

## TRUCK WAR LOOMS AS BIG THREAT TO COUNTY FARMERS

(Continued from page one.)  
ed the Western North Carolina producers.

It is recognized, however, that all resistance in the way of expressions of resentment are wasted, as the law is on the books, and will be enforced until the law is either repealed or declared unconstitutional. It is feared that much of the fine crop now maturing in Transylvania county will go to waste before anything can be done about the matter.

Another feature of the law that is bound to have detrimental effect upon Western North Carolina is the falling off in tourist business because of the ill feelings aroused through this state's enactment of the \$50 law. South Carolina has been this county's greatest drawing card in the tourist business, and every effort is being made to convince South Carolina people that the law is not expressive of the desires of the masses of people here. It is said that Representative Henry, from this county, worked hard against passage of the law, as did almost all members of the legislature from the western part of the state.

Following is a copy of the law that is playing such havoc in this section:

Sec. 121 1-2 Peddlers of fruit and vegetables.

(a) Any person, firm or corporation who or which shall carry on the business of selling or offering for sale fresh fish, fresh fruits and— or vegetables, and who or which does not maintain a permanent place of business in this State, shall apply for in advance and procure from the Commissioner of Revenue a State license for each truck operated, and shall pay for such license a tax of fifty dollars (\$50.00).

(b) This section shall not apply to those persons, firms or corporations selling or offering for sale fruits and— or vegetables, if such fruits and— or vegetables are grown in this State, or the fresh fish taken in the waters of the State.

(c) Cities and towns may levy a license tax on the business taxed in this section not in excess of that levied by the State. No county may levy any license tax under this section.

(d) Any person, firm, or corporation violating any of the provisions of this section shall be guilty of a misdemeanor, and upon conviction shall be fined or imprisoned in the discretion of the court: Provided, that the fine shall not be less than twenty (20) per cent of the tax in addition to the tax and costs.

(e) These license taxes are not to be prorated and are not transferable.

## NAME DELEGATES TO ATLANTA MEET

Raleigh, July 22.—Governor Gardner has appointed as delegates from this State to attend the National Tax Association meeting in Atlanta, Ga., October 12-16, Chairman A. J. Maxwell and Secretary Fred W. Morrison, of the State Tax Commission; Senator J. A. Pritchett of Bertie county, and Representative A. D. MacLean, of Beaufort county.

Suggestion was made that an interpreter should have been appointed to work between the Maxwell-Morrison and the MacLean-Pritchett pairs, in view of the stands taken in the recent tax fights in the General Assembly—or a referee.

## OLD CUSTOMERS TO BE GUESTS OF STORE

Bon Marche to Celebrate Its 42nd Anniversary With Elaborate Party

Bon Marche will entertain its oldest patrons at a banquet on Thursday evening, July thirtieth, in honor of its Forty-Second Anniversary.

Forty-two years ago Bon Marche was founded on the corner of Eagle street and what was then Main street, later re-named Biltmore avenue. The store prospered and grew. The store helped to create some of the commercial prosperity of Asheville and Western North Carolina, and, in turn, the good will of the whole western section of the state helped Bon Marche.

In honor of the Forty-First Anniversary last year, Bon Marche gave a banquet at which over one hundred of the customers of the store in 1889, 1890, and 1891 were guests. It was quite a gala event with reminiscences and tales of old days being the order of the day.

This year the Forty-Second Anniversary of the Bon Marche and, at the request of many friends and patrons, Asheville's largest department store will again celebrate with a banquet given for the old customers. The banquet will be held at the George Vanderbilt Hotel, on Thursday evening, July thirtieth, at seven o'clock.

The guests will be all those who traded at the Bon Marche during the first three years of its existence, 1889, 1890, and 1891; and will include many of the older people of Asheville and Western North Carolina. All men and women who were customers at that time are urged to call at the store and register or write a note. Invitations will be issued later.

## BREVARD BOY ON MAIN BOUT CARD

Pug Hinton, Brevard scrapper of note, is scheduled to meet Chick Hill of Asheville in the main card bout at Osceola Lake, Hendersonville, Friday night.

Hinton has made an enviable record in fistfight circles during the past couple of years. Hill, an outstanding middleweight of the two Carolinas, has a record that matches Hinton's, and a good bout is looked forward to by fans.

It is expected that a large crowd will be in attendance at the Osceola affair Friday night. Good preliminaries arranged, will make the card an interesting affair.

H. E. ERWIN, JR., SINGING OVER RADIO MOST PLEASING

H. E. Erwin, Jr., one of the most popular young men in Brevard, has added new laurels recently by singing over radio from the Spartanburg station. He has been heard in his most popular number, "Harvest Moon," and his voice lost none of its appeal over the broadcast. Many times Mr. Erwin has been called back in local events to sing this song over and over again. Other numbers used by Mr. Erwin were "Wabash Moon," "Forgive Me," and others so familiar to Brevard audiences who have had the pleasure of hearing this most promising young singer.

## JOINES MOTOR CO. TO GIVE FREE SHOW

Talking Pictures to Show Ford Plant and Ford Mines In Operation

On next Monday, July 27, and Tuesday, July 28, the Joines Motor company will give a free show in their big show rooms, to which all people are invited. The show is a talking picture, giving a five-reel minute description of the wonders of the big Ford Motor plant at Dearborn, Mich. In addition, pictures of the coal mines owned by the Ford company, and the railroads, and all the various parts and portions of the immense Ford company's operations will be shown. Mass production, in its most complete form, is operated by the Ford people, and will be shown in this talking picture.

The purpose of the show is to give the people first hand information as to how it is possible for an automobile like the Ford car to be built and sold for the price asked for it. There is not a particle of waste in the entire operation, even the smoke from the smokestacks and the steam from the exhaust pipes being utilized in making by-products which are turned into money that lowers the sale price of the car.

The picture is said by those who have seen it to be both entertaining and educational, and the Joines Motor company urges all people to attend as their guests, as no charge is made for admission. Read their advertisement on another page for more detailed information.

## BREVARD SHARING TOP HONORS WITH BALFOUR MILL NINE

Seven-Six Victory by Spinners Saturday Changes Club Standings.

Playing against odds innumerable, Brevard lost to Balfour on the latter's diamond Saturday afternoon by the score of 7-6 in a game replete with arguments and bad feeling.

With a shaken line-up, the Brevard aggregation played headsup ball throughout the game behind the steady twirling of Graham. Jackson for Balfour, had an excellent day, striking out ten Brevard batters. This victory gave Balfour even honors with Brevard for top place in the Western Carolina League.

Sayles comes here Saturday afternoon for their last mix-up with Brevard this season. The game will be played on McLean Field, beginning at 3:30 sharp. "Booster Day" prices will be charged—50 cents per.

## \$195 PAID DEBTS IN SUM OF \$4875

Last February, with the bank closed and everything at a standstill, the movement to issue "Golden Rule Checks" was inaugurated here, and Oliver H. Orr was named treasurer for the movement. Mr. Orr made report Wednesday, showing that 40 checks were issued, in Five Dollar denomination. Each check was redeemable when 25 signatures had been signed. All but one check have been redeemed, showing that the 39 checks now in had paid \$4,875 in debts in Brevard. Only \$195 in cash had been put up for the 39 checks now in, and the fact that local accounts in the sum of nearly five thousand dollars had been settled with this \$195 invested gives local citizens some idea of circulating money in one's own town.

It is expected that the remaining check will be in within the next few days.
