

1400 FARM MEN AND WOMEN IN RALEIGH S. C. MAN WON THE BILTMORE HOMESPUN

Further Resolutions for Tax Relief Adopted at Convention Last Week

Raleigh, Aug. 4.—More than fourteen hundred farm men and women were registered at the convention held at State College last week, many expressing the belief that they will be better farmers and housekeepers as a result of the training and instruction received. While politics was relegated to the background, the convention heard men in politics, including Senator Josiah W. Bailey and Cameron Morrison.

Nothing that four of its five resolutions last year, including the State taking over the schools and the roads, improving the banking laws and giving the County Government Advisory Commission more power, had been enacted by the 1931 General Assembly and a fifth, relief from land taxation, was partially achieved, the convention last week adopted 16 resolutions, having to do with further tax relief, full support of schools by the State, and 14 others about all calling for expenditures of money, as follows: continuing county agents in each county and without salary cuts deeper than other county officers; continue vocational agriculture in the high school; that agricultural instruction, research and extension be paramount in the greater university; that full facilities of the Farm Board and cooperatives be used by the farmers; that forests be protected from fire; commending crop improvement work; that local Granges be supported; that the State be made more beautiful; commending the State Fair; that soil erosion be studied; increasing the work at State College in economics and rural sociology and marketing activities, and expressing gratitude to Dr. Carl C. Taylor, recently dropped from the State College staff.

Officers elected for next year are Warren W. Watson, Lake Landing, president; L. H. McKay, Hendersonville, and Leland Kitchin, Scotland Neck, first and second vice-presidents; Charles A. Sheffield, State College, secretary-treasurer, and F. H. Jeter, publicity manager.

The farm boys and girls are having their inning at State College this week.

J. S. Sizemore, of Greenville, won the grand prize, a suiting of Biltmore homespun, at last Friday evening's benefit bridge party, the last of a series given by the Business and Professional Women's club of Brevard. The club gave parties on three successive Friday evenings at the Joines Motor company's place, and many valuable prizes were given away. The purpose of the series of benefit parties was to raise money with which to pay the expenses of the Girl Scout leaders to the training camp of the scouts.

Mrs. Lodema Robertson, president of the Business and Professional Women's club in Brevard, and other officers and members express keen appreciation of the very flattering success attending their parties. The winner of the grand prize, Mr. Sizemore, was in Brevard last Friday and purchased a ticket to the affair. Many other visitors in Brevard and the county attended the parties regularly and gave loyal support to the club.

Following is a list of the prize winners last Friday evening: Men's Sox, given by Gillespie Gro. Co., to Miss Carol Maury; Lacquer given by K. & M. Auto Co., Mrs. J. D. Harris; Moffit Standard Service Station, car grease to Mrs. Belcher; Peaches, Alexander and Looper, to Mrs. Boyce Walker; Cooking oil, Swift and Co., to Mrs. Geo. R. PENROSE PROTESTS SATURDAY'S GAME

On account of rain the game here Saturday against Fruitland was moved to the Pisgah field. Penrose boys entered to win and put up a hard battle, as they were playing a team that has lost only one game in the season. The Fruitland veterans had it hard in finding "Lanky" Williams in his excellent twirling. Also perhaps uneasy in the fifth they changed pitchers and catchers, but no better headway was noticed. Rogers had already made a triple off Fisher and came up for another off the south-paw, Patillo, and was called out by Fruitland base umpire, Garren, for failing to tag second. The Penrose team, feeling they had failed to get a square deal here and in some other base decisions, protested the game and closed with seven innings. The dispute will be taken before a board composed of the six managers and the president and probably another game arranged instead.

JUNIORS ENJOYED WATERMELON EAT

Lyday, Barrett, Sharpe and Hamlin to Attend State Meet in Charlotte

With watermelons galore, good music, story telling and a general good fellowship feeling, the members of the Junior Order held an unusually interesting meeting Saturday night. There were many more members in attendance than has been the case in some time, due, it is believed to the fact that the regular meeting date had been changed back to Saturday night. Many members of the Junior Order cannot attend the Thursday night meetings, owing to their work and the distance that some of them live out of town. It is believed that this change back to Saturday night will be of tremendous advantage to the lodge.

W. A. Lyday and James F. Barrett were named as delegates to the state convention to be held in Charlotte on August 18, and C. R. Sharpe and L. P. Hamlin were named as alternates. All are planning to attend, together with several other members of the order. It is hoped that a score or more will attend from the Brevard lodge.

The name of Lewis P. Hamlin will be presented to the convention as vice state councillor at the Charlotte meeting. Friends of the Brevard man in councils all over the state are working in his interest. There are many candidates for this place, and the contest is expected to be one of great interest.

At Saturday night's meeting W. A. Lyday and L. P. Hamlin vied with one another in "speech-making." All are planning to attend, together with several other members of the order. It is hoped that a score or more will attend from the Brevard lodge.

OXFORD ORPHANAGE CONCERT DECLARED MOST SUCCESSFUL

Greeted by a splendid audience, the Oxford Orphanage Singing class of ten girls and four boys once again endeared themselves and the great institution which they represent to the people of Brevard and the county last Thursday night. The concert was given in the auditorium of the Brevard high school building, and the success of the evening was very pronounced. The Eastern Star members and other friends gave great assistance to the Masons' in presenting this annual event.

Kelly and Cohen were having dinner together. Cohen helped himself to the larger fish and Kelly said: "Fine manners ye have, Cohen. If I had reached out first I'd have taken the smaller fish." "Well," Cohen replied, "you got it, didn't you?"
