

MRS. N. B. C. CARRIER RESISTS PAYMENT ON ASSESSMENTS

(Continued from page one)

sale in order to secure funds to postpone the inevitable closing of said bank for their own personal ends.

It is further set forth in the instrument of appeal that the president of the Brevard Banking company, in accordance with instructions of board of directors of said bank, approached one Henry N. Carrier, known to be the husband and acting as agent for the said Mrs. N. B. C. Carrier, and through false and misleading representations, induced said Henry N. Carrier to purchase for her 100 shares of stock in said bank, paying therefor the sum of \$15,000.

The instrument declares that said Mrs. Carrier was not aware of the actual conditions of the bank until it had closed, nor had she been informed previously of the fraud which had been practiced upon her; that as soon as the liquidating agent, when appointed, was informed through agent of her repudiation of the purchase of the stock because of the fraudulent manner in which it had been sold to her through her agent, Henry N. Carrier.

Mrs. Carrier asks, first: That her subscription stock in Brevard Banking company be cancelled;

Second: That she have and recover from the said Brevard Banking company the sum of Fifteen Thousand Dollars, and interest thereon from the date when this sum was paid to said bank, and that said judgment be declared a preferred claim against said bank by favor of this defendant, and

Third: That the stock assessment and judgment filed against her in the office of the clerk of the court for Transylvania county be set aside and declared null and void.

NOTICE TO ALL CITIZENS

I have been re-appointed as correspondent to The Asheville Citizen and The Asheville Times, and shall be glad to have information concerning any article or item that any citizen desires to have published in the Asheville papers. All news of births, deaths, marriages, or happenings of public interest in any section of the county, will be immediately transmitted to the daily papers at Asheville. The press is especially anxious to have accounts of all improvements being made or contemplated in field or factory, or business changes of any kind. If you have prominent visitors in your home from other sections or other states, we shall appreciate it if you will give us such information.

only way that we could get a final construction of the law would be at the end of a law suit, and I do not want any law suit.

"An unfortunate condition has arisen by the contradictory acts passed by the last legislature relative to county superintendents, but that is not the fault of your honorable board, nor of myself, and I do not feel that either of us should be put to the expense or trouble of any litigation in regard to the matter. Neither can we be criticised for our action.

"My greatest desire is that the best interests of Transylvania county and its schools be improved and benefited, and not stirred up by litigation.

"I do not admit, however, that any mistake has been made, and I have received no communication from the state board of education, nor the board of equalization, as to what my rights are. But I do not feel inclined to accept any office about which there is the slightest question.

"I, therefore, respectfully tender my resignation as county superintendent to take effect immediately upon the election and qualification of my successor.

"JOHN E. RUFY."

MOVING PICTURES OF LOCAL SCENES

A. W. Allen, Scout executive of the Daniel Boone Council, was in Brevard Tuesday morning taking pictures of the local Scout troop and Brevard Scout executives. The pictures will be used in a film showing the work of the Scout from the Tenderfoot stage to that of Eagle.

A short reel of the local boys and their leaders was made on the court house lawn. The picture, which will embrace all phases of the Scout work will be ready for showing within a couple of months, and will, Mr. Allen announced, have all troops in Western North Carolina as part of the reel.

Mr. Allen was profuse in his praise of the local Scout work, giving special praise to the efforts of Fred Miller, leader of the movement here. The Brevard Kiwanis club is sponsor of the local troop.

A LUCKY BREAK

MacTavish was standing in front of his auto giving his chauffeur instructions, when a shot rang out and the chauffeur was struck in the leg. "Hoot! Hoot!" ejaculated the Highlander. "That was a narrow escape. It might have punctured a tire!"

JURY SUMMONED TO TRY CASES GROWING OUT OF BANK CLOSE

Merrill, E. O. Shipman, J. C. Cash, W. J. Raines, S. W. Radford, J. C. Scruggs, Duncan MacDougal, E. Carl Allison, C. C. Reese, J. L. Sanders, F. E. Wright, Burlin Owen, J. R. Brown, T. D. Grimshawe, Thomas Dodsworth, A. N. Hinton, B. J. Glazener.

All jail cases will also be tried at this term of court, and all other cases except those that have been set for the December term and in which bonds have been posted for appearance at that time. There are several cases where defendants are in jail, awaiting the December term. All these will be tried at the coming August term, since this term has been changed from a civil to a mixed docket. This will dispose of many cases and relieve the county of supporting many defendants from now until December court.

Of, course, it is pointed out, in cases that have been set for hearing at the December term, and bonds for appearance at that time have been posted, will not be tried until the December term.

It is believed that many days will be required to try all the cases connected with the bank's closing. Judge Hoyle Sink is to preside, while J. Will Pless, Jr., will represent the state. Pat Kimzey, attorney for the liquidating agent of the Brevard Bank, will appear in all cases where in the commissioner of banks is interested.

Dick Zachary is chairman of the jury commission, and Dan W. Merrill and E. A. Reid are commission members.

WALTER W. ORR IN PLANE ACCIDENT

Hempstead, N. Y., July 14.—(Special to The Brevard News)—Walter W. Orr, of Brevard, had a narrow escape from death here on July 7, when his parachute failed to open immediately after he had jumped from a plane at an altitude of 6000 feet. Mr. Orr had fallen fully four thousand feet before the chute opened, and his body had gained such momentum that when the parachute did open it was badly torn, causing the young man to land heavily.

Mr. Orr suffered a broken leg and many bruises and cuts. He was making a test jump and no explanation has thus far been made as to the cause of the failure of the parachute to open when he pulled the cords. Mr. Orr is making rapid recovery, and will soon be able, attending physicians say, to leave the hospital. As soon as he is able to journey, Mr. Orr will sail for South America in the interest of his employers. He is connected with Swift and company.

Mr. Orr is a son of Mr. and Mrs. Charley Orr of the Clough Farm. He was recently here on a visit to his parents.

JONES WILL MANAGE ALL COUNTY SCHOOLS

law that one must be a college graduate in order to be eligible to the position as superintendent. While Mr. Ruffy has had considerable college work, it is said by his friends, he did not graduate from any college, hence the question as to his qualifications. Friends of Mr. Ruffy declare that he could easily win the place by having the case go to the courts, but the school man would not agree to that course, stating in his letter of resignation that he preferred to sacrifice his personal chances than to create additional expense and discord.

Several applications for the place were on file, it is said, and all were given serious consideration, the board finally agreeing that in Prof. Jones the county would have a most excellent executive for the county schools.

Prof. Verner has not announced his plans for the future, but it is known that he is to remain in Brevard, much to the delight of his many friends throughout the county. It is said by those who are in a position to know that Prof. Ruffy will continue in his work as principal of the elementary schools in Brevard.
