

BAPTISTS COMING FROM MANY POINTS FOR 2-DAY SESSION

(Continued from page one)

standing men who are to be present and take part on the program.

Members of the Methodist church, the Presbyterian church and the Episcopal church have worked with the Baptist in planning entertainment of the visitors, and have thrown their homes open to the delegates for the time they are in Brevard. Rev. Paul Hartzell and Director Ramsey have stated that the co-operation of the other churches has been most remarkable.

The Biblical Recorder, issues of April 8, has the following to say about Brevard's preparation for entertainment of the convention delegates and visitors:

Brevard, a city of surpassing beauty, surrounded by "God's great hills" will be host to the Western Regional Convention, Friday and Saturday, April 17-18. Pastor Hartzell and Director Ramsey assure us that their church and city await our coming with great gladness. If a line were drawn with Murphy and Andrews in the far west, Spruce Pine, Mars Hill and Crossnore on the north, Newland, Marion and Forest City on the east, Cliffside, Tryon and Hayesville on the South, the territory comprising the Western Region would be circumscribed. From all this section hundreds of pastors and young people will roll into Brevard, early April 17. The first session Friday afternoon two forty-five. Every church in every community will be sending a delegation. Mars Hill writes they will send one hundred. Buncombe and other associations indicate they will send a large delegation. Come on up to Brevard, come praying. Brevard awaits you!

WATER DEPARTMENT TO BE PLACED UPON SELF SUPPORT PLAN

(Continued from page one)

the conditions leading up to the adoption of the ordinance, H. H. Patton, town clerk, issued the following statement:

"The Water Works System of the Town of Brevard has been a continual drain on the tax payers, and all these years since it was first installed, should have been at least, self-supporting.

"The deficit each year has amounted to several thousand dollars, and this difference always was included in the tax levy. Since the Brevard Banking company closed its doors on December fifteenth, last year, there has been almost no taxes collected. There is always a certain fixed monthly expense no matter how large or how small, that must be paid, and due to the fact that no taxes are being collected, the only source to which we can turn is the water department and we have definitely decided that it shall be made self-supporting and in this time of need, help to defray the monthly operating expense."

Citizens, Take Notice

The Joint Committees representing the Depositors in the Brevard Banking Company, the Stockholders in the Institution, and the Public, working in the interest of re-organizing the Brevard bank, have opened headquarters in

JOINES MOTOR COMPANY'S BUILDING

And Mr. B. W. Trantham has been selected to stay in these Headquarters and carry on the work of re-organization. This has been done to expedite the work, and give to the community at the earliest possible moment the much needed banking facilities. All citizens who are working on the task of procuring signatures to the Agreement for re-organizing the bank can find Mr. Trantham in the Headquarters at any hour during the day.

All Citizens Interested in the Community

Are urged to join in the movement. If you have deposits in the bank, please come in and talk the matter over with Mr. Trantham. While there are several good men and women engaged in the work of carrying the Agreements to the depositors and getting them signed, we urge you to come on in to Headquarters and see Mr. Trantham and sign the agreement without waiting for one of the workers to call upon you. If you are a depositor, it is just as much to your interest to hasten this work as it is to the interest of any other person. The sooner all depositors sign up, the sooner will the bank open, and the sooner the bank opens, the sooner the depositors will get their money.
