WHY I GO TO CHRIST

I go to Christ because I find there peace, a respite from secret burdens of the heart, a resting from human labors, separation from the uproar of life.

I go to church because I like to hear the teachings of the preacher whose soul is dedicated to God, whose field is as wide as God's universe, and whose theme is the destiny of man.

I go to Christ because the way is dark and I am far from home, and because Christ is the polar star to light, the pathway in the rayless night.

I go to church because I hear the teachings of the philosophy of Jesus, the incomparable man.

I go to Christ because in that atmosphere vice and crime wither and die.

I go to church because I like the music. I like to join in that choir of divine stringed instruments—the human voice, in singing, singing praise to the Omnipotent Maker of the uni-

verse. I go to Christ because I find there consolation, and hope, because I see there the dawn and not the sunset, for He is the only person worth talking about, or thinking about, and I want to be sure, very sure that nothing, not even the church comes between me and Christ.

Since Taking Tanlac Mrs. Rollins Feels Better Than in Twenty Years

"I am seventy years old and have been in poor health for a good many years, but since taking Tanlac I feel better in every way than I have in twenty years," said Mrs. M. B. Rollins of 110 West 39th street, Seattle, Wash., recently.

"For twelve years", she continued, "I suffered constantly from stomach trouble and what I ate caused me so

much misery that I dreaded to see meal time come. I suffered terribly from rheumatism and sometimes my feet and legs were so badly swollen that I couldn't use them at all. My nerves were in such an awful condition that the slightest noise would upset me and I could never get a good night's sleep. I became so weak and rundown that I gave up and went to bed where I lay for five long weeks.

"I heard so much about Tanlac that I asked my son to get me a bottle and after taking a course of the medicine I am perfectly well again. I feel twenty years younger and am strong enough to do all my housework without any trouble. My appetite is fine, I eat anything I want and never suffer any pain afterwards. The rheumatism has entirely gone, my nerves are all right and I sleep like a baby every night. The way Tanlac has overcome my trouble and built me up is like a miracle and any medicine that will do that much for a person of my age is worth its weight in gold."

Tanlac is sold by leading druggists everywhere.—adv.

SPEAKING OF FURS

The exhibition of furs is a most satisfactory one. Indeed, we may say the showing of furs in this store will compare favorably with that in many much larger cities than Hendersonville. And we need to say that the prices are very much lower!

Lower expenses, you know, and equally good purchasing power accounts for this.

Furs never go out of style. The modes are smart, the variety excellent.
