

## MOODY INSTITUTE TO DRAW THROUGHS

Next Sunday Starts Two Weeks' Session of Bible Study And Lecture

### GREAT SPEAKERS ARE ON INSTITUTE PROGRAM

Local Churches And Civic Organizations Backing the Movement—General Interest

Plans are now practically perfected for Brevard's first Bible conference of the Moody Bible Institute, of Chicago, which will begin here next Sunday afternoon, July 24, in a two weeks' session. Three services each day will be held, all being in the high school auditorium and free and open to the general public.

The committees appointed to assist Director W. Earl Robinson in the work of the Bible conference met on Monday evening at the Baptist church, at which time Mr. Robinson issued general instructions covering the responsibilities of the local men and women who will contribute largely to the success of the conference. The committees are composed of five members each, being one from each of the four churches in Brevard and one from the Chamber of Commerce. It is these institutions, representing the business men and the churches of Brevard, that are sponsoring the conference.

Prominent speakers in religious and educational fields from various sections of the country will be heard at the different sessions, and a large choir made up of singers from the different churches will furnish music for each session of the conference.

Following is the program for the opening week, beginning July 24:

**Sunday, July 24**  
3:00 p.m. Opening session of Conference. Address by Dr. S. E. Long, of Indianapolis, Ind.

7:45 p.m. Song Service, congregation and large chorus choir. Sermon by Dr. Henry Ostrom, of Chicago.

**Monday, July 25**  
9:30 a.m. Boys and Girls meeting, conducted by Mr. and Mrs. Robinson. All home and visiting boys and girls invited.

3:00 p.m. Dr. Long, Bible hour.  
4:00 p.m. Dr. Ostrom, Address.  
7:45 p.m. Song Service.  
Dr. Ostrom, Sermon.

**Tuesday, July 26**  
9:30 a.m. Boys and Girls meeting.  
3:00 p.m. Dr. Long, Bible hour.  
4:00 p.m. Rev. Louis Entzinger, foremost authority on the Sunday School.

7:45 p.m. Song Service.  
Dr. Ostrom, Sermon.

**Wednesday, July 27**  
9:30 a.m. Boys and Girls meeting.  
3:00 p.m. Dr. Long, Bible hour.  
4:00 p.m. Rev. Louis Entzinger on the Sunday School.

7:45 p.m. Song Service.  
Dr. Ostrom, Sermon.

**Thursday, July 28**  
9:30 a.m. Boys and Girls meeting.  
3:00 p.m. Dr. Long, Bible hour.  
4:00 p.m. Rev. Louis Entzinger on the Sunday School.

7:45 p.m. Song Service.  
Dr. Ostrom, Sermon.

**Friday, July 29**  
9:30 a.m. Boys and Girls meeting.  
3:00 p.m. Dr. Long, Bible hour.  
4:00 p.m. Evangelist W. S. Colegrove, of Grand Rapids, Mich., address.

7:45 p.m. Song Service.  
Rev. W. S. Colegrove, Sermon.

**Saturday, July 30**  
3:00 p.m. Dr. Long, Bible hour.  
4:00 p.m. Rev. W. S. Colegrove, address.

7:45 p.m. Song Service.  
Rev. W. S. Colegrove, Sermon.  
(No meeting for Boys and Girls).

## JUDGE W. E. MOORE TO PRESIDE HERE

Judge Walter E. Moore will hold the next term of court, which convenes here the first week in August. There are a large number of important civil cases to be tried. Judge Moore is well known here and members of the local bar, as well as citizens generally, are always glad when the genial judge from the Murphy branch is to preside at a term of court.

## CAMP ISSUE OF THE BREVARD NEWS

Next week's Brevard News will be devoted to the activities of the camps in this section. There will be a special page devoted to Camp Chickasaw and to Eagles Nest camp, while news of other camps will be carried.

Transylvania people fully appreciate the tremendous value of the summer camps to this section, and it is the desire of The Brevard News to properly convey this spirit of appreciation which prompts the devotion of so much of the space in the paper to the activities of the camps. Incidentally there will be practically 2000 extra copies of The Brevard News published next week, in order to supply the mailing list furnished by the camps.

## LOCAL BOY MEETS SERIOUS ACCIDENT

Mystery at first surrounded the serious injury of Bill Brinkley, the 21-year-old son of Mr. and Mrs. Charley Brinkley, of North Brevard, when he fell from a moving Southern freight train two miles from Hendersonville Sunday afternoon, and was taken in an unconscious condition to the Patton Memorial hospital at Hendersonville, where he remained unconscious for 18 hours, and his identity was unable to be solved. After regaining consciousness for a short time on Monday, the young man gave to hospital authorities his name and address.

Young Brinkley suffered a fractured skull and serious internal injuries as result of his fall, and little hopes at first were entertained for his recovery, but later reports state that his chance for recovery are more hopeful.

It is thought that the young man, while riding this southbound freight, had intended to get off at Hendersonville and come on to Brevard, and after discovering that the train did not stop at Hendersonville, he made the daring jump, which almost proved fatal.

The first speaker of the occasion was Attorney R. H. Ramsey, who spoke of the high standards for which to strive in the field of law. This was followed by O. H. Orr, speaking on the measure of a man

By a business standpoint; Rush Whitmore, on high standards in the automobile business; J. S. Silverstein, on high standards in business in general; Rev. O. L. Simpson and Rev. V. A. Crawford spoke on different phases of the question of the relationship of religion as applied to modern business methods; W. Earl Robinson, director of the Moody Bible Institute conference to be in session here the next two weeks, made announcement of the coming event and spoke of the splendid cooperative spirit he finds in Brevard, predicting that the Brevard conference will be one of the best held during the year by the Moody Institute people; J. W. James, of Asheville, a guest of J. H. Tinsley, stressed the necessity of obeying high standards in the insurance business.

The songs sung during the evening, led by song leader, Rev. W. H. Hartsell, prove an attractive feature of the evening's program.

## DR. HENRY OSTROM

Member of Extension Staff of the Moody Bible Institute of Chicago, author, evangelist and Bible teacher known from coast to coast. Dr. Ostrom will speak daily for four days at the Brevard Bible Conference.

## BEANS SHOULD BE BURNED AT ONCE

County Agent Away With Club Children—Poor Corn Crop, In the County

(By L. A. AMMON)  
In traveling about, I see many patches of beans that should be pulled up and burned. If you do not you will soon have another generation of hard backed beetles, and a few days later more eggs, and then more woolly ones. Now is the time to hit and hit hard. It is up to you whether we have a large number for the late crop of beans or not. It will be time well spent if you will look after those dead vines soon.

The most oft asked question the past week, "Are we going to ship potatoes this year?" Yes, as soon as the skin is a little tighter, and less danger of them heating in the car. The market situation is being investigated by Mr. Yongue, and about the middle of August we hope to begin moving them. Speak to Mr. Yongue or the County Agent if you wish to sell this fall.

Last report of the government on the potato crop gives a good chance, at another big crop, so we had better take what we can get and move them before the middle of October.

Tuesday the Agent and the club children will drive over to Rocky Bottom for four days stay. Henderson county joining us.

Since my wife is away for a month, you will have some difficulty in reaching me over the phone. Will be at home late evenings and up to about eight in the mornings.

Examination of Mr. C. F. Woodfin's corn where the lice and root worm was doing much damage, shows that the soda, (nitrate), has done good work and will pay for itself many times. This is two that have tried it with good effect. Corn on loose, puffy land that is small, yellow, and streaked, should be examined for lice on the roots. If found add about one table spoon of nitrate of soda per stalk, which is about 100 pounds per acre.

Government report on corn shows the poorest crop since 1901, which is a rather poor showing.

If growing out pigs at nine cents per pound will give you two dollars per bushel for corn, why on earth don't more of you jump at the chance to make money?

Don't forget the meetings for the week of July 25th, as we want large crowds out, to hear the best men of the county and state, talk about your chances in shipping cream.

The creamery talk has brought one inquiry from a large concern, wanting to start a creamery somewhere up here. One application for boss of the proposed creamery received at Chamber of Commerce. Your chance to show the country what you can do.

## LOCAL BOY MEETS SERIOUS ACCIDENT

Mystery at first surrounded the serious injury of Bill Brinkley, the 21-year-old son of Mr. and Mrs. Charley Brinkley, of North Brevard, when he fell from a moving Southern freight train two miles from Hendersonville Sunday afternoon, and was taken in an unconscious condition to the Patton Memorial hospital at Hendersonville, where he remained unconscious for 18 hours, and his identity was unable to be solved. After regaining consciousness for a short time on Monday, the young man gave to hospital authorities his name and address.

Young Brinkley suffered a fractured skull and serious internal injuries as result of his fall, and little hopes at first were entertained for his recovery, but later reports state that his chance for recovery are more hopeful.

It is thought that the young man, while riding this southbound freight, had intended to get off at Hendersonville and come on to Brevard, and after discovering that the train did not stop at Hendersonville, he made the daring jump, which almost proved fatal.

The first speaker of the occasion was Attorney R. H. Ramsey, who spoke of the high standards for which to strive in the field of law. This was followed by O. H. Orr, speaking on the measure of a man

By a business standpoint; Rush Whitmore, on high standards in the automobile business; J. S. Silverstein, on high standards in business in general; Rev. O. L. Simpson and Rev. V. A. W. James, of Asheville, a guest of J. H. Tinsley, stressed the necessity of obeying high standards in the insurance business.

The songs sung during the evening, led by song leader, Rev. W. H. Hartsell, prove an attractive feature of the evening's program.

## CYCLONE MACK TO HOLD REVIVAL HERE

Rev. Baxter McLendon, known to tens of thousands of people as "Cyclone Mack," will begin a revival in Brevard on Sunday, August 7. A big tent will be erected on the vacant lot belonging to Mrs. Beulah Zachary, next to the Baptist church. This announcement will delight hundreds of Cyclone Mack's friends, and it is expected that people from all over the county, and from Hendersonville and Asheville will attend the revival services.

## MR. EARL W. ROBINSON

Member of the Extension Staff of the Moody Bible Institute of Chicago. He will direct the Brevard Bible Conference.

## GREAT SYSTEM FOR THE BREVARD BANK

Public Demonstration Next Saturday—Everybody Invited—Hundreds Are Expected To Attend

Next Saturday will be a great day for the Brevard Banking company, when a factory representative will demonstrate the workings of the McClintock Burglar Alarm System, which has just been installed in the bank. This system is said to be almost human in its automatic protection of the bank. A sound even will start the alarm; excessive heat will also start the signaling. In fact, it is said, there is no chance whatever of tampering with the bank vault in any manner without the alarm sounding.

All citizens of the county have been invited by the bank to attend the public demonstration next Saturday.

In an interview concerning the new banking structure with Mr. Thos. H. Shipman, he expressed the following view of the officers regarding vaults.

"The vital part of a bank is its vaults. These are stored not only the records and monies of the bank itself, but also the valuable possessions of safe deposit box customers, which we consider more important than the bank's cash. Therefore, in the planning and construction of our new bank building every consideration has been given to the safety and security of our vaults.

"Not satisfied with thick walls and heavy entrances, a contract has just been made with the O. B. McClintock company, the largest bank vault burglar alarm manufacturers in the world, to electrically protect our vaults.

"The entire surface of the walls, ceiling and floor are to be surrounded with electrically sensitive protection. The vault doors are protected against attack of any kind.

"No gang of yeggs with their disastrous burning outfit, commonly termed by insurance companies as the 'torch of hades' will attack our bank because it is well known among those of the underworld that tampering with a McClintock electrically protected vault spells positive defeat. Records show that more than forty-five bank burglars, holdup men and their associates have been killed or imprisoned through the means of 'McClintock' alarms.

"Automatic supervision provides a strict check up on the officials of our bank so that at no time could our vaults be left for the night without being perfectly and properly safe-guarded.

"Any attack made on the vaults of this bank will immediately cause an alarm from the heavy gong installed in its electrically protected housing on the outside of the building—any attempt to destroy or silence this big gong will at once cause the alarm to sound.

"This wonderful system of electrical protection is recognized as the finest thing of its kind. Vault engineers, architects, bankers and burglary insurance companies have given it their approval. It is passed by the Underwriters' Laboratories in the highest rating, that of Grade 'A'.

The officers and directors of the Brevard Bank are to be commended for their high regard of their responsibilities and for the length to which they have gone in providing the very utmost in vault protection.

## WILKINS MEN IN SPLENDID MEETING

Charlie Wilkins, manager of the Western North Carolina territory for the Security Life and Trust company, of Winston-Salem, was in his seventh heaven of delight last Friday evening, when he held a boosters' meeting of his agents at Highlands. As guests of honor Mr. Wilkins had C. C. Taylor, vice president and general manager of the company, and Mr. Harrison, actuary of the insurance company.

Agents working with Mr. Wilkins from all the western counties were present, including Clarence Fisher, A. E. Hampton, and W. E. Ramsey, of Brevard, and numbered as the most successful representatives of the company, J. E. Frazier, Brevard lawyer, who is connected with the company in legal capacity was present.

The mayor of Highlands was a guest of honor, and spoke feelingly of the work being done by the representatives of Security Life and Trust company in his section, and welcomed the visitors to Highlands.

Vice President Taylor paid high tribute to Mr. Wilkins and his agency force, saying that no section of the country is responding quite so loyally to the appeals of his company as the Western section of North Carolina.

Mr. Wilkins maintains district headquarters in Brevard, and is instrumental in keeping on deposit in the Brevard banks much money that is of material benefit to this section.

James F. Barrett, editor of The Brevard News, was one of the speakers of the evening.

## KIWANIS CLUB IN IMPORTANT MEET

Despite the inclement weather prevailing at the time of opening of the Kiwanis meeting Friday night, the true Kiwanis spirit was nevertheless demonstrated, in that a large number of members were present to participate in and enjoy the splendid program on Business Standards, as arranged and presided over by D. G. Ward.

Quite a number of local and out of town speakers took part in the program and spoke on different phases of standards, as applied to professional and religious activities as well as to those of a strictly business nature.

The first speaker of the occasion was Attorney R. H. Ramsey, who spoke of the high standards for which to strive in the field of law. This was followed by O. H. Orr, speaking on the measure of a man

## MR. EARL W. ROBINSON

Member of the Extension Staff of the Moody Bible Institute of Chicago. He will direct the Brevard Bible Conference.

## GREAT SYSTEM FOR THE BREVARD BANK

## TO HEAR COMPLAINTS OF TAX ASSESSMENTS

On Saturday, July 30, the board of county commissioners will meet for the purpose of hearing any criticism or complaints concerning the new tax assessments made this summer. The special committee named several days ago and charged with making the levy by township has completed its work, reported to the commissioners and has been discharged.

The county commissioners constitute board of equalization, and Saturday, July 30, has been set aside for this work.

## FEW MAIL ROUTE TO GREENVILLE

Gives to Brevard the Best of Mail Facilities—Several Hours Chopped Off

Brevard made another great step forward last week when the United States government established a star mail route between Brevard and Greenville, S. C., which also serves Cedar Mountain and Caesar's Head and all points between this town and Greenville. V. Bunyan McGaha, of Brevard, was awarded the mail contract, which will be tried out for a few months, and if it proves of value to the two cities and the places between, the service will be continued as a definite route.

A star route between Brevard and Greenville has been sought for several years. A few weeks ago Congressman Zebulon Weaver came over from Asheville and with several Brevard citizens went to Caesar's Head, where a meeting was held with Congressman McSwain and many leading citizens of Greenville. Plans were adopted at that meeting looking to the establishment of the star route. This prompt action once again demonstrates the effectiveness of co-ordinated action in securing things needed by a community.

The star route to Greenville shortens the mail time between the city and Brevard by many hours. Mail from New York comes direct to Greenville, and a few hours later is distributed in Brevard. Heretofore the mail had to be sent from Spartanburg, by Hendersonville and then to Brevard, or else switched off at Salisbury, sent by Asheville, and then to Brevard.

Following is the new schedule of arrival and departure of mails into and out of Brevard.

Daily Schedule	
Arrivals	Departures
10:00 A. M.	8:30 A. M.
11:30 A. M.	9:00 A. M.
2:00 P. M.	2:30 P. M.
6:30 P. M.	4:00 P. M.

Sunday Schedule	
Arrivals	Departures
11:30 A. M.	8:30 A. M.
2:00 P. M.	9:00 A. M.
6:30 P. M.	4:00 P. M.

## LOCAL HOSPITAL ADDS LATEST X-RAY

Makes of Transylvania Hospital One of Best Equipped of All Towns

Transylvania hospital has just had installed in its recently acquired home on Broad street an X-ray machine of the latest device, thus placing this hospital in the front ranks of similar privately owned institutions in the state, insofar as equipment is concerned.

The machine, which is on the first floor of the hospital, was purchased from Kelley-Koeth company, Covington, Ky., and was installed by Engineer John Pfeiffer, of this company. It is said to be one of the most up-to-date and most thoroughly equipped machines to be found on the market, with generator, transformer, aerial tubes and all necessary equipment to carry on all work for which such machines of the latest model are made.

This new equipment added to the Transylvania hospital makes of this institution one of the most modern hospitals to be found in any town of the size of Brevard in the United States. People of this section take an especial pride in the Transylvania hospital, because of the fact that Dr. T. J. Summey, a Transylvania boy, is at the head of the institution. Associated with Dr. Summey is Dr. G. B. Lynch, and working in cooperation with the hospital are practically all of the doctors of the county. Transylvania hospital serves not only Transylvania county, but the upper end of Henderson and a section of Jackson and Macon counties. The institution is now filled with patients, and plans have been announced for the enlargement of the present building.

Transylvania hospital means much to this section in addition to its ability to properly care for the citizens of the county, on account of the fact that this is a tourist resort. People spending time away from home always take into consideration the hospital facilities, and the splendid reputation of the Transylvania hospital gives assurance to tourists that in the event of accident and sudden illness, Brevard is amply able to take care of any situation that may arise.

## BREVARD HAS BEST MAIL SERVICE YET

Great Meeting Held at C. of C. Shows Tremendous Slide This Town is Making

## FEW ABSENT ON ONE ACCOUNT AND ANOTHER

Report on Industry Made in Secret—Big Meeting Expected on Next Tuesday Night

Brevard's spirit was in the ascendency at the meeting of the Chamber of Commerce Tuesday night, when members of the executive board met in regular meeting. Reports were made of the progress that certain measures had made, and the auditors' report was read, and the minutes were all but deafening. Some members were absent because of other engagements that meant much to the town and county, while a few absentees were noted because of the fact that nothing of especial interest to their personal benefit had been announced for the meeting. Those absentees were noted, and excused on the ground that it is impossible for some people to have any interest in anything except it contain a direct personal advancement to such people.

Roscoe Nicholson, postmaster extraordinary and citizen plenipotentiary, reported for the committee having in charge the securing of the star route between Brevard and Greenville. This report has a high lights the following:

"Brevard now has the finest mail service of any resort town in Western North Carolina. While our afternoon mail used to close at 2 o'clock in the afternoon, today 1500 letters are dispatched to their various destinations that were mailed at that hour.

This new addition to Brevard's appeal to the tourist was received with the greatest applause. Ed McCoy, postmaster at Pisgah Forest, told of how much good this new route would be to the people, is of office served. Lewis P. Hamlin, Alex H. Kizer and Roscoe Nicholson constituted the committee which brought about this happy condition for this section.

One of the pleasant portions of the report of this committee was that dealing with the additional mail service afforded Lake Towaway, Rosman and those sections above here. This new plan gives additional mail facilities to all sections of the county, and it was this great service which gave so much pleasure to the officials of the Chamber of Commerce.

One of the finest results of the meeting was the discussion of the letter received from a big creamery concern which is anxious to locate a plant in this county. This offer came because of the activity of the Chamber of Commerce in the establishment of a creamery in Transylvania county.

The industrial committee which was in charge of the negotiations with manufacturers who would like to locate in this section made report. This report is not ready to give to the public as yet, and only those who attended the meeting Tuesday are allowed to know just what work has been done along these lines.

It was decided to hold another meeting next Tuesday evening, at which time many matters of importance will be discussed and acted upon. It is expected that the question of the nine months school and its possibilities will be discussed at this meeting. All members are expected to be present at the meeting next Tuesday evening.

## HOUSTON COMES TO BREVARD BUSINESS

One of the interesting business deals in Brevard during the recent months was the sale of the Medford Furniture company store to Mr. A. H. Houston, of Canton. The Medford people, under the local management of Mr. Cordell Russell, has built up a splendid furniture business in this town and county. The coming of Mr. Houston, well known in Brevard, is a guarantee that the high standard of service set by the Medford Furniture company will be maintained in the future.

Mr. Russell, who is a partner in the chain of stores operated by the Medford Furniture company, was very popular in business circles here, and in social circles was well known. Mr. Russell's marriage a few weeks ago to Miss Helen Duckworth was one of the social events of the season.

While Brevard regrets to give Mr. and Mrs. Russell up to Canton, it is nevertheless, happy to have Mr. and Mrs. Houston as citizens, especially in view of the fact that Mrs. Houston is a daughter of Mr. W. L. Aiken, of Brevard.

## MRS. HARTSELL HEADS COUNTY W. M. U. GROUP

At the recent meeting of the Transylvania county W. M. U. held at the Little River Baptist church, the following officers for the ensuing year were elected: Associational superintendent, Mrs. W. H. Hartsell, Brevard; secretary, Mrs. J. L. Gillespie, Cherryfield; treasurer, Mrs. Talley, Penrose; young people's leader, Mrs. Ralph Ramsey, Brevard. The next annual meeting will be held at the Calvert church.
