THE PRAYER CORNER REPORT

GOD'S PEACE

I am happy and at peace, because I know He is here, and watches over all his own.

These were the words of a soldier of France, who asked to be allowed to fight the battles of his fatherland, although his time to take his place in the ranks was not due for another

In his letter home, he told his belief, that when entering the army one must immediately take a positive at-

He was true to his purpose, not only by spoken word, but by expression and action. Wherever he went, he was a source of wonder to his comrades. One of these, a simple peasant, watched him, heard him ian hummed, and the act gave him courage. Officers, as well as enlisted men, were moved by his calmness. One night, just before a battle, the major and the soldier prayed to-The Commencement Exercises of gether and the peace of the young child, because the possession of the

Just before leaving for the front the addier wrote: "There is also and always that peace which passeth ad understanding, and which he has could not be shaken; his expression constructed well had in select an outlit that will give now reat topic of the day, allying theat of it was positive. "Filmow with an element, Also the Live sto have in a curving and satisfaction, All such select proper con at these subject unrelacreable knowledge and and action Montany April 23, Trevard, spec.
