provided for by law shall investigate and prosecute all violations of the provisions of section one of this act.

SECTION 4 The State Superintendent of Public Instruction shall prepare such rules of procedure and furnish such blanks for teachers and other school officials as may be necessary for reporting each case of truancy or lack of attendance to chief attendance officer in section three hereof. Such rules shall provide, among other things, for a notification in writing to the person responsible for the nonattendance of any child, that the case is to be reported to the chief attendance officer of the county unless the law is immediately complied with. County boards of education and governing bodies of city schools shall have the right to appoint town or district attendance officers when deemed by them necessary, to assist in carrying out the provisions of section one, two, three, and four of this act, and the rules and instructions which may be promulgated by the State Superintendent of Public Instruction. But in every case in which it becomes necessary to prosecute for nonattendance the case shall be referred to the chief attendance officer of the county for further action: Provided, that in towns or cities having special attendance officers paid out of town or city funds said officers shall have full authority to prosecute for violations of this act.

SECTION 4 No child under the age of fourteen years shall be employed or permitted to work, in or about or in connection with any mill, factory, cannery, workshop, manufacturing establishment, laundry, bakery, mercantile establishment, office, hotel, restaurant, barber shop, bootblack stand, public stable, garage, place of amusement, brick yard, lumber yard, or any messenger or delivery service, except in cases and under regulations prescribed by the commission hereinafter created: Provided, the employment in this section enumerated shall not be construed to include bona fide boys' and girls' canning clubs recognized by the Agricultural Department of this State; and such canning clubs are hereby expressly exempted from the provisions of this act.

SECTION 5a. It shall be the duty of the county boards of education of each county in the State of North Carolina to cause this act to be published in full in some newspaper published in the county if there be one, and if there be none, then in circular form and distributed over the county at least four weeks prior to the opening of the schools after the first day of July, one thousand nine hundred and nineteen.

SECTION 6. No person under sixteen years of age shall be employed, or permitted to work, at night in any of the places or occupations referred to in section five of this act, between the hours of nine p. m. and six a. m. and no person under sixteen years of age shall be employed or permitted to work in or about or in connection with any quarry or mine.

SECTION 7 That the State Superintendent of Public Instruction, the Secretary of the State Board of Health, and the commissioner of Public Welfare of the State of North Carolina are constituted State Child Welfare Commission, and they shall serve without additional compensation. It shall be the duty of this commission to make and formulate such rules and regulations for enforcing and

carrying out the provisions of this act, and of chapter eighty-three of the Public Laws of one thousand nine hundred and thirteen, and chapter eight hundred and fifty-seven of the Public Laws of one thousand nine hundred and nine, as in its judgment it shall deem necessary.

SECTION 8 That for the purpose of securing the proper enforcement of the provisions of sections five, six, and seven of this act, and of chapter eighty-three of the Public Laws of one thousand nine hundred and thirteen, chapter eight hundred and fifty-seven of the Public Laws of one thousand nine hundred and nine, the said commission, or its duly authorized agents shall have the authority to enter and inspect, at any time, mines, quarries, mills, factories, canneries, workshops, manufacturing establishments, laundries, bakeries, mercantile establishments, offices, hotels, restaurants, barber shops, boot black stands, public stables, garages, places of amusement, brick yards, lumber yards, and other places of employment, and it shall be unlawful for any person, firm, or corporation to refuse permission to enter, obstruct, or prevent any duly authorized agent of said commission in his effort to make the inspection herein provided for.

SECTION 9 The said commission shall have power to appoint and employ such agents for the purpose

of enforcing the provisions of section five, six, seven and eight of this act as may be found to be necessary, and they may use the county superintendent of public welfare or chief school attendance officer or truant officer of the several counties for the purpose of carrying out the provisions of sections five, six, seven and eight of this act, and they may use the agents specially designated for carrying out the provisions of sections five, six, seven and eight of this act, to aid in carrying out the provisions of sections one, two, three and four of this act in regard to school attendance.

SECTION 10 That if the employer of any person under sixteen years of age shall, at the time of such employment in good faith procure, rely upon, and keep on file a certificate issued in such form and under such conditions and by such persons as the said commission herein provided for shall prescribe showing that the person is of legal age for such employment, such certificate shall be prima facie evidence of the age of the person and of the good faith of the employer. No person shall knowingly make a false statement or present false evidence in or in relation to any such certificate or application therefor, or cause any false statement to be made which may result in the issuance of an improper certificate of employment.

SECTION 11 The State Treasurer shall honor all warrants for necessary expenses incurred by said commission as aforesaid, for meeting the salaries and expenses of any agents employed by said commission in the enforcement of this act, and the necessary expenses incurred by said commission in carrying out provisions of this act out of the funds not otherwise appropriated, such warrants to be drawn upon the State Auditor by the Commission hereby created, or its duly authorized agent: Provided, that said expenses so incurred shall not exceed the sum of six thousand dollars per annum.

SECTION 12 That any person, firm or corporation violating any of the provisions of sections five, six, seven, eight, nine, and ten of this act, or of the provisions of chapter eighty-three of the Public Laws of one thousand nine hundred and nine, shall be guilty of a misdemeanor, and punished by fine or imprisonment, or both, within the discretion of the court.

SECTION 13 That all laws and parts of laws in conflict with this act are hereby repealed.
