## ITEMS OF BUDGET GIVEN IN DETAIL

Appropriations Made By the  
County Commissioners for  
Coming Year

## FINAL ADOPTION FOR COUNTY DEPARTMENTS

Shows Considerable Decrease  
In Operating Expense Per-  
mitting Tax Reduction

Following is detailed items of ex-  
pense in county government for the  
coming year, July 1, 1930 to June 30,  
1931, as adopted by the county com-  
missioners on Monday of this week. This  
makes the final adjustment from the  
budget estimates as presented by the  
various units of the county govern-  
ment, after many items had been  
cut from the estimated budgets,  
while others were materially re-  
duced. It is upon this total expense  
that the tax rate of \$1.94 was set by  
the commissioners, as the rate pre-  
vailing for this year.

The full report follows:  
Appropriation Resolution July 1st,  
1930—June 30th, 1931, Transylva-  
nia County, N. C.:

Government, its activities and insti-  
tutions for the year ending June  
30th 1931, the amounts in the fol-  
lowing schedules, or so much of each  
as may be necessary, are hereby ap-  
propriated.

SECTION 2. That for the said  
fiscal year there are hereby appro-  
priated out of the "County General  
Fund" the following:

## MRS. MCARRELL COMES BY AIRPLANE FROM ASHEVILLE

Mrs. S. P. McCarrell, 75 years of  
age, mother of Mrs. Sam Radford,  
came to Brevard from Asheville last  
Monday in the Howard airplane that  
is working this community now. The  
Brevard lady had been visiting in  
Asheville and decided to come home  
through the air. It was her first  
trip by airplane. Lloyd Marshall is  
pilot of the Howard machine, and is  
in Brevard every Saturday and  
Sunday. Many people have been  
taking to the air since Marshall  
started work here.

## PRESERVE, PICKLE, CAN, EVERYTHING

Dry Weather Hurts Crops—  
Prepare Pastures Now,  
Is Advice

(By J. F. CORBIN, Agri. Teacher)  
The mountain section of the state  
has been unusually hard hit with dry  
weather this past few weeks. This  
fact is likely to cause people to  
let up on late plantings of gardens.  
We are apt to have plenty of rain  
from now on, making it possible to  
grow an abundance of food crops if  
we will only get busy and plant  
them at once.

While some crops may yet be  
planted, the most important job now  
is to preserve, can, pickle and store  
away those crops which are now go-  
ing to waste on the farm for winter  
use. Governor Gardner in speaking  
to the agriculture teachers in con-  
ference in Raleigh recently, asked  
that the people be urged to not let  
the abundance of vegetables and  
fruits now in the state go to waste  
but that they be preserved for win-  
ter use. This would be a continuation  
of the Live-at-Home program, and  
the most important part of it. With  
the amount of unemployment in the  
state and the possibility of this con-  
dition existing for some time, we  
should certainly prepare to live at  
home.

Get That Pasture Started Now  
A good pasture is absolutely essen-  
tial for any Live-at-Home program.  
The spring pullets will not lay those  
high priced fall eggs without green  
food.

For temporary pasture: sow mix-  
ture of rye, wheat, barley and  
vetch. A good permanent pasture is  
essential to any kind of live stock  
program and the pasture must come  
before the stock does.

For permanent pasture: sow the  
following seeds per acre and ferti-  
lize: Orchard grass, 4 pounds; tall  
oat grass, 4 pounds; white clover, 1  
pound, and Kentucky blue grass, 10  
pounds.

## VISITORS' DAY AT GOLF CLUB FRIDAY

All Visitors Invited To Play  
This Friday as Guests  
of the Club

Friday of this week will be "Visi-  
tors' Day" at the Brevard Country  
club, when all visitors in the com-  
munity will be guests of the club,  
playing without any green fee  
charges at all. This action was taken  
at a meeting of the directors of the  
club Wednesday, and is being done  
to show the community's apprecia-  
tion to the visitors who have come  
here for their vacations.

Rev. R. L. Alexander was named  
as chairman of a committee on ar-  
rangements, and serving with him are  
the following: W. W. Croushore, R.  
W. Everett, Harry Patton and Jerry  
Jerome. J. S. Silversteen will be at  
the club house all day Friday to ar-  
range plays and greet the visitors.

All tourists in the town and com-  
munity, including the officials of the  
several camps, are invited to play on  
this day as guests of the club. Hotel  
managers and boarding house opera-  
tors are asked to make known these  
facts to their guests, and assure them  
of the welcome that awaits them at  
the club.

The course is in excellent con-  
dition, and many visitors from larger  
cities assert that Brevard has, with-  
out doubt, the finest nine-hole golf  
course in the whole country. It is  
believed that several hundred men  
and women will play the course on  
this Friday, and all members of the  
club are urged to be present and  
play with the visitors and assist in  
making the day one of real enjoy-  
ment to those who are spending their  
vacations here.

## BIG REVIVAL NOW AT MIDDLE FORK

Reports coming from Middle Fork  
Baptist church give accounts of  
wonderful success attending the re-  
vival services being conducted there  
by the Rev. N. H. Chapman. Forty  
additions have already been re-  
corded, it is said, and many were  
baptized last Sunday. Another bap-  
tismal service is announced for next  
Sunday. The church is located on  
the main Rosman-Pickens highway,  
and great crowds are attending the  
services, which are held twice daily,  
at 11 o'clock in the morning and at  
8 o'clock in the afternoon.

Rev. Mr. Chapman is a Transylva-  
nia county man, having been born  
and reared here, and his success as  
a minister is a source of great joy  
to his many friends throughout this  
section. Rev. Jack Eldridge is as-  
sisting the pastor in the meetings.  
The public is invited to attend  
these services and assist in the work.

## COURT ADJOURNS UNTIL DECEMBER

Judge Harding came to Brevard  
Monday morning, opened the July-  
August term of Superior court for  
the trial of civil cases, was in ses-  
sion a few hours, and then adjourned  
until the December term. There were  
but 21 cases on the docket for trial,  
and many of these were not ready,  
and continuances were asked by the  
litigants. Jurors that had been sum-  
moned for the term were on hand  
but none were used.

Quite a number of cases on the  
civil docket have been disposed of in  
the General County court during the  
past weeks, and this contributed to  
the fact that but few cases, compara-  
tively speaking, were waiting for  
trial. Some of the cases docketed, it  
is said, are for the purpose of taking  
non-suit and removing from the  
calendar many cases that have been  
hanging for a long time.

Judge Harding left Brevard in  
mid afternoon Monday.

## AMERICAN LEGION TO STAGE AFFAIR

Thursday evening, August 7, is  
destined to become a red letter day  
in Brevard, when the Monroe Wilson  
Post, American Legion, will stage a  
Junior Beauty Revue at the High  
School building. Children between  
the ages of 3 and 12 years will re-  
present various business houses, in-  
stitutions and individuals in town,  
and prizes will be awarded to the  
winners. The prettiest girl will be  
given a prize, and another goes to  
the most handsome boy, while the  
third prize will be awarded to the  
child who most appropriately repre-  
sents the business or institution  
sponsoring the movement.

In addition to these interesting  
feature, there will be side-splitting  
vaudeville acts, among the actors  
being Dr. Hardin and Philip Price,  
two of the best comedians in captiv-  
ity. Many other features are being  
planned for the evening's big time,  
and it is expected to draw a tremen-  
dous house, as everybody wants to  
attend any and every event staged  
by the American Legion.

## TO ADVERTISE LANDS FOR ALL 1929 TAXES

Advertisement of the tax list of  
unpaid taxes for 1929 will be-  
gin in next week's paper. Post-  
ponement had been made for  
three months, giving the tax pay-  
ers as much time as possible to  
make settlement before advertis-  
ing the property, but officials  
say the matter cannot be post-  
poned any longer.

It is expected that many thous-  
ands of dollars will be paid in by  
this coming Saturday night, this  
being the last opportunity to pay  
before property is to be adver-  
tised for sale.

## COUNTY ROAD WORK NOW BEING PUSHED

Communication received by the  
county commissioners from the  
board of road commissioners state,  
it is said, that the road board will  
accept the budget for the new year's  
work as adopted by the county com-  
missioners. At first, when the com-  
missioners reduced the amount  
asked for by the road board by  
about one-half, word was given by  
road board officials that proceed-  
ing in court would be instituted in  
an effort to force the county com-  
missioners to o. k. their budget esti-  
mate. The road board officials now  
state that they will accept amount  
allowed and do whatever work that  
can be done with this sum.

It is said that work has already  
been started on roads and bridges,  
activities beginning Monday morn-  
ing of this week. This work will  
mean much to the county just now,  
both in improvements to be made on  
the county roads, and in giving em-  
ployment to citizens of the county  
who are now without work of any  
kind to do. The road force is now on  
the Camp Perry-Ann road, between  
Wilson bridge and Pisgah Forest.

## MANY PEOPLE ARE COMING HERE NOW

People are flocking into Brevard  
now in large numbers, Miss Alma  
Trowbridge, secretary of the Cham-  
ber of Commerce, asserts. On Tues-  
day of this week people arrived from  
eight different states, and it is pre-  
dicted that August will witness a  
greatly increased number of visitors  
here. The second month of the  
camp life in the community begins  
Monday, and it is said that several  
hundred people will come to the  
camps for the month of August.

The excessive hot weather pre-  
vailing throughout the country is  
serving to drive people away from  
the lowlands in large numbers, and  
Brevard's appeal to the visitor, the  
fine accommodations to be secured  
here at such reasonable prices, the  
beauty of the mountains and valleys,  
the abundance of cold, clear water,  
combine in making this the most ap-  
pealing place to the visitor to spend  
a vacation.

It is believed that boarding houses  
and hotels will be well filled during  
the month of August, and if the  
present rate is kept up, it will not  
be long until all houses will be filled  
with visitors.

## BARGAIN ANNEX TO CLOSE OUT, ANNOUNCEMENT SAYS

Plummer's Bargain Annex is be-  
ginning a sale Saturday for the pur-  
pose of closing out the big stock of  
goods there, after which the Plum-  
mer business will be operated under  
one roof. For a long time the Plum-  
mer company has operated two  
stores: the main store on the north  
side of Main street and the Bargain  
Annex on the south side, just  
facing the main store. In closing out  
the Bargain Annex, it is announced,  
the business in the future will be  
conducted in one store building.

## SHOTS AND ROCKS HURLED INTO HOME

Firearms and rocks shot and hurled  
into a house on the Brevard-  
Rosman highway Saturday night ter-  
rorized two women, and resulted in  
the arrest of a man and two women,  
who will be tried for the offense next  
Monday week. Mrs. Lovell and her  
daughter, Mrs. Heaton, live in a  
small place on the highway, in what  
was formerly used as a garage. It is  
said that several shots were fired  
into the building Saturday night, and  
a regular bombardment of rocks  
were hurled in to the place.

Sheriff Patton's office was notified,  
and he and Deputy Wood went to the  
scene, and after making investiga-  
tion, arrested a man and two wom-  
en, who are charged with the of-  
fense. The three will be given a hear-  
ing in General County court Monday  
week.

It is said that Heaton, husband of  
the younger woman in the home, was  
away at the time, the two women  
being there alone. No complaints  
had been made to the sheriff's de-  
partment about the two women, it is  
said, and the cause of the attack on  
the home and its inmates are not  
known.

## COUNTRY IN GRIP OF INTENSE HEAT

Drought Felt Throughout the  
United States and in  
Foreign Countries

Extremely hot and dry weather is  
reported all over this country, and  
foreign countries are likewise suf-  
fering. Records for high tempera-  
tures are being shattered in all parts  
of the United States, reports of 100  
and above being the rule rather than  
the exception. The corn belt in the  
Middle West reports great shortage  
in that crop due to the long dry spell  
and the excessive heat, while other  
crops in various sections of the  
country will likewise suffer great  
shortages. Wheat, that had had its  
growth and most of it harvested be-  
fore the drought became so acute,  
will be master of the markets, it is  
said, because of shortage of other  
grain crops.

Reports that trees are dying in  
sections of this state are made to  
state officials, while fish are found  
dead in small ponds created by the  
dwindling streams, leaving the fish in  
the small puddles.

Many deaths from heat have been  
reported in various sections, while  
a large number of people have  
drowned while seeking relief from  
the heat in bathing pools and run-  
ning streams.

Recent rains in Transylvania coun-  
ty have relieved the situation. It has  
not been nearly as acute here as in  
other counties in Western North  
Carolina. This county is noted for  
its great rainfalls, and the numerous  
streams that come from the moun-  
tains in every section of the county  
serve to keep moisture in the air,  
even through a long drought. While  
the weather here has been consid-  
ered extremely hot by the native citi-  
zens, the visitors coming in from  
sections where it is really hot assert  
that the people here ought to be  
thankful for the weather experienced  
here. Citizens of the community  
whose work take them into other  
sections also praise loudly the cool  
weather here in comparison to that  
experienced away from here.

Weather reports issued during the  
past few days give promise of re-  
lief throughout the country, assen-  
tion being made that the long  
drought has about ended, and that  
rains will fall in abundance within  
the next few days.

## NEW UNDERTAKING ESTABLISHED HERE

Announcement is made that the  
Brevard Hardware and Furniture  
company has added an undertaking  
department to their business, the  
rooms adjoining the hardware and  
furniture store having been remod-  
eled especially to house this new de-  
partment. Formal opening of the  
department will be made on Satur-  
day, August 9, while the company  
will be ready to respond to calls on  
Saturday of this week. The rooms  
are being arranged in approved man-  
ner, the first room to be used as a  
funeral parlor, the second as "a  
laying out" room, with larger quar-  
ters in the rear for storage of a full  
line of caskets and coffins.

Sheppard, of Hendersonville, it is  
announced, will do the embalming  
work, while Messrs Moore and Os-  
borne will attend to all other de-  
tails of the new department. Full  
details of the enterprise will be an-  
nounced in next week's Brevard  
News, when invitation will be issued  
to the public to call and inspect the  
quarters on Saturday of next week.

## NOTED BISHOP TO PREACH IN BREVARD NEXT SUNDAY

Announcement is made that the  
Rev. Moultrie Guerry, B. D., chap-  
lain of the University of the South,  
will preach at St. Philips Episcopal  
church here next Sunday morning at  
11 o'clock.

## LACE ALLEN LOSES HIS SUNDAY COAT

Brevard's meanest man has been  
at work.

Some-one stole Lace Allen's coat,  
his Sunday coat, the coat that  
matched his Sunday britches.

Lacey came to The News office  
with request that assistance be given  
him in recovering his stolen prop-  
erty, and the pathetic story he told  
is somewhat as follows, as nearly as  
it can be put into print:

"My coat, it hung in the gor-  
ge, just behind the postoffice. A scoundrel  
stole it from me. Hit wuz my good  
coat, what matched my Sunday  
britches. Hit had in it all my rale  
astate papers, hit did, and I'm fear-  
ed they'd be destructed, for a feller  
what 'ud take a coat 'ud tare 'em  
up jist fur sin. Hep me git it back  
er I don't see jist how I can git  
long."

## FRED MILLER WINS EAGLE SCOUT RANK

Court of Honor Confers High  
Rank Upon Popular  
Brevard Boy

(Scout Reporter)

At the regular Court of Honor  
meeting held Friday, July 25, six  
boys went up before the Court of  
Brevard Troop, Boy Scouts, to pass  
various badges. Four members of  
the Court were present: Hinton Mc-  
Leod Sr., Charles Douglas, Rev. R.  
L. Alexander, and Dr. C. L. New-  
land.

Fred Miller of the famous Silver  
Fox Patrol, passed the merit badges:  
Camping, Cooking, Signaling, and  
First Aid to Animals, giving him a

FRED MILLER, EAGLE SCOUT

total of 23, this being two more than  
is required for the coveted Eagle  
badge. Joseph Alfred Miller Jr.  
will henceforth be known as an  
Eagle Scout, the highest honor a  
Boy Scout may obtain. Fred, during  
the past few years has held nearly  
all of the offices of the troop. He has  
taken a great part in the instruction  
of the other boys. In The Asheville  
Times Great Smoky contest he won  
third place. This entitled him to a  
silver medal and the honor of being  
known as the third best Scout in  
Western North Carolina. At present  
he is patrol leader of the Silver  
Fox Patrol, and is one of the flag  
bearers. We are very proud of  
Fred and hope that many of the  
other Scouts will soon be able to  
carry the same title of "Eagle  
Scout."

Douglas Stoner, who was recently  
transferred to our troop passed five  
merit badges. As he is already a  
first class Scout, these five advance  
him to the rank of Star Scout.  
They were: Firemanship, Cooking,  
Swimming, First Aid, and Public  
Health.

The other badges passed were:  
Jackie Morgan, Firemanship; Jack  
Miller, Signaling; Richard Grim-  
shawe, Firemanship, Public Health,  
First Aid to Animals, Poultry Keep-  
ing, and Swimming; Ralph Galloway,  
Leathercraft, Firemanship,  
Cooking, Cycling, First Aid to Ani-  
mals, and Bookbinding. Ralph will  
be a star as soon as his three  
months term for being a First Class  
expires.

This is the best Court of Honor  
meeting that has ever been held in  
our troop, according to the number  
of merit badges passed. We are very  
glad to see that the boys are taking  
on a renewed interest in the work  
and we hope that the other boys  
will accept the challenge and try to  
rise in rank also.

Well, here's to the next Court of  
Honor when I expect we shall have  
at least one more Eagle to our  
troop.

## REAL ESTATE NOW MOST ACTIVE HERE

Real estate in the town and county  
is beginning to change hands in a  
manner that bids fair, if it contin-  
ues, to create real activity here. On  
Tuesday of this week there were  
more deeds drawn, signed and de-  
livered than had been noted in any  
month's period during the past  
twelve months. While this activity  
has been increasing slowly during  
the two or three weeks, the spurt  
came Tuesday, and practically all  
the lawyers in town were busily en-  
gaged in preparing deeds and writ-  
ing the papers necessary in the sale  
and exchange of property.

People who know real values ex-  
press the opinion that property can  
be purchased here now at a price  
that will not again prevail in the  
next quarter of a century, and the  
men with vision are taking advan-  
tage of the situation and are buying  
now at the low price.

## PLEASANT SURPRISE AWAITS MEMBERS OF KIWANIS CLUB

If any member of the Brevard Ki-  
wanis club fails to attend the meet-  
ing this Thursday noon, it is said  
to say that such members will al-  
ways regret the fact. Doug won't  
let the paper tell—but it's plumb  
good, and we don't mean maybe.

## OLD FIDDLERS TO FIDDLE ON FRIDAY

August 15th Will Be Gala Day  
In Brevard—Cash Prizes  
For the Winners

An Old Fiddlers Convention is to  
be staged in Brevard on Friday eve-  
ning, August 15, when all the best  
musicians of Transylvania county  
will compete for supremacy. Cash  
prizes are to be awarded to the win-  
ners. Among the interesting fea-  
tures for the evening will be the  
playing of Frank Wilson and Big Ed  
Patton, who will play again the old  
tunes which they used to play when  
"the boys" danced in the old log  
cabin.

Pat Henry and Frank Wilson have  
been made as committee to work up  
the list of entries, and any one de-  
siring to play at this time is asked  
to see these men, or write to Frank  
Wilson, Brevard, Route 2. It is hoped  
to have a big list of entries, and  
that all of the old timers will fall in  
and add to the evening's enjoyment.

A charge of 10 cents for children  
and 25 cents for adults will be made,  
and every cent of this money, over  
and above the prize expenses, will  
be turned over to The Associated  
Charities in Brevard to assist in  
contributing to the relief of those in  
sickness and want right here at  
home.

Fiddles, banjos, guitars, and  
string bands of not more than three  
pieces will be entitled to entry. The  
men in charge say that no string  
band of more than three pieces will  
be permitted to enter the contest.

It is believed that many specta-  
tors will come from other towns and  
communities to hear Transylvania's  
best musicians make the fiddle and  
banjo talk like they used to do.  
Everybody is invited to come and  
the men in charge state that admis-  
sion prices have been set at the low  
figure mentioned in order that all  
people can attend without hurt to  
themselves.

## MRS. GALLOWAY GOING OUT OF BUSINESS HERE

Mrs. M. W. Galloway, for the past  
20 years in business in Brevard, an-  
nounces that she is going out of busi-  
ness, "go home and keep house" the  
balance of her life. During her long  
business career here, Mrs. Galloway  
has made hundreds of friends, and  
has been most successful in the op-  
eration of her store. For a great  
many years she was located on Cald-  
well street, and moved some two  
years ago to her present location on  
Main street. For some time, it is  
said, Mrs. Galloway has wanted to  
retire from business and give her  
attention to her home here.

## SUSIE'S BAND GETS UNUSUAL BIG HAND

Big Crowd Attends—Play Un-  
der Auspices of Order  
of Eastern Star

Susie's Band, appearing at the  
High School Tuesday evening, proved  
to be one of the most interesting  
affairs ever presented here by purely  
local talent. The big crowd, despite  
the heat and the delays and "hitch-  
es," that may always be expected in  
such events, gave hearty applause to  
the several numbers presented, and  
voiced its appreciation of some of the  
specialties by calling the perspiring  
groups back for the second time.  
The director, Mrs. Hugh R. Walker,  
and the pianist, Mrs. Frank Carr,  
were given great praise for the suc-  
cess of the evening.

The band made music on every  
conceivable farm kitchen utensil,  
from a fly swatter to a sausage  
grinder, and it was real music, at  
that. The solo numbers, duets and  
quartets, were greatly enjoyed, most  
of the songs being old time songs  
that always prove pleasing. Frank  
Carr, as "Madame Karinsky," made  
a great hit in singing "O Promise  
Me." It would be difficult to pick  
the winner among the special num-  
bers and the specialties, and to at-  
tempt to give the personal mention  
so well deserved by the several peo-  
ple in the various parts would require  
the whole paper. They were good,  
each and every one of them.

The whole affair was woven around  
the courtship and marriage of Jim-  
mie McDonald and Sweet Adeline,  
two popular rustics in the Blue  
Ridge Mountains of North Carolina.  
Chief Freeman, as Jimmie McDona-  
ld, and Mrs. W. E. Shipman, as  
Sweet Adeline brought the house  
down when they marched to the  
stage to have a ceremony performed,  
with Mrs. L. B. Haynes acting as  
justice of the peace.

At the conclusion of this affair,  
the Wedding of the Painted Dolls  
was presented, the little boys and  
girls in Broadway attire presenting  
marked contrast to the affair of  
Jimmie and Addie. This group of  
children played their parts like vet-  
erans, having been trained by Mrs.  
John McLean.

The presentation was given by  
the Eastern Star, and the proceeds  
from the evening's work goes to  
the charity fund of that splendid  
organization.
