

\$10,000 LEFT BY MRS. LATHROP FOR BREVARD CHURCH

St. Philips Episcopal Church Remembered In Will of Faithful Member

THE LATHROPS LOVED CHURCH OF THEIR CHOICE

Personal Items In Woman's Possession Bequeathed to Her Close Friends

Beautiful, indeed, was the expression of love which the late Mrs. Clare F. Lathrop expressed for the church which she served so faithfully in life, when at her death she left the sum of \$10,000 to St. Philips Episcopal church of Brevard.

St. Philips has just completed a beautiful new church building of native stone. The building, grounds and furnishings are valued at \$50,000.

Many other provisions of the last will and testament of the departed woman who was so well loved here are characteristic of her thoughtfulness.

BELIEVED Y. & B. CORPORATION WILL BE PLACED ON FIRM BASIS

Meeting of Stockholders Inspired By Report of Receiver Shuford—Transylvania Man Placed on Committee—Suits Instituted Against Yarbrough for Return of Certain Money.

With a pillar of fire by night already prepared and with a new Moses to lead them, the bewildered stockholders of the defunct Y. & B. Corporation took hope yesterday as a new element in their march through the wilderness of financial misfortune and began to believe that, perhaps, after all, they might get their company back as a reorganized, going concern.

Receiver W. J. Shuford offered the pillar of fire in the suggestion that two ways might open to restore the company to eventual solvency, and W. M. Cowbig, prominent local railroad official, accepted the chairmanship of the stockholders' committee, which has been fighting to conserve the stockholders' interests.

Would Salvage Same About 100 stockholders were present yesterday afternoon at the called meeting at the Mecklenburg court house to discuss ways and means of preventing the creditors from rushing through their proposed sale of the plant and business and thus, in the stockholders' view, prevent salvaging the milk distribution business from the hopelessly gone other phases of the corporation.

Glazener On Committee J. Louis Carter, who had been serving as chairman of the committee, reminded the stockholders that he was not a stockholder and should be relieved of the duties as chairman.

TO ORGANIZE NEW LEAGUE HERE AS RESULT OF MEET

Large Crowd of Interested Citizens Attended Mass Meeting Saturday

RAOUL AND HENDRICKS AS PRINCIPAL SPEAKERS

Citizens and Tax Payers League To Be Non-Partisan—Apply For Charter

Transylvania county is to have a "Citizens and Tax-payers League," as soon as proper steps in the organization of the league can be taken. This action was decided upon in a large crowd of interested citizens who attended a mass meeting held in Brevard last Saturday afternoon, which had been called for the purpose of discussing the advisability of organizing the league here.

M. W. Galloway was elected temporary president of the organization, with R. Y. Neel as temporary secretary. A number of interesting talks were made by citizens of the county, the principal addresses being delivered by Thomas Wadlet Raous, vice president of the Buncombe county league, and W. C. Hendricks, secretary of the Buncombe county body. These visiting speakers gave much information to the Transylvania county citizens as to the best method to pursue in forming the league and in lending its influence to the betterment of public affairs in town and county. The visitors told of the great good accomplished in Buncombe county through the league in operation there.

As soon as a charter can be procured, application for which will be made immediately, it is said, the organization will be perfected and it is predicted that several hundred citizens will be enrolled as members in a very short time.

Some of the objects and purposes of the league, as stated by interested men, are as follows:

"To aid in every way possible in procuring the most economical and efficient administration of the affairs among the citizens of the county to the end that honest, efficient, progressive and economical administration may be maintained.

"To gather and disseminate information and data in regard to administration, financial status and government of both county and town, and also to inform and advise with the citizens and taxpayers concerning such matters as the league deems to be of interest to them."

The league, it is said, will be a non-partisan organization, and will affiliate itself with no political party, faction or clan, but will exercise its privilege, should it so desire, to make inquiry at any time of any candidate as to his position on any question or questions that are of interest to the citizens and taxpayers of the county.
