WEAVERVILLE STOPS BREVARDITES 14-5

College Town Boys Drub Holt Crew—Still Tied for First Place

Weaverville showed Brevard how to hit in every direction, how to field in gulley, asparagus fields, etc. etc., last Saturday afternoon on the Weaver field, sending the local team home with the small end of a 14-5 score.

A very poor playing field was not all that the Weaver bunch had, by a long shot—H. Burgin, hurling for the home team kept the Brevard aggregation guessing all the time, allowing only one hit in the first eight frames. Clarence Allison hit for two bases in the second, scoring Mitchell, who was safe at first on an error, and sacrificed to second by Carson. Clarence again hit in the ninth, scoring Joe Schachner, who had connected safely. Tom Graham came through with another long delayed hit to score Allison.

Hits by Brevard were as scarce as were the errors plentiful. And, to make bad matters worse, the Weaver outfit pounded out a barrage of hits and committed only two errors, each of these miscues, however, costing a run. Four hits, one free pass and five errors in the first four frames netted Weaver seven runs. Graham went into relieve Kilpatrick in the fifth, but was treated just as badly by the home towners. More hits and more errors and the runs piled up and up until at the end of the eighth fourteen tallies were totaled.

Might have been the terrible field, might have been too many green apples and over-ripe cherries, mayhap a jinx, or as Andrew Hog Brown would put it, "jes sumpin"—be the cause what it may, Brevard certainly took the licking of their lives.

Lady Luck, however, was again kind to the Brevard team Saturday (in another place)—Beacon lost in a shut-out affair to Balfour, leaving Brevard and Beacon tied for first place in the league.

Pisgah Forest defeated the Valley Hill baseball team on the local diamond Saturday afternoon to a score of 13-0.

Penrose is scheduled to play here Saturday, July 4. An ice cream supper will be held at the Davidson River school house this Thursday night for the benefit of the local baseball club. Come one and all for a lot of fun is expected.

THE PRAYER CORNER

INDEPENDENCE DAY LIBERTY

What is Liberty? It is the recognition of voluntary allegiance to the highest law. And what is the highest law? It is the law of gratitude and love. Who then is free? He who sees and feels the obligations which call him to serve the highest and best the noblest, richest, fullest, purest. Life is that which has the deepest and strongest sense of indebtedness, resting on it always and impelling it forward along the line of duty which is also the line of joy. So then True Liberty is the highest kind of knowledge.

What constitutes the bulwark of our own liberty and independence? Said one of our great men: It is not our frowning battlements, our bristling sea-coast, our army and our navy. These are not our reliance against tyranny. All of those may be turned against us without making us weaker for the struggle.

Our reliance is in the Love of Liberty which God has planted in us. Our defence is in the Spirit which prizes liberty as the heritage of all men, in all lands, everywhere. Destroy that spirit and you have planted the seed of despotism at your own doors. Familiarize yourselves with the chains of bondage, and you prepare your own lives to wear them. Accustomed to trample on the rights of others, you have lost the genius of your own independence, and become the fit subjects of the first cunning tyrant who rises among you.

What then can be more timely for all Americans today than this message of one of our great Presidents?

"Let every American, ever lover of posterity swear by the Blood of the Revolution, never to violate in the least particular, the laws of the Country and never to tolerate their violation by others."

"Let reverence for the laws be breathed by every American mother to the lisping babe that prattles on her lap; let it be taught in the schools, in seminaries and in colleges; let it be written in primers, spelling books and almanacs; let it be preached from the pulpit; proclaimed in the legislative halls, and enforced in the courts of justice."

Well may every man, woman and youth, who call themselves Americans, exclaim with Patrick Henry in old St. Johns, Richmond: "Give me Liberty or give me Death."

A PRAYER
O Almighty God, the Sovereign Commander of all the world, in whose

Hand is Power and Might, which none is able to withstand, we bless and magnify Thy Great and Glorious Name for this happy day, and for all Thy Mercies to this Land which we now commemorate, the whole glory whereof we do ascribe unto Thee, the One Giver of Victory, and we beseech Thee, give us grace to improve Thy great mercy to Thy glory, the advancement of Thy Gospel, the honor of our Country, and as much as lieth in us, to the good of all mankind. Give unto us a spirit of true thankfulness, such as may appear in our lives, by an holy, humble and obedient walking before Thee all our day, through Jesus Christ our Lord.

O Lord, our God, who hast vouchsafed to take to Thee this nation, by wonders, and by wars, by a mighty hand and by an outstretched arm, make us to know this day, and consider it in our hearts, that Thou, the Lord, art God in heaven above and in the earth beneath, and that there is no God else beside Thee.

Make us to keep Thy Statutes and Thy Commandments, that it may go well with us and with our children after us, and that Thou mayest prolong the days of this people upon the earth which Thou, the Son of God, givest us. Make manifest, O Everlasting God, in this and in all the nations, the revelation of Thine Eternal Son, Jesus Christ for the obedience of Faith.

Ever send forth Thy Holy Spirit to guide us into all truth, and to keep this nation faithful unto Thee.

Establish Thy Kingdom throughout this land, forever, and make known among us by Thy Church, the manifold wisdom of our God, so that we may ever be a people obeying and loving Thy Holy Name, through Jesus Christ, our Lord.
Amen. C. D. C.
