On Friday evening, February 13th, Mrs. W. S. Price delightfully entertained her Sunday School class of girls and the class of boys taught by Mr. G. D. Simpson, at a Valentine party.

The living room and dining room were beautifully decorated in colored valentines. Games were played from half past seven until nine, then Mrs. Price served heart-shaped cakes, candies, and pink lemonade.

Mrs. George Simpson assisted Mrs. Price in entertaining. Among those present were:

Mary Osborne, Polly Hartsell, Ora Holt Long, Frances Coleman, Emily Teay, Marchia Snelson, Nora Belle Mason, Elizabeth Price, Anita Galloway, Mary Louise Price, Chandon Ashworth, Clarence Rollins, Harold Hartsell, Hicks Sittin, William Nelson, Charles Burrell, Edwin Hunt, Max Ashworth.

MESSRS. ALVIN AND DONALD MOORE IN RECITAL

On Friday morning, February the twentieth, at the regular chapel hour a most interesting and entertaining recital was given in the San Angelo Chapel at Brevard Institute by Messrs. Alvin and Donald Moore.

The opening song, "Drink to Me Only with Thine Eyes," was sung by Mr. Alvin Moore and accompanied on the euphonium by his brother, Mr. Donald Lee Moore. Then followed a group of other old English songs—"The Derby Rain," "Here's a Health Unto His Majesty," "John Peel," "King Arthur," "Cherry Ripe," "Down among the Dead Men," "Blow, Blow Thou Winter Wind." Mr. Moore pleasingly entertained the audience by singing these songs in a characteristic manner which portrayed the vigorous and "merrie" life of old England.

Mr. Donald Lee Moore played on the euphonium accompanied by his brother at the piano the following selections: "Berceuse" from "Jocelyn" by Godard; "Gypsy Love Song" by Victor Herbert; "Somewhere a Voice is Calling" by Tate; "Barcarolle" from "Tales of Hoffman" by Offenbach. The beautiful, mellow tones of the euphonium revealed the capacity of this instrument in the hands of an artist.

Mr. Alvin Moore displayed much skill in technical ability by playing the following piano selections—four Chopin preludes, one of which is the beautiful and well known "Raindrop Prelude"; three Chopin waltzes and Rachmaninoff's "Prelude in C—Sharp Minor."

Mr. Alvin Moore displayed his ability in the field of dramatic singing by the skillful rendition of "It is Enough" from the oratorio, "Elijah" by Mendelssohn.

Each young man rendered a very interesting number of his own composition.

"A Prayer," composed by Mr. Donald Lee Moore revealed the young man's ability to transmit into the realm of tone the deep longings of the spirit. This selection was beautifully played on the euphonium by the composer and accompanied on the piano by Mr. Alvin Moore.

The atmosphere of the Scotch poem, "My Bonnie Border Toon," was enhanced by the charming and fitting music composed by Mr. Alvin Moore. This folk-like melody, sung by the composer himself, made its appeal to the hearts of the audience.

Donizetti's Sextette from "Lucia di Lammermoore," played on the euphonium by Mr. Donald Lee Moore and accompanied at the piano by Mr. Alvin Moore, furnished an appropriate climax for the close of the program.

The recital was much enjoyed by the faculty and student body of Brevard Institute as well as by visitors from the city of Brevard. The school appreciates the generosity of these two young men in giving such a delightful recital. Students are already hoping that the Messrs. Moore will give another program.

Just Like An Ostrich

A medical authority says that a person who tries to cover up skin blemishes and pimples with toilet creams and powders is just as foolish as an ostrich that buries its head in the sand to avoid danger. Skin eruptions are nature's warning that constipation is throwing poisons into your blood stream and weakening your whole constitution. Remove the constipated condition and you will strengthen your system against disease and clear up your disfigured skin. The best way to do this is with a course of Herbine, the vegetable medicine that acts naturally and easily, which you can get at DAVIS-LONG DRUG CO.

Firestone has this year added more rubber to the tread which gives 20% to 25% more safe mileage before the tread wears smooth.

The Firestone Double Cord Breaker gives you SIX and EIGHT plies under the tread—spreads road shocks—lessens punctures—gives over 50% stronger union between tread and tire body which ensures longer tire life and greater safety.

Live rubber penetrates every cord and coats every fiber by the patented Gum-Dipping process—thus not only every cord, but every fiber within the cords, is insulated; this gives you 25% to 40% added tire life.
