## GIRL SCOUTS CAMP IN KEEP KOOL KABIN

The Brevard Girl Scouts of Laurel Troupe No. 11, were camping at Keep Kool Kabin Monday, May 4, and returned Thursday morning, May 7.

The girls who were present were as follows: Sarah Teague, Jane Yongue, Pauline Hartsell, Yvonne Robinson, Marchia Snelson, Katherine English, Ruth and Katherine Fulton, Harriet and Cornelia Winton, Wilhelmina Hinton, Betty Loftis and Emma Lou Loftis and Malva Thorpe. Jack Robinson was mascot. Mesdames Robinson, Thomas Teague and Willie Aiken were chaperones for the troupe.

Tuesday afternoon Miss Aiken became industrious and began cutting wood. All girls followed suit and gathered wood to make a large bonfire on the rock. We had a weiner roast and supper combined. Our guests were the Talley girls.

About dusk someone suggested "snipe hunting," the hunters were Mrs. Robinson, Jack and Yvonne Robinson and Sarah Teague.

Other important incidents were: candy pulling, card games, washing dishes, cooking meals and a surprise party.

Wednesday night was stunt night. The guests were some of the parents, brothers and sisters of the Scouts. The Scouts gave different entertainments and served lemonade- cookies and candy.

Thursday morning all came home tired but happy because they had thoroughly enjoyed the camping trip.

## CULLOWHEE NOTES

Cullowhee, N. C., May 18.—Miss Marietta Welch of Waynesville and George Carpenter of Franklin have been chosen as the best all round students at Western Carolina Teachers College. Election took place last week, the first one being held Monday to select two boys and two girls to be voted on in a final election.

Both of the students are second-year students or Normal graduates of the June class.

Points considered in voting were: scholarship, moral force, culture, participation, and personality.

According to the Western Carolina Teachers College Bulletin for Summer School, 1931, registration for the first summer school will begin Tuesday, June 9, with class work beginning on Wednesday morning. All indications report that a full attendance will be had in the summer schools.

Plans are under way for the commencement exercises at Western Carolina Teachers College, according to P. L. Elliott, faculty official in charge. The commencement exercises will begin on Wednesday, June 3, and continue through Friday, June 5.

The meeting of trustees is scheduled for June 3, at 10 a. m. On the same day at 2 o'clock the new Reuben Robertson Hall will be dedicated. Several distinguished speakers have been asked to take part. ### DR. HARDIN ADDED TO THE COUNTY BOARD OF HEALTH

Dr. Carl Hardin, Brevard dentist, has been added to the board of health of Transylvania county, this action being taken last Monday. Under a recent law, it is now required that a dentist be on the county board of health. Other members of the board are O. L. Erwin, chairman of the board of county commissioners; S. P. Verner, superintendent of public instruction; Ralph H. Ramsey, mayor of Brevard; Dr. E. S. English, of Brevard, and Dr. J. B. Wilkerson, of Rosman.

### TRAFFIC CURE

Mr. Raskob and his associates might greatly relieve the summer's traffic problems if they would only take that empty band-wagon off of the highways for a few months.

Navy Yard, won second prize of \$10,000, and Julius M. Nolte, real estate dealer, and former secretary of the Duluth Commercial Club, received the third prize of \$5,000. In addition, five prizes of \$1,000 each, five prizes of \$500 each and twenty-five prizes of \$100 each were awarded.

The three fortunate prize winners will go to Winston-Salem, N. C., where Camel cigarettes are manufactured, to receive their checks.

## ITEMS TO BE PAID WITH MONEY REALIZED ON \$64,000.00 BONDS

Mayor Ramsey and the members of the board of aldermen have entered into negotiations for the sale of \$64,000 refunding and funding bonds, to provide funds for payment of interest past due, now due and to fall due during June and July. This bond issue is not increasing the indebtedness of the city at all, it is pointed out, but is simply borrowing money to pay debts, and is simply a transfer of town indebtedness.

To take care of the interest already past due on bonds, the town has sold a \$12,000 short term note, and with these funds will pay the following past due interest charges:

Street bonds, due Jan. 1 .... \$ 750.00  
Imp. bonds, due Jan. 1 .... 4305.00  
Water Bonds, due Mar. 1 .. 450.00  
Imp. bonds, due Mar. 1 .... 1127.50  
Imp. bonds, due Mar. 1 .... 2817.50  
Ref. bonds, due Ma. 1 .... 1155.00  
Water bonds, due April 1 .. 300.00  
Water Bonds, due April 15 .. 705.00  
Maturity Mar. 1, public improvement bond ..... 2000.00

All of the above items are past due, and the short term note of \$12,000 was sold to make these payments.

The \$64,000 refunding and funding bond issue is for the purpose of taking up this short term \$12,000 note, and the following interest, maturities

and notes, all of which fall due before the first of August:

Short term note ..... \$12,000.00  
June maturities ..... 8,000.00  
July maturities ..... 12,000.00  
June Interest ..... 7,645.00  
July Interest ..... 5,055.00

Note held by Brevard Bank and placed in another bank as collateral ..... 15,600.00  
Fire truck note due July 1 1,500.00

It is stated that there is a sufficient amount of taxes now due the town to pay all of this indebtedness, and if it could be collected, the refunding and funding bond issue of \$64,000 would not be necessary. The citizens assert, however, that they are not in position to pay these taxes now, hence the sale of the bonds. This bond issue is spread out over a number of years, giving the town ample time for re-payment.

The town had money in the bank to meet part of these payments, but the bank closed with these funds on deposit. The balance would have been collected in taxes in normal times. Payment of taxes has been slow, the officials state, hence the necessity of making arrangements to meet the town's obligations in order to avert suits being instituted against Brevard.

### BOND ORDER

Be It Resolved, By the Board of Commissioners for the County of Transylvania, State of North Carolina;

(a) That negotiable coupon bonds of said county registerable as to principal, shall be issued under authority of County Finance Act and other statutes applicable, for the special purpose of funding valid indebtedness incurred for the Constitutional school term and necessary expenses.

(b) That the maximum aggregate principal amount of said bonds shall be \$370,000.00.

(c) That a tax sufficient to pay principal and interest of said bonds as same fall due, shall be annually levied and collected.

(d) That a statement of debt of said county has been filed with the Clerk and is open to public inspection and the County Auditor is hereby designated as the proper official to file said statement.

(e) That this Order shall take effect on its passage and shall not be submitted to the voters.

(f) That it is hereby found as a fact and determined and declared that this Board is properly and legally constituted and organized and has the power and authority to issue said bonds; that said bonds are necessary and unavoidable for the special purpose stated and the proceeds shall be applied to said purpose and to no other.

(g) That this Board will meet in the courthouse in said County at 2 P. M., June 1, 1931, for the purpose of hearing any protest against issuance of said bonds, the Board reserving the right on final passage of this order to amend same except as to maximum amount of bonds that may be issued.

The foregoing Order has been introduced and a sworn statement has been filed under the County Finance Act showing the assessed valuation of the County to be \$9,639,000.00, and the net debt for school purposes to be \$418,000.00, and the net debt for other than school purposes to be \$1,248,000.00, all this including the proposed new bonds. A tax will be levied for the payment of the proposed bonds and interest, if the same shall be issued. Any citizen or taxpayer may protest against the issuance of such bonds at a meeting of the Board of County Commissioners to be held at two o'clock P. M., June 1, 1931, or an adjournment thereof, in the court-house in Brevard.

JESS A. GALLOWAY, Clerk.  
(These bonds do not increase the debts of the County and will not increase taxation; but are to pay present existing debts and extend the payments in the future so as to make the present burden on the taxpayers less than it now is.)  
May 18, 1931.

### WHAT, NO RHUBARB!

In many of the rural districts of the United States where money does not circulate with great rapidity services are paid for "in kind." Farmers, for example, will give potatoes, eggs, etc., in payment for debts.

One such district was located in northern Maine, and a young physician who practiced there, one day endeavored to collect a \$100 fee from a Yankee farmer to be answered with:

"Doc, I ain't got much ready cash on hand. Suppose you let me pay you in kind."

"Well, I suppose that will be all right," replied the young doctor cheerfully. "What do you deal in?"

"Horseradish, doc," answered the old farmer.

## HOUSTON SOLD 28 CABINETS IN 2 DAYS

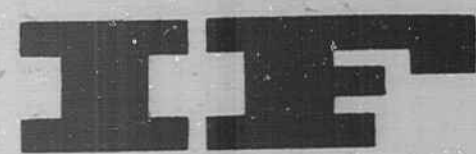

Sale of 28 kitchen cabinets in two days is the record made by the Houston Furniture company. The Hoosier cabinet sale started last Saturday and on that day and the following Monday, 28 kitchen cabinets were sold and delivered, according to an announcement made in the company's advertisement.

The Houston company made another record in April, by selling four times their monthly quota of the famous Majestic radios. For this record the company was awarded the prize of a Majestic radio free. The contest covers the two Carolinas, the prizes going to the firms making the largest increase over quotas.

Mr. Houston states that business is good with him, better by far than a year ago.

### THE TARIFF

"Until the time comes when China, Japan and the other low wage countries step up in line with America, we must have an adequate protective tariff. There is nothing quite so asinine economically as to talk about exchanging our home high priced market for the cheap markets of the world."
