REV. R. O. FRANKLIN
Music Director, Bible Institute.

IRONSIDE DRAWS LARGE AUDIENCES

Dr. Conant Pleasing Speaker—Daily Sessions Largely Attended

Sessions of the Moody Bible conference will come to a close Sunday night with the final address by Harry A. Ironside, of Oakland, Calif., who has been addressing the conference during the past week. The meetings are being held in the Brevard Baptist church, with two daily sessions each morning at 10 o'clock and each evening at 8 o'clock.

The second week of the Bible conference started last Sunday, with Mr. Ironside delivering the address Sunday night at the Baptist church. The meeting was in the nature of an evangelistic service, the speaker delivering a forceful and comprehensive sermon on the subject of salvation. At the morning hour of worship the Rev. R. O. Franklin, music director of the conference, and pastor of the First Presbyterian church of Erwin, Tenn., filled the pulpit at the Methodist church, delivering an inspiring and informative address on the mission field of Siam, where he was stationed as a missionary for a number of years.

On next Sunday at 6 o'clock, the Rev. Mr. Franklin will hold a young peoples' missionary rally at the Methodist church, going further in detail concerning the mission field of Siam. It is expected that a large number of young people of the different denominations of the town will be in attendance at this meeting to hear this man of God speak of his interesting experiences and facts relative to this little-known mission field. The meeting will be from 6 o'clock to 7 o'clock.

Mr. Ironside is conducting the Bible exposition hour at 10 o'clock each morning this week, while the Rev. J. E. Conant, of Chicago, is giving the inspirational address each morning at 11 o'clock. These two nationally-known speakers and Bible teachers are alternating at the evening service each night through the week. Mr. Ironside will be the speaker at the Thursday, Saturday and Sunday night services, while Rev. Mr. Conant will speak on Friday night. All meetings are held in the Baptist church.

KIWANIS CLUB TO MEET AT F. B. CAMP

Ladies to Accompany Members as Guests of Major Raines

With a double treat in store for members of the Kiwanis club, it is expected that a full attendance will mark the meeting Thursday evening at 7 o'clock, when the club will be guests of Major H. E. Raines at French Broad camp. The meeting will also be observed as ladies night, and the members are expected to take their wives or sweethearts. French Broad camp in addition to serving the dinner will also put on a program for the evening.

OFFICERS GET TWO STILLS AND 4 MEN

W. W. Owens, prohibition officer, with the assistance of Sheriff Sitton, Charlie Jimison and Eck Sims, has been working havoc among the makers of liquor in this county and in South Carolina. Henry Green, alias, was arrested at a still near Caesar's Head last Saturday, and Odell Dill, wanted by the officers, is said to have made his escape at the time. Roy Whitesides, Brevard negro, was arrested, charged with possession of liquor, having, it is said, two and one-half gallons of the liquid made by Green.

LAST WEEK OF BIG SALESMANSHIP CLUB NEARS END; ALL MEMBERS DETERMINED

Closing Rules of the Salesmanship Club Are Announced—Members Are Making the Last Few Hours of Campaign Count the Most for Them—Big Circulation Campaign Comes to Definite End Saturday Night, 9:00 O'Clock

Rushing through the last hours of a furious race for supremacy while time is ticking off the precious minutes, members of the Salesmanship Club in which a \$2500 prize list will be distributed after Saturday night, will shortly wind up one of the greatest newspaper campaigns in the history of this section of North Carolina. Into every home of this section has spread the news that the "Golden horn of plenty" is about to be tipped over and the hurry and scramble to come under its beneficence is precipitating a veritable storm of votes.

Topping the list of rich prizes is a wonderful Chevrolet Sport Sedan, valued at \$829.00, and as second prize a Ford Tudor Sedan, valued at \$594.00 is offered. These cars have won the admiration of thousands of people.

Surprises in vote gains are being sprung by members all over the field. Already the mails are swelling with the volume of votes and subscriptions that are being sent in on the final report, but the height of this remarkable battle will be attained Saturday night, ending in one grand spur, when the call of "time" is shouted.

Candidates Are Working "Work without rest" is the portion the members have picked out for themselves during the last few days, for the extreme uncertainty of just how many votes each member may have makes it urgent that everything possible be done to make sure of victory. Predictions are, of course, being made, but the ultimate outcome is something no human can forecast. Certain it is, though, that two of the members will be proud owners of the two best prizes. Others will be the happy recipients of the other prizes and still others will win cash commissions.

Everything in the campaign territory pertaining to the Salesmanship Club is in orderly turmoil. Excitement has become feverish and members are working like beavers to make their efforts count. The outside districts are supporting their favorites nicely and they seem determined that their candidates will come out victorious.

Some of the members far down in the list have seen their opportunity and are taking advantage of it. "There's many a slip 'twixt the cup and lip," and likewise, many a slip is possible before the close of the campaign. A member who rests now after making a good showing thus far is going to be passed by some other candidate who has been busily taking advantage of the final vote schedule and "Second Payments" this week.

To Be One of Most Wonderful Displays Ever Seen in W. N. C.

Brevard's second annual flower show will be held next Wednesday, August 22, in the vacant room formerly occupied by Plummer's store, under the auspices of the Women's Bureau. The opening hours will be from 3 to 6 o'clock in the afternoon and from 8 to 10 in the evening. A nominal admission price of ten cents will be charged, to help the Bureau in defraying the expenses attached to the show.

Breese is general chairman in charge of the flower show, and those desiring further information concerning the exhibits may communicate with her or any member of the soliciting committee, including Mrs. Perry Galloway, Miss Rose Shipman, Mrs. Beulah Zachary, Mrs. H. A. Plummer, Mrs. R. Y. Neel, Mrs. Jess Picklesimer, or other members of the committee—Mrs. O. L. Erwin, Mrs. T. H. Shipman, Mrs. C. E. Orr, or Mrs. Adeline Garrett.

The committee in charge requests that those making entries bring all potted plants to the exhibit room on Monday and Tuesday, and that all cut flowers be brought Wednesday morning, not later than 11 o'clock. It is desired that all entries be brought not later than 11 o'clock Wednesday morning, so that they can be classified and tagged in time for Mr. Buseck to begin his work of judging the exhibits by one o'clock at the latest.

Ribbons for first and second winners will be awarded for the best collection of single varieties of cut flowers, ferns, potted plants, and for the largest collection. Any kind of home-grown flowers, potted plants, ferns or wild flowers will be acceptable for entry in the show, which is open to all people of the town and county to make entries of any kind for exhibition. TOURISTS TO BE GUESTS OF CLUB

Chamber of Commerce and Country Club Joint Hosts

Friday afternoon, from three to five o'clock, will witness a large gathering at the Brevard Country club, when members of the Chamber of Commerce and members of the Brevard Country club will act as joint hosts to the visitors now in this section. The purpose of the meeting is to bring the visitors together so they may know one another and that the citizens of the community may have the opportunity of meeting more of the visitors and tourists.

Invitations have gone to all hotels, boarding houses and apartment houses, asking the proprietors and managers to bring all their guests to the Country club for the meeting. All members of both organizations are expected to bring their wives and any guests visiting in their homes.

Refreshments will be served during the afternoon, under direction of Mrs. Harry Patton, hostess at the club house.

The Country club is one of the most beautiful places in this whole section. Many of the hundreds of visitors and tourists in this community have not as yet seen the beautiful section in the lower end of the section about the Country club. Directors of the Chamber of Commerce are very anxious that all visitors know just how much their community has to offer, and a meeting, in an informal manner, and provide an opportunity for the tourists to meet each other and the community residents of the town.

It is expected that the Country club will be a most successful event.

COMPLETE PLANS FOR CIRCLE MEET

Program Outlined for Opening of Great Woodmen Circle Convention Here

Plans are rapidly nearing completion for entertainment of the big convention of the Woodmen Circle, which convenes at Camp Sapphire on the 26th, when the first group of delegates are scheduled to arrive. New Orleans delegation will be the first on the scene, 25 women from the Southern city to reach the camp on the 26th.

On Thursday, August 30, "Carolina Day" will be observed, and it is expected that many delegations from Woodmen camps and Woodmen circles in the two Carolinas will visit Brevard on that day, to give welcome to the visitors who are coming from many states in the union for the convention.

Following is first draft of the program, which is subject to revision, however, as other features might be suggested:

Welcome address on behalf of the state organization of the Woodmen will be delivered by State Manager E. B. Lewis, of Kinston. W. H. Grogan, Jr., district manager, will welcome the visitors on behalf of this district. The state circle will be represented by Mrs. Effie Rogers, of Raleigh, and by "Ma" Griffin of Charlotte. The address of welcome from the Woodmen Circle will be delivered by Mrs. W. H. Grogan, Jr., state auditor.

Mayor T. W. Whitmore will officially welcome all the visitors to Brevard, while Rev. W. H. Hartsell will represent the churches in the welcoming exercises. J. S. FORMER CITIZEN PAYS VISIT TO HOME FOLKS

G. W. Corn, of Forest City, a native of Transylvania county, has returned to his home after spending his vacation here. Mr. Corn was born and raised in Jeter mountain section in the lower end of the county, leaving here several years ago for Forest City, where he made rapid progress in the textile manufacturing business. While here Mr. Corn purchased a Chevrolet car from Whitmore Motor company, and returned to his home in the new car.

A DIFFERENT GREEN SAYS MR. J. H. GREEN

Mr. J. H. Green, representative in Transylvania county for the Raleigh products, is not the Mr. Green referred to in the Brevard News letter of last week. The Brevard correspondent told of a Mr. Green who had purchased a new truck and was hauling logs to Pisgah Forest. Mr. J. H. Green fears some of his customers will think the item referred to him and will gain the impression that he is no longer connected with the Raleigh people. It was another Mr. Green referred to.

CAR DEMOLISHED; 3 MEN INJURED

Studebaker Taken from Local Garage Sunday Night for Ride

JUDE ALBERT MAY LOSE EYE, IT IS SAID

Car Belonged to Mr. A. E. Cameron, Memphis—Hulin in Jail

Jude Albert is in the Transylvania hospital, with a fractured skull, an injured eye that may be lost, a smashed arm and other injuries; his brother, Muller Albert, is at his home suffering head and face wounds, and James Hulin is in the Transylvania county jail, also injured, all a result of an automobile accident which occurred early Monday morning. It is said the three men took a Studebaker car from the Pisgah garage, where Hulin is a mechanic, and went to Asheville Sunday night, experiencing the accident on their return trip to Brevard early Monday morning.

Jude Albert suffered the loss of one arm several years ago, and in the accident Sunday night the other arm was seriously injured.

The Studebaker belonged to Mr. A. E. Cameron, of Memphis, Tenn., and was stored at the Pisgah garage. The car was taken out during the night, without the knowledge or consent, according to Manager Williams, of either the owner or himself. It is said the three men drove to Asheville, and were returning to Brevard. At Etowah the car left the highway, tore up two or three of the highway fence posts, the 2x8 pieces of lumber nailed to the posts being knocked loose, two of which were injected through the windshield, and on clear through the rear of the car, while another piece of the fence timber jammed through the radiator, into the engine of the car. It was almost completely demolished.

Last reports from the hospital were to the effect that Jude Albert, the most seriously injured of the three, had about even chances for recovery, although there is much danger of the loss of one eye.

100 OPERATED ON IN TONSIL CLINIC

Operations for tonsils and adenoids were performed on 100 school children of the town and county during four days last week, the clinic being held under the auspices and direction of the state board of health, cooperating with the local school board.

Operations were performed on 25 children each of the four days, and all proved entirely successful under the efficient care and complete hospital equipment provided by the state board. The operations were performed by Dr. M. S. Brown, specialist of Asheville, with Miss Cora Beam, head nurse in charge.

Coffee and sandwiches were served at 5 o'clock to the mothers remaining in the clinic over night, with their children, by a committee composed of Mrs. Beulah Zachary and Mrs. Oliver Orr, representing the Women's Bureau, which organization sponsored this feature of the clinic.

SCOTTISH RITE TO MEET IN BREVARD

Members of the executive committee of the Association for the Advancement of Scottish Rite Masonry will attend a meeting in the Masonic hall in Brevard on Friday evening, August 31. All Master Masons in the county are invited to attend this meeting, and hear addresses on Scottish Rite Masonry. It is expected that some of the best Masonic speakers in the state will be present and make addresses at the meeting.

In the case of Lelon GE sole vs. R. L. Gash, B. J. Sitten and L. P. Hamlin, the plaintiff lost and was taxed with the costs in the case.
