## TO RE-ORGANIZE C. OF C. THURSDAY

(Continued from page one)

selected from the membership as of the present could take charge of the body. Nine directors, to be named at the meeting this Thursday night from the membership at large was decided upon. Three members of the Woman's Bureau are to be ex officio members, with the privilege of attending all meetings and taking part in the work being extended to all members. Mrs. Erwin announced that membership in the Chamber of Commerce by the ladies would automatically make them members of the Woman's Bureau with all dues paid.

In the matter of dues to the new organization, much discussion was held the vote finally deciding that dues would be only \$5.00 per year, \$2.50 payable May First and \$2.50 payable July First. This, however, was made the minimum amount for membership, it being stressed that there were members who would be expected to take more than the one membership at the stipulated fee. A membership committee was appointed consisting of Pat Kimzey, C. Y. Patton, W. J. Wallis, J. M. Gaines, Jerry Jerome, Miss Florence Kern, Miss Katherine Griffin, Miss Rose Shipman, Mrs. J. W. Smith and Mrs. B. F. Beasley. This committee was instructed to canvass the town prior to Thursday night and get as many members as possible, instructing such members to be at the meeting and assist in the organization of the new Chamber of Commerce. Twenty-seven members joined at the meeting last Thursday, many of these paying the year's fees in advance.
