their
LIVES
are in
YOUR HANDS!

DOWNY LITTLE THINGS... not long out of their shells... how much they must depend on you for the things they need to live and get big. They need a feed filled with nourishment. A feed which will build bones quickly... building muscles strong... change fuzz to feathers in a hurry... all this they demand... and yet their little crops can handle only one tiny thimbleful of feed a day! What a job for feed!

Consider Purina Chick Startena (mash) for this job! In every thimbleful are twelve ingredients! Cod-liver oil... dried buttermilk... alfalfa flour... granulated meat... these and eight others are there... each one with a real job to do. Purina Startena is mixed over and over again... 960 times just to be thorough! And you will find the same care taken with Baby Chick Chow (scratch)... to be fed with Startena.

Your chicks... what they do for themselves... what they do for you... is entirely in your hands. They eat so little... yet it counts so much... that you can afford to do only one thing... feed Purina Chick Startena!
