

# CERTIFIED COPY OF POLL BOOK TRANSYLVANIA COUNTY, N. C.

The following certified list of citizens voting in the General Election of November, 1930, is published in advertisement form, as information to those whose names appear thereon. Hundreds of these ballots were cast through the Absentee plan. Careful reading will disclose appearance of the same name, in many instances, indicating that the same person in each instance is recorded as having voted more than once in the election. It is also an established fact that some names on this list are of persons who did not cast any Absentee Vote, and did not authorize any one else to use their names in any way or manner in connection with the recent election.

If YOUR name appears hereon as having been voted, when, as a fact, you did not vote, the sponsors of this advertisement and all good citizens will appreciate it very much, indeed, if YOU will so notify Hon. George M. Pritchard, Asheville, N. C.; Hon. James S. Duncan, Greensboro, N. C.; Hon. O. L. Fitzgerald, Asheville, N. C.; Hon. Ralph R. Fisher, Brevard, N. C., or Hon. D. L. English, Brevard, N. C.

Read this list, please, and read it with your friends, and see if there are not some names hereon that YOU know should not be on this list of voters of Transylvania County:
