SHOWER BATHS

as adjuncts to the regular morning "tub" are winning their way to popularity because they have a real health value in your daily hygiene. We fix up these "showers" in bathroom plumbing when so desired, and do all our plumbing in a thoroughly practical and expert fashion, though our charges are moderate.

Ask About It

Ask the men who have made a success in life about how they did it. It's something worth knowing.

Nine out of ten will tell you that they owe their start to the fact that they formed the saving habit early in life and placed their savings in a reliable bank like ours. It is a good thing for them, why wouldn't it be the same for you. No matter how small the amount, we invite you to start.

KEEP YOUR VALUABLE PACKAGES IN ONE OF OUR SAFETY DEPOSIT BOXES.

Brevard Building And Loan Association

If you save money this month, next month, and every month for a few years, you'll know later that the effort was worth all it cost you.

That's the beauty of a share account in our Association. We urge Regular Saving—Every Month Saving. It's the steady continuous pull that counts.

The basic plan of the Building Association is continuous thrift. You invest your savings without ceasing, if possible, and without ceasing we add earnings.

NEW SERIES OPENS SEPT. 18th.
