## ALL WRONG

The Mistake Is Made By Many Brevard Citizens.

Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right.

A Brevard resident tells you how. Mrs. J. C. Loftis, Main St., Brevard says: "I had a bad time with my back some years ago. There was a pain over my kidneys all the time and it kept me miserable. When I would go up or down stairs pains would shoot through my back so bad that I could hardly move and often I would get so dizzy that I would nearly fall. I had dizzy headaches and my ankles and hands swelled, too. My kidneys didn't act properly. I tried different remedies with no relief and finally I heard of Doan's Kidney Pills. They soon relieved me and continued use entirely cured me."
